English-English-Malayalam Dictionary Collins

Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. Goat Days was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

N.B.S. Malayalam English Dictionary Franklin Classics

This dictionary contains more than 52,000 entries, related phrases, idioms and more than 200 illustrations. Like our other Bilingual Dictionaries, this has been specially compiled for learners of English, teachers, translators and general readers. *Vol. 1*- Cambridge University Press

The Cobuild Pocket English-English-Malayalam Dictionary is a brand new, illustrated dictionary aimed at learners of English. This dictionary covers all the essential words and phrases that students need to learn. The definitions are written in full sentences, using simple language, and the dictionary contains thousands of examples of real English, showing the learner how English is really used. Additional help is provided by the thousands of Malayalam translations. Every sense, phrase and phrasal verb has a Malayalam translation, which acts as a stepping stone from the student's first language to the wealth of information contained in the dictionary. With hundreds of line drawings illustrating key terms, the Cobuild Pocket English-English-Malayalam Dictionary is ideal for learners of English.

An English - English-Malayalam Dictionary Createspace Independent Publishing Platform

Malayala is the language spoken predominantly in the beautiful state of Kerala, an increasingly popular tourist destination on the tropical Malabar coast of south-western India. Malayalam is spoken by around 36 million people. Its native speakers are called "Malayalis". The language is also spoken in the union territories of Lakshadweep and Pondicherry, and by populations all over the world. Malayalam has a rich literary tradition and its speakers are among India's foremost intellectuals. Belonging to the family of Dravidian languages and closely related to Tamil, the language spoken in the neighbouring state Tamil Nadu, Malayalam developed a script of its own. It is also, interestingly, the longest palindromic language name in English. This essential

resource provides an extensive two-way dictionary, comprehensive phrasebook, and basic grammar. To aid the English speaker, all Malayalam entries are presented in the Roman alphabet. The native script is also introduced, however, along with a detailed pronunciation guide. Guidance is offered to travellers for various everyday life situations, as well as useful common vocabulary items and an introduction to the arts and culture of Kerala.
