WALLS BEATRICE

Blanketmen Encounter Books
 An electrifying biography of one of the most extraordinary scientists of the twentieth century and the world he made. The smartphones in our pockets and computers like brains. The vagaries of game theory and evolutionary biology. Nuclear weapons and self-replicating spacecrafts. All bear the fingerprints of one remarkable, yet largely overlooked,

man: John von Neumann. Born in Budapest at the turn of the century, von Neumann is one of the most influential scientists to have ever lived. A child prodigy, he mastered calculus by the age of eight, and in high school made lasting contributions to mathematics. In Germany, where he helped lay the foundations of quantum mechanics, and later at Princeton, von Neumann's colleagues believed he had the fastest brain on the planet—bar none. He was instrumental in the Manhattan Project and the design of the atom bomb; he helped formulate the bedrock of Cold War geopolitics and modern economic theory; he created the first ever programmable

digital computer; he prophesized the potential of nanotechnology; and, from his deathbed, he expounded on the limits of brains and computers—and how they might be overcome. Taking us on an astonishing journey, Ananyo Bhattacharya explores how a combination of genius and unique historical circumstance allowed a single man to sweep through a stunningly diverse array of fields, sparking revolutions wherever he went. The Man from the Future is an insightful and thrilling intellectual biography of the visionary thinker who shaped our century. *Strike Five* SCB Distributors
 Released for the first time in paperback,

this landmark social and political volume on feminism is credited with being responsible for raising awareness, liberating both sexes, and triggering major advances in the feminist movement. Reprint.

Why Men are Boycotting Marriage, Fatherhood, and the American Dream--and why it Matters Random House
DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart - to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O'Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

Lysistrata Penguin

American society has become anti-male. Men are sensing the backlash and are consciously and unconsciously going "on strike." They are dropping out of college, leaving the workforce and avoiding marriage and fatherhood at alarming rates. The trend is so pronounced that a number of books have been written about this "man-child" phenomenon, concluding that men have taken a vacation from responsibility simply because they can. But why should men participate in a system that seems to be increasingly stacked against them? As *Men on Strike* demonstrates, men aren't dropping out because they are stuck in arrested development. They are instead acting rationally in response to the lack of incentives society offers them to be responsible fathers, husbands and providers. In addition, men are going on strike, either consciously or unconsciously, because they do not want to be injured by the myriad of laws, attitudes and hostility against them for the crime of happening to be male in the twenty-first century. Men are starting to fight back against the backlash. *Men on Strike* explains their battle cry.

The Human Christ University of Washington Press

The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. Peril is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden's presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. "We have much to do in this winter of peril," Biden declared at his inauguration, an event marked by a nerve-racking security alert and the threat of domestic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward's news-making trilogy on the Trump presidency, along with *Fear and Rage*. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward's coverage, with Carl Bernstein, of President Richard M. Nixon's final days.

The Husbands Createspace Independent Pub

Be careful what you wish for. Your dream might come true. This is a humorous story about Chad Smith who had his greatest hope fulfilled but with results he could never have imagined. His ambition was to play ball in the Major League. Only one thing held him back from playing professional baseball in the majors. Through a freak accident this shortcoming is removed but the transformation leads to an unorthodox style of play. His success arouses a number of emotions in the other players, team managers and owners of the baseball teams. He is swept away into a beehive of controversy.

The Feminist Lie Lion Books

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

A Memoir of Women, Addiction, and Love American Bar Association

"A scorching memoir of a love affair with an addict, weaving personal reckoning with psychology and history to understand the nature of addiction, codependency, and our appetite for obsessive love. "The disease he has is addiction," Nina Renata Aron writes of her boyfriend, K. "The disease I have is loving him." Their love affair is dramatic, urgent, overwhelming—an intoxicating antidote to the long, lonely days of early motherhood. Soon after they get together, K starts using again, and years of relapses and broken promises follow. Even as his addiction deepens, she stays, convinced she is the one who can get him sober. After an adolescence marred by family trauma and addiction, Nina can't help but feel responsible for those suffering around her. How can she break this pattern? If she leaves K, has she failed him? Writing in prose at once unflinching and acrobatic, Aron delivers a piercing memoir of romance and addiction, drawing on intimate anecdotes as well as academic research to crack open the long-feminized and overlooked phenomenon of codependency. She shifts between visceral, ferocious accounts of her affair with K and introspective

