 What's the nature of reality? Does the universe ever end? What is time

and does it even exist? These are the biggest imagination-stretching, brain-staggering questions in the universe - and here are their fascinating answers. From quantum weirdness to freaky cosmology

(like white holes - which spew out matter instead of sucking it in), This Book Will Blow Your Mind takes you on an epic journey to the furthest extremes of science, to the things you never thought possible. This book will explain: Why

is part of the universe missing (and how scientists finally found it) How time might also flow backwards How human head transplants might be possible (in the very near future) Whether the universe is a hologram And why we are all zombies Filled with counterintuitive stories and factoids you can't wait to share, as well as lots of did-you-knows and plenty of how-did-we-ever-not-

knows, this new book from the bestselling New Scientist series will blow your mind - and then put it back together again. You don't need a spaceship to travel to the extremes of science. You just need this book. *The Inheritance Games* Philomel Books If you could steal things from dreams, what would you take? Ronan Lynch has secrets. Some he keeps from

others. Some he keeps from himself. One secret: Ronan can bring things out of his dreams. And sometimes he's not the only one who wants those things. Ronan is one of the raven boys — a group of friends, practically brothers, searching for a dead king named Glendower, who they think is hidden somewhere in the hills by their elite private school, Aglionby Academy. The path to

Glendower has long lived as an undercurrent beneath town. But now, like Ronan's secrets, it is beginning to rise to the surface — changing everything in its wake. Of THE RAVEN BOYS, ENTERTAINMENT WEEKLY wrote, "Maggie Stiefvater's can't-put-it-down paranormal adventure will leave you clamoring for book two." Now the second book is here, with the same wild

imagination, dark romance, and heart-stopping twists that only Maggie Stiefvater can conjure. Praise for THE DREAM THIEVES: \* "Richly written and filled with figurative language...this story of secrets and dreams, of brothers and of all-too-real magic is an absolute marvel of imagination and an irresistible invitation to wonder." -- BOOKLIST, starred review \* "Mind-blowingly

spectacular... Stiefvater's careful exploration of class and wealth and their limitations and opportunities astounds with its sensitivity and sophistication. The pace is electric, the prose marvelously sure-footed and strong, but it's the complicated characters...that meld magic and reality into an engrossing, believable whole." -- KIRKUS REVIEWS, starred review \* "A

paranormal thriller...this installment [is] more tense and foreboding than its predecessor—and every bit as gripping." -- PUBLISHERS WEEKLY, starred review  
 \* "A complex web of magical intrigue and heartstopping action." -- THE BULLETIN, starred review  
 \* "Readers who want a moody chill and appreciate an atmospheric turn of phrase will want to spend more time in Henrietta." --

 Lose yourself in Maggie Stiefvater's NEW YORK TIMES bestselling Shiver series: SHIVER, LINGER, FOREVER, and now SINNER. ShiverSam's not just a normal boy -- he has a secret. During the summer he walks and talks as a human, but when the cold comes, he runs with his

pack as a wolf. Grace has spent years watching the wolves in the woods behind her house -- but never dreamed that she would fall in love with one of them. Now that they've found each other, the clock ticks down on what could be Grace and Sam's only summer together. Linger. Can Grace and Sam last? Each will have to fight to stay together -- whether it means a reckoning with his werewolf

past for Sam, or for Grace, facing a future that is less and less certain. Enter Cole, a new wolf who is wrestling with his own demons, embracing the life of a wolf while denying the ties of being human. For Grace, Sam, and Cole, life is harrowing and euphoric, enticing and alarming. As their world falls apart, love is what lingers. But can it be enough?

Blue Lily, Lily Blue (the Raven Cycle, Book 3) Scholastic Paperbacks This is the second book in a brand new series from bestselling author, Maggie Stiefvater. Fans of SHIVER (9781407115009), LINGER (9781407121086) and FOREVER (9781407121116) will love this new quartet!

The Dream Thieves (The Raven Cycle, Book 2) Scholastic Press From the #1 New York Times bestselling author of The Raven Boys, a mesmerizing story of dreams and desires, death and destiny. The dreamers walk among us . . . and so do the dreamed. Those who dream cannot stop dreaming - they can only try to control it. Those who are dreamed cannot have their own lives - they will sleep forever if their dreamers die. And then there are those who are drawn to the dreamers. To

use them. To trap them. To kill them before their dreams destroy us all. Ronan Lynch is a dreamer. He can pull both curiosities and catastrophes out of his dreams and into his compromised reality. Jordan Hennessy is a thief. The closer she comes to the dream object she is after, the more inextricably she becomes tied to it. Carmen Farooq-Lane is a hunter. Her brother was a dreamer . . .

and a killer. She has seen what dreaming can do to a person. And she has seen the damage that dreamers can do. But that is nothing compared to the destruction that is about to be unleashed. . . .

