WS is one of
the most
prominent and

prolific artists
of his

Working
across art,
fashion and
design, he
creates
colour-filled
paintings,
murals, large-
scale
sculptures,
street and

public art,
products, and

His work is

animations to form a distinctive artistic vocabulary. Featuring a new text by Margaret Atwood (The Handmaid's Tale), a biographical essay by NGV Senior Curator of Contemporary Art, Dr Simon Maidment, and more than 200 images, including documentation of the career-survey exhibition KAWS: Companionship in the Age of Loneliness at the National Gallery of Victoria, this

publication is a comprehensive overview of the artist's work to date. - - Publisher website.KAWS The first monograph on the iconic independent New York street fashion label Supreme. In April 1994, Supreme opened its doors on Lafayette Street in downtown Manhattan and became the home of New York City skate culture. Challenging the dominance of the

established Wes Coast skater scene and the new conservatism of 1990s New York, Supreme defined the aesthetic of an era of rebellious cool that reached from skaters to fashionistas and hip hop heads. Over the last sixteen years, the brand has stayed true to its roots while collaborating with some of the most groundbreaking artists and designers of its generation, and with stores in Los Angeles and Japan has

become an international icon of independent counter-cultural style. This definitive monograph - with written contributions from contrasting arbiters of style, Aaron Bondaroff and Glenn O'Brien, and including an interview between founder James Jebbia and the artist KAWS - brings together the disparate elements of the brand's output, from legendary advertising campaigns to especially

commissioned skateboard designs, photographs, and artworks, and a comprehensive index of their products to date. Including collaborations with Jeff Koons, Richard Prince, Damien Hirst, Public Enemy, Lou Reed, and Futura 2000 among many others, this richly illustrated book is a survey of sixteen years of contemporary street fashion and culture reflected in

the pioneering work of one of New York's most influential independent labels.

A clothbound collection of KAWS' instantly recognizable riffs on pop culture, featuring bold graphics and a familiar cast of characters. Few artists have managed to bridge the gap between high and low culture as seamlessly as KAWS has since his career took off

in the 1990s: his iconic cartoon-inspired designs have graced fashion collections, vinyl figurines, and skateboards as well as canvases sold for millions of dollars. Frequently portraying familiar figures such as Mickey Mouse and Spongebob Squarepants with cauliflower ears and X'ed-out eyes, KAWS employs a sophisticated dark humor throughout his work,

exploring the relationship between art and consumerism. This publication documents the artist's first exhibit in the Middle East, with more than 40 key pieces in sculpture and painting from the last two decades. The exhibit in Doha, Qatar, and its accompanying catalog also feature a number of KAWS' commercial collaborations alongside his 5-meter-tall sculpture Companion

(Passing Through) and his inflatable 40-meter-tall piece Holiday. Bound in cloth, this volume is a gorgeous collection of KAWS' most exciting work. Brian Donnelly (born 1974), known professionally by his graffiti tag KAWS, is the mastermind behind one of today's most recognizable artistic brands. A graffiti artist since adolescence, Donnelly received his BFA in illustration

from the School of Visual Arts in 1996. He then worked as a background artist for animated TV programs before becoming an independent designer. He has worked with artists like Kanye West and collaborated with brands such as Supreme, Nike and Comme des Garçons. He is currently represented by Perrotin in New York. *The Dark Souls Companion* Silvana Editoriale

Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term "POPaganda" to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing

arsenal of original characters such as MC Supersized; the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is

the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and "agit-pop." Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Paradise Now? Steve Parish
The publication brings together select NGV Collection works as a

springboard for discussion on the intersection of art, gender and protest from the seventeenth to the twenty-first century. Each essay in the volume examines one or a group of works held by the NGV, focussing on the way artists and designers have used image, colour, text, symbols and medium in response to changing paradigms of gender, feminism and political identity. *Yoshitomo Nara* Legare