analyses of the part she plays in his addictions, as well as defining moments in the history of codependency, from the temperance movement to the formation of Al-Anon to more recent research in the psychology of addiction. *Good Morning, Destroyer of Men's Souls* is a blazing, bighearted book that illuminates and adds nuance to the messy tethers between femininity, enabling, and love"--

A Counterhistory of Feminism Union Books
Jesus the historical figure has intrigued some of the most interesting figures of modernity; such as Newton and Norman Mailer. In this revealing history and critique, the author enters the complex mental worlds of these researchers to show how our understanding of Jesus has influenced our culture

The Trouble with White Women Penguin
Demonstrates that society has become anti-male, and reveals why men are either consciously or unconsciously going on strike due to the laws, attitudes, and hostility against them for being male in the twenty-first century.

The Grapes of Wrath Atlantic Monthly Press

'What's your sun sign?'-a conversation starter, an ice-breaker, a guessing game or just genuine curiosity that can draw strangers together. Four words that get heard a million times, each time, sounding just as exciting! Dig deeper, and it's a statement that mirrors our underlying desire to know more about the other person and allows us the thrill of entering a mystical zone-of people's behaviours and relationships. This witty book, without any astrological clutter, is your perfect companion to understanding your friends, family, professional associates and more importantly, your self. You will be amazed to see how we can touch hearts, build relationships and connect with people when we speak to them about them!

Three Men of Boston Haymarket Books
THE #1 NEW YORK TIMES BESTSELLER! A TONIGHT SHOW STARRING JIMMY FALLON SUMMER READS NOMINEE! Named a Most Anticipated Book of 2021 by Newsweek • Oprah Magazine • The Skimm • Marie Claire • Parade • The Wall Street Journal • Chicago Tribune • PopSugar • BookPage • BookBub • Betches • SheReads • Good Housekeeping • BuzzFeed • Business Insider • Real Simple • Frolic • and more!
Two best friends. Ten summer trips. One last chance to fall in love. From the New York Times bestselling author of *Beach Read* comes a sparkling new novel that will leave you with the warm, hazy afterglow usually reserved for the best vacations. Poppy and Alex. Alex and Poppy. They have nothing in common.

She's a wild child; he wears khakis. She has insatiable wanderlust; he prefers to stay home with a book. And somehow, ever since a fateful car share home from college many years ago, they are the very best of friends. For most of the year they live far apart—she's in New York City, and he's in their small hometown—but every summer, for a decade, they have taken one glorious week of vacation together. Until two years ago, when they ruined everything. They haven't spoken since. Poppy has everything she should want, but she's stuck in a rut. When someone asks when she was last truly happy, she knows, without a doubt, it was on that ill-fated, final trip with Alex. And so, she decides to convince her best friend to take one more vacation together—lay everything on the table, make it all right. Miraculously, he agrees. Now she has a week to fix everything. If only she can get around the one big truth that has always stood quietly in the middle of their seemingly perfect relationship. What could possibly go wrong?

It Was Never about Equality Ig Pub

Men on Strike Why Men Are Boycotting Marriage, Fatherhood, and the American Dream - and Why It Matters Why Men Are Boycotting Marriage, Fatherhood, and the American Dream - and Why It Matters Boxtree

Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the, workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new after, word by the author, this special twentieth anniversary edition continues Zinn's

important contribution to a complete and balanced understanding of American history.

Good Morning, Destroyer of Men's Souls Createspace Independent Publishing Platform

Examines the key roles played by Samuel Adams, Thomas Hutchinson, and James Otis during the fifteen years preceding the American Revolution and discusses their influence on the events that led to the colonists' revolt.

