The Thirteen Principal Upanishads

Society of Abidance in Truth

Essence of the Upanishads - A Key to Indian Spirituality (Revised edition of Dialogue with Death, with new series preface and introduction - 19 new pages from transcripts of Easwaran's talks) Easwaran shows how the Katha Upanishad can help us understand our lives today

Easwaran takes one of India's classic wisdom texts, the Katha Upanishad, and explains how it embraces all the key ideas of Indian spirituality within the context of a powerful mythic quest - the story of a young hero who ventures into the land of death in search of immortality. Illustrating the insights of the Katha through analogies and everyday examples, Easwaran shows how these ancient teachings help us gain a deeper understanding of our world and ourselves today.

Shirdi Sai The Supreme Diamond Pocket Books (P) Ltd.

This translation is an essential and classic work of Advaita Vedanta. It is a consummate work of the spirit, an astonishing description of direct Nondual experience and understanding. H.H. Sri Chandrasekharendra Sarasvati, a Sankaracharya of the Kanchi Kamakoti Peetham, stated in glowing terms that the Ribhu Gita is to the Sivarahasyam what the Bhagavad Gita is to the Mahabharata. First-hand descriptions of the

experience of Nonduality are precious and rare. None is more powerful than this classic. Its uncompromising declaration communicates the uninterrupted direct experience of the Sage known as Ribhu. The language is accessible, forceful -- and points clearly beyond the limits of time and circumstance. The Indian cultural frame, traditional dialog between Guru and disciple, is subsumed into the directly penetrating insight that is absolute, beyond any concept. In this second edition, footnotes have been added presenting alternative meanings to the word or phrase immediately preceding the footnote number or show the Sanskrit word in transliterated form that has been translated into English. This second edition also contains an enhanced glossary from the original first edition. In addition, The 108 Names of Ribhu, in Sanskrit and English, is included in this new edition. May we all recognize in this text the freedom and happiness of the Absolute, our True Nature, as reflected in the words of the great Sage Ribhu!

Bollachettira

A publication on the Arya Dharma (Noble

Dharma) – A better way by a unique combination of our heritage, spirituality and current affairs by going back to the future and restoring the glory of Bharat(India) by returning to its ideals of Dharma and Seva. My book applies not only to Bharat, but to the entire world. Reader reviews regarding my book is given here :
<https://aryadharmaworld.com/index/feedback-from-readers/>. Bharata has the greatest history, heritage and culture ever possessed by any civilization in the history of the Universe. It is a real shame of what we have become today because we blindly try to ape and emulate the fraud FUKUS (France, UK, USA) systems of “casino capitalism” and “paid democracy” which are totally unsuitable not only to us, but to any country on this planet, and especially harmful to Nature, the supreme embodiment of Brahman (God). It really makes you wonder about the state of this world, when the priceless Amazon rain forest is valued at only \$20 million, and the Amazon online shopping website is valued at almost a trillion dollars. It really makes you wonder about the state of this world, when the top 1% possesses more

than 47% percent of the global wealth, while the bottom half still worries about scrounging for their next meal. If Bharat must have any hope of restoring its past glory, it must abandon the fraud FUKUS systems which place only money and self-interest as their guiding principle, and return to Dharma and SEVA (Selfless Sacrifice) which were our eternal guiding principles that were laid down ever since Ram Rajya. Dharma and SEVA were the guiding principles of the Golden Era of Bharat, when we surpassed even the Roman, Greek and Persian empires and even made a world conqueror like Alexander retreat in fearful haste without even daring to fight us. If the systems mentioned in this publication are adopted in the world, it would surely lead to a Utopian Society where there is no king, religion, greed and selfishness and all the subjects would be governing themselves following the highest order of Dharma called Arya Dharma (The Noble Dharma).

Ten Upanishads Of Four Vedas, Ram K.Piparaiya: A contemporary treatise that contains unabridged texts, numerous commentaries, simplified synopses, and

inspirational highlights. The book is a useful compendium of original Upanishadic texts and commentaries. Interfaith classics that contemplate on..What is God?Where from came the cosmos?Who am I?Why am I here? Upanishads are a record of human mind's earliest contemplatives flights to the unknown.Many of the anonymous seekers proceeded great masters and prophets like Lao-Tzu, Confucius, Socrates, Zoroaster, Buddha, Mahavira, Abraham and Jesus, by at least a few centuries. Upanishads use many captivating, stories and metaphors to bring out the relationship between man, God and world. Timeless truths are condensed in profound aphorisms. After a few glimpses of Upanishads texts, their mere presence on a bookshelf inspires thoughts of wisdom.

Indian English Poetry: A Critical Evaluation
Hachette India

Lessons for all humankind from the Upanishads The greatness of the Upanishads lies in the fact that many of the passages appearing in them find mention in the Bhagavad Gita - the very essence of Indian thought and wisdom renowned the world over. Of the 108

Upanishads recognised and accepted as genuine by scholars, these 10 essential Upanishads have been extensively studied and interpreted upon by leading theologians including Mahatma Gandhi, Dr. Radhakrishnan, Rabindranath Tagore and Albert Einstein to name just a few. An invaluable gift to humanity, the teachings contained in the Upanishads are relevant for all time. Since they are often in the form of lectures delivered by a teacher to a student, they inspired the 'Question-Answer' format for this concise book. Easy to read, easier to understand - The 10 Great Upanishads is a must read for those who want to benefit from the lessons the Upanishads have for everyone.