They were good! They made amazing records!...Rap parallels punk rock: Destroy everything that came before it and

borrow little bits to help you get there. Bring it full circle: it helps us understand how and why these two groups did what they did, and why Glen E. brings us into the picture deeper than anyone and brings it all together. Forever. These photographs inspire and excite us to this day." -- Chris Rock "Run-DMC were outsiders from mainstream culture. The Beasties were outsiders from hip-hop

culture. Being accepted by Run-DMC and touring with Run-DMC was a mark of authenticity for Beastie Boys. There was a feeling of family between the two groups." -- Rick Rubin In the early 1980s iconic skate and punk photographer Glen E. Friedman had a front row seat to the rise of hip-hop music and culture. He was able to get with both Run-DMC and Beastie Boys on their meteoric rise

to fame. Befriending both groups, Friedman's eye composed the photos that have become synonymous with how we remember both groups when they first came into our collective consciousness . And then the moment when it all came together: the seminal, popular, and highly publicized 1987 joint concert tour, Raising Hell. TOGETHER FOREVER is not only a visual time capsule of hip-

hop on the cusp of becoming mainstream, but a record of the strong bond of friendship between these two groups and how they significantly influenced each other, all while having a massive impact on music history and the industry. Including scores of never-before-published photos made by Friedman-- the bands in concert, goofing around with celebrities, portraits, and,

of course, hanging out together-- TOGETHER FOREVER includes a foreword by Chris Rock, plus text contributions by the surviving members of both groups and others who were there, proving that the originals still reign.

Lobotomy is a lurid and unlikely temperance tract from the underbelly of rock 'n' roll. Taking readers on a wild rollercoaster ride from his crazy childhood in Berlin and Munich to his lonely methadone-soaked stay at a cheap hotel in Earl's Court and newfound peace on the straight and narrow, Dee Dee Ramone catapults readers into the raw world of sex, addiction, and two-minute

songs. It isn't pretty. With the velocity of a Ramones song, Lobotomy rockets from nights at CBGB's to the breakup of the Ramones' happy family with an unrelenting backbeat of hate and squalor: his girlfriend ODs; drug buddy Johnny Thunders steals his ode to heroin, "Chinese Rock"; Sid Vicious shoots up using toilet water; and a pistol-wielding Phil Spector holds the band hostage

in Beverly Hills. Hey! Ho! Let's go! *Sneakers x Culture: Collab* Madora Shuppan Catalogue of an exhibition held at Waddington Custot Galleries, Oct. 3 - Nov. 10, 2012. *The Mamba Mentality* Gingko Press Eisner and Harvey award-winner James Jean showcases his emblematic body of work on cover images from Batgirl, Green Arrow, Batman and his Sandman Overture

variant cover. His art defies genres and categories but a fine artist like James Jean strives for excellence in everything he creates and this DC portfolio collection perfectly captures that. Poster portfolio of 20 James Jean cover images from his artistic contributions to Batgirl, Green Arrow, Batman and Sandman Overture. **She Persists** Pie International Ron English is widely

considered to be one of the seminal figures in the ever-growing subvertising or culture jamming movement, in which artists and activists subvert an existing advertisement to send out their own message or encourage free thought. He has pirated over a thousand billboards over the last twenty years, replacing existing advertisements with his own hand-painted subvertisements'. English is

also a well-known pop painter.'

Appropriating characters, images and effects from pop culture, the work of KAWS blurs the lines between high and low art, and between art and fashion. Effectively deploying film and television favorites for his toys, large-scale sculpture and bold, nearly abstract painting, KAWS recasts the familiar colours and forms of

popular entertainment in cheeky and often poignantly human terms. Influenced by Andy Warhol and other Pop artists, hard-edge abstract painting and graffiti, KAWS' work deftly straddles consumer culture and artistic innovation, and his distinctive style is as much at home in his toys as in his monumental sculpture. KAWS: Where the End Starts explores the artist's prolific career in

depth, featuring key paintings, sculptures, drawings, toys and fashion and advertising designs. This extensive monograph, including contributions from Andrea Karnes, Michael Auping, Dieter Buchhart and Pharrell Williams, reveals critical aspects of KAWS' formal and conceptual development over the past 20 years, as his career has shifted from graffiti to fine art and

collaborations with designers and brands such as Comme des Garçons,	SUPREME, Nigo (A Bathing Ape) and Nike. The Diaries of George	Washington Books Nippan KAWSCompani onship in the Age of Loneliness
