Policy and Procedure Manual

A church should spend annually about 2% of the cost of replacing the building on maintenance.

If you have a building worth \$1 million, then spend about \$20,000 on maintenance. The rest of the percentage will be spent on salaries, utilities, cleaning supplies,

commercial property insurance, capital reserve funds, etc.

Budget Percentages

Most church financial planning groups will establish the budget guideline for

the coming year by examining the income of the church for the previous year and then adjusting that amount based on their “feelings” for the amount of income for the next year.