Diamond Pocket Books (P) Ltd.

This book is a thoroughly researched primer on the 108 Upanishads, philosophical treatises that form a part of the Vedas, the revered Hindu texts. These Upanishads contain the most crystallized bits of wisdom gleaned from Hinduism. Professor Dalal explains the concepts at the core of each Upanishad clearly and lucidly. Moreover, her vast, diverse philosophical and theological readings add

priceless scholarly context, making this volume indispensable for students of religious studies.

The present anthology Indian English

Poetry: A Critical Evaluation is an

endeavour to shed some light on some major Indian English poets. It combines and discusses poets of two generations.

From older generation of poets like Henry Derozio, Toru Dutt, Rabindranath Tagore to younger generation of poets like Nissim Ezekiel, Jayanta Mahapatra, Eunice de

Souza, Gieve Patel, Kamala Das and many others, all have critically been studied in this anthology. Along with a brief and

critical introduction about the origin and development of Indian English poetry, the anthology also covers an interview with

modern Indian poet Keki N. Daruwalla. The anthology will be helpful to provide study materials for both students and teachers alike.

The Life and Teachings of Buddha Abhinav

Publications

The work presents a complete history of Sanskrit literature in a condensed and succinct form. It embodies a general study of the Vedic, Epic, Puranic, classical and philosophical literature. It sheds light on the life and thought of Ancient and Medieval India as reflected in the literary productions of those periods. Through the brief epitome given in the Appendix on Technical Literature including Law, Science and Arts it provides information both interesting and instructive. The bibliographical notes and index appended at the end add to the value and render the work most useful to the reader. Even in this age of advanced historiography when even the outstanding researches of eminent antiquarians have become outdated, the utility of this small work has not diminished by the passing away of the three quarters of a century.

Three thousand years ago, deep inside the forests of India, a great 'thought revolution' was brewing. In those forest labs, the brightest thinker-philosophers contemplated the universe, reflected on ancient texts called the Vedas and came up with startling insights into questions we still don't have final answers to, like: • What is the universe made of? • How do I know I'm looking at a tree when I see one? • Who am I? My body, my mind, my intelligence, my emotions, or none of the above? And where did they put those explosive findings? In a sprawling body of goosebumpy and fascinating oral literature called the Upanishads! Intimidated? Don't be! For this joyful, fun guide to some of India's longest-lasting secular wisdoms, reinterpreted for first-time explorers by

Roopa Pai, is guaranteed to keep you turning the pages. Why haven't you read it yet?

Containing Appendices on Sanskrit Prosody and Important Literary & Geographical Names in the Ancient History of India, for the Use of Schools and Colleges The 108 UpanishadsAn Introduction

The Treasury is a collection of the spiritual terms found in the literature of the world's religious and mystical traditions. Its primary objective is to elucidate the meaning of the essential terms used by the various spiritual and religious traditions of the world throughout history. It is not primarily intended as a dictionary or as an encyclopedia, nor is it a definitive treatise on any particular subject or religion. It is meant to help the ordinary person understand some of the basic principles of his or her religious background, within the framework of a universal understanding of spirituality. All terms are explained in a simple manner, with each term presented as a separate entry. With the explanations grouped according to subject and placed alongside one another, many similarities between

the various religions immediately become apparent. Among these many pages, the reader will find a mixture of interesting concepts, quotations, thoughts, perceptions and ideas. There should be something for everyone, whoever they are and whatever their bent of mind. The Treasury is prepared and edited by an international team of researchers, contributors, editors and readers with a wide variety of religious and cultural backgrounds. All those involved gave their time and expertise freely to the project. Since the Society does not seek any profit and the cost of printing in India is low, the Treasury can be sold at a very low price. This helps the Society stay true to its premise that spirituality is the birthright of all, that no profit should be extracted from its dissemination, and most important that knowledge of these truths should not be withheld from anyone for economic reasons. -- Provided by publisher.

Life in the Upanishads Oxford Paperbacks

The Vedas and Upanishads for Children
Motilal Banarsidass Publ.

The Upanishads are a group of texts in Hindu sacred literature that are considered to reveal the ultimate truth and whose knowledge is considered to lead to spiritual emancipation. In the Upanishads, we find the finest flowering of the Indian metaphysical and speculative thought. They are utterances of seers who spoke out of the fullness of their illumined experience. Upanishad is derived from upa (near), ni (down) and sad (to sit). Hence, the term implies the pupils, intent on learning, sitting near the teacher to acquire knowledge and truth. There are over 200 Upanishads but the traditional number is 108. Of them, only 10 are the principal Upanishads: Isha, Kena, Katha, Prashan, Mundaka, Mandukya, Tattiriya, Aitareya, Chhandogya and Brihadaranyaka. This book is a forerunner in introducing these primary Upanishads to the uninitiated.
