University Of Florida Algebra Nation. The answer to the end-of-course exam. For Florida's middle- and high-school students, the Algebra I end-of-course exam is as high stakes as it gets—they must pass it to graduate from high school and attend college. To propel students to success on the test and beyond, the college's Lastinger Center has created Algebra Nation, a free, interactive, Web-based resource that gives users access to some of the state's best algebra teachers and powerful online learning resources. Algebra Nation - University of Florida College of Education Welcome to Math Nation! Math Nation is a dynamic state-funded math resource that provides free instructional videos, workbooks, and interactive tutoring to students. Setting up access is easy and free! Click here to learn more. If your school district has not yet set up access to Math Nation, don't worry! You can explore our resources right away. Home - Math Nation Florida Algebra Nation is a dynamic online (and printed workbook) resource that helps students master Algebra 1 - the gateway math course that has implications for students' success in middle/high school and beyond, and one that far too many American middle/high school students fail to master. Algebra Nation provides 24-hour access to high-quality instructional videos, workbooks, collaborative learning tools, and adaptive assessments and support. Algebra Nation - Welcome | Math Nation Launched in Florida in 2013, Algebra Nation is a powerful, interactive online tutoring tool that gives students access to some of the state's best math teachers and e-learning resources aligned with state standards- while

supporting the work of their math teachers. Algebra Nation - Capital Campaign - University of Florida The University of Florida Lastinger Center. We believe that mathematics should be engaging and accessible to all students, and desire to help students connect what they are learning with understandable real-world scenarios and future career opportunities. Algebra Nation, the flagship program of the Math Nation system, utilizes innovative learning technologies to deepen students' acquisition of foundational math concepts through a dynamic, flexible online platform. Algebra Nation - The University of Florida Lastinger Center After investing about \$400,000 in Algebra Nation the first year, UF and Study Edge "had planned to continue self-financing it the second year," Pemberton says. "We're honored that the Florida Legislature has independently recognized that Algebra Nation is making a difference for teachers, students and parents."