Seven Games: A Human History Simon and Schuster

An incisive history of self-serving white feminists and the inspiring women who've continually defied them Women including Elizabeth Cady Stanton, Margaret Sanger, and Sheryl Sandberg are commonly celebrated as leaders of feminism. Yet they have fought for the few, not the many. As award-winning scholar Kyla Schuller argues, their white feminist politics dispossess the most marginalized to liberate themselves. In *The Trouble with White Women*, Schuller brings to life the two-hundred-year counter history of Black, Indigenous, Latina, poor, queer, and trans women pushing back against white feminists and uniting to dismantle systemic injustice. These feminist heroes such as Frances Harper, Harriet Jacobs, and Pauli Murray have created an anti-racist feminism for all. But we don't speak their names and we don't know their legacies. Unaware of these intersectional leaders, feminists have been led down the same dead-end alleys generation after generation, often working within the structures of racism, capitalism, homophobia, and transphobia rather than against them. Building a more just feminist politics for today requires a reawakening, a return to the movement's genuine vanguards and visionaries. Their compelling stories, campaigns, and conflicts reveal the true potential of feminist liberation. *The Trouble with White Women* gives feminists today the tools to fight for the flourishing of all.

The Man from the Future: The Visionary Life of John von Neumann Simon and Schuster

If the American labor movement is to rise again, it will not be as a result of electing different politicians, the passage of legislation, or improved methods of union organizing. Rather, workers will need to rediscover the power of the strike. Not the ineffectual strike of today, where employees meekly sit on picket lines waiting for scabs to take their jobs, but the type of strike capable of grinding industries to a halt--the kind employed up until the 1960s. In *Reviving the Strike*,

labor lawyer Joe Burns draws on economics, history and current analysis in arguing that the labor movement must redevelop an effective strike based on the now outlawed traditional labor tactics of stopping production and workplace-based solidarity. The book challenges the prevailing view that tactics such as organizing workers or amending labor law can save trade unionism in this country. Instead, *Reviving the Strike* offers a fundamentally different solution to the current labor crisis, showing how collective bargaining backed by a strike capable of inflicting economic harm upon an employer is the only way for workers to break free of the repressive system of labor control that has been imposed upon them by corporations and the government for the past seventy-five years.

People We Meet on Vacation Men on Strike Why Men Are Boycotting Marriage, Fatherhood, and the American Dream - and Why It Matters Demonstrating that society has become anti-male, this provocative book reveals why men are going on strike, either consciously or unconsciously, due to the laws, attitudes and hostility against them for the crime of happening to be male in the 21st century. 20,000 first printing. Men on Strike Why Men Are Boycotting Marriage, Fatherhood,

and the American Dream - and Why It Matters

Shocking and controversial when it was first published in 1939, Steinbeck's Pulitzer prize-winning epic remains his undisputed masterpiece. It tells of the Joad family who travel West in search of the promised land, and find only broken dreams.

The Confidence Men Milkyway Media The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Men on Strike Crown Publishing Group (NY)

In the present book, *How to Win Friends*

and Influence People, Dale Carnegie says, "You can make someone want to do what you want them to do by seeing the situation from the other person's point of view and arousing in the other person an eager want." You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, "let the other person feel that the idea is his or hers" and "talk about your own mistakes before criticizing the other person." This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve. *Twelve Ways to Win People to Your Way of Thinking* 1. The only way to get the best of an argument is to avoid it. 2. Show respect for the other person's opinions. Never say "You're wrong." 3. If you're wrong, admit it quickly and emphatically. 4. Begin in a friendly way. 5. Start with questions to which the other person will answer yes. 6. Let the other person do a great deal of the talking. 7. Let the other person feel the idea is his or hers. 8. Try honestly to see things from the other person's point of view. 9. Be sympathetic with the other person's ideas and desires. 10. Appeal to the nobler motives. 11. Dramatize your ideas. 12. Throw down a challenge.