Don't miss this New York Times bestselling "impossible to put down" (Buzzfeed) novel with deadly stakes, thrilling twists, and juicy secrets--perfect for fans of *One of Us is Lying* and *Knives Out*. Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her

fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire fortune. The catch? Avery has no idea why--or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House where every room bears the old man's touch--and his love of puzzles, riddles, and codes.

Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day, they would inherit billions. Heir apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her

down. His brother, Jameson, views her as their grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege, with danger around every turn, Avery will have to play the game herself just to survive. *Opal (a Raven Cycle Story)* Cambridge University Press

Though she is from a family of clairvoyants, Blue Sargent's only gift seems to be that she makes other people's talents stronger, and when she meets Gansey, one of the Raven

Boys from the expensive Aglionby Academy, she discovers that he has talents of his own-- and that together their talents are a dangerous mix.

**Mister Impossible (The Dreamer Trilogy #2)**

Little, Brown Books for Young Readers  
An enchanting story from Maggie Stiefvater featuring Opal, Ronan, and Adam from her bestselling Raven Cycle, taking place

after the events of *The Raven King*. *The Raven Boys* Scholastic Inc. In *SHIVER*, Grace and Sam found each other. Now, in *LINGER*, they must fight to be together. For Grace, this means defying her parents and keeping dangerous secrets. For Sam, it means grappling with his werewolf past ... and figuring out a way to survive the future. But just when they manage to find happiness, Grace finds

herself changing in ways she could never have expected... **Ballad** Scholastic Inc. Before there was Eleanor and Park, there was Francesca and Will. A compelling story of romance, family, and friendship, with humor and heart, perfect for fans of *If I Stay*, *The Spectacular Now*, and *Looking for Alaska*. Francesca is stuck at St. Sebastian's, a boys' school

that pretends it's coed by giving the girls their own bathroom. Her only female companions are an ultra-feminist, a rumored slut, and an impossibly dorky accordion player. The boys are no better, from Thomas, who specializes in musical burping, to Will, the perpetually frowning, smug moron that Francesca can't seem to stop thinking about. Then there's Francesca's mother, who

always thinks she knows what's best for Francesca—until she is suddenly stricken with acute depression, leaving Francesca lost, alone, and without an inkling of who she really is. Simultaneously humorous, poignant, and impossible to put down, this is the story of a girl who must summon the strength to save her family, her social life, and—hardest of all—herself. Melina Marchetta is

the Printz-winning author of *Jellicoe Road*, as well as *Looking for Alibrandi* and *Finnikin of the Rock*. *Blue Lily, Lily Blue* Scholastic Inc. The third installment in the captivating series from the irrepressible, #1 New York Times bestselling author Maggie Stiefvater, in paperback. Blue Sargent has found things. For the first time in her life, she has friends she can trust,

a group to which she can belong. The Raven Boys have taken her in as one of their own. Their problems have become hers, and her problems have become theirs. The trick with found things, though, is how easily they can be lost. Friends can betray. Mothers can disappear. Visions can mislead. Certainties can unravel. In a starred review, *The Bulletin* called *The Dream Thieves*, the

previous book in The Raven Cycle, "a complex web of magical intrigue and heart-stopping action." Now, with *Blue Lily, Lily Blue*, the web becomes even more complex, snaring readers at every turn. The Raven Scholastic UK From the author of *Our Chemical Hearts* comes the hilarious, reality-bending tale of two outsiders facing their greatest fears about life and love--one debilitating

phobia at a time. Ever since Esther Solar's grandfather was cursed by Death, everyone in her family has been doomed to suffer one great fear in their lifetime. Esther's father is agoraphobic and hasn't left the basement in six years, her twin brother can't be in the dark without a light on, and her mother is terrified of bad luck. The Solars are consumed by their fears and, according to the legend of the curse,

destined to die from them. Esther doesn't know what her great fear is yet (nor does she want to), a feat achieved by avoiding pretty much everything. Elevators, small spaces and crowds are all off-limits. So are haircuts, spiders, dolls, mirrors and three dozen other phobias she keeps a record of in her semi-definitive list of worst nightmares. Then Esther is pickpocketed by Jonah Smallwood, an

old elementary school classmate. Along with her phone, money and a fruit roll-up she'd been saving, Jonah also steals her list of fears. Despite the theft, Esther and Jonah become friends, and he sets a challenge for them: in an effort to break the curse that has crippled her family, they will meet every Sunday of senior year to work their way through the list, facing one terrifying fear at a time,

including one that Esther hadn't counted on: love. *Finnikin of the Rock* Candlewick Press When Willa's upside-down magic brings rain, the storminess threatens her grades and her friendships. *Saving Francesca* North Star Editions, Inc. The Raven Boys Shiver, Linger, Forever Scholastic UK The Foxes are a fractured mess, but their latest disaster might

be the miracle they've always needed to come together as a team. The one person standing in their way is Andrew, and the only one who can break through his personal barriers is Neil.
