## **HOLMES CRANE**

### **El español arcaico. Aparición de la literatura romance**

University of  
Alabama Press  
The present  
English  
version,  
authorized by  
the publishers  
and heirs of M.  
Merimee, is  
based on the  
third French  
Edition. New  
material of  
two sorts has  
been added,  
however. First,  
the translator  
has been  
allowed to  
utilize an  
annotated,

interleaved  
copy of the  
Precis, 1922,  
in which the  
author, and  
after his death  
his son Henri,  
himself a  
distinguished  
Hispanist, had  
set down  
material for  
the next  
revision. This  
accounts for  
many inserted  
names and  
phrases, and  
some  
paragraphs.  
Second, the  
translator has  
rewritten and  
added with  
some  
freedom.

**Judeo-  
Spanish  
Ballads from  
New York**  
Cengage  
Learning  
In New York  
City during  
the winter of  
1922 and the  
spring of  
1923, Mair  
Jose  
Benardete  
recorded the  
texts of the  
thirty-nine  
traditional  
ballads  
published in  
this volume.  
His collection,  
the beginning  
of Judeo-  
Spanish ballad

research in America, was assembled when the oral tradition was still rich and vigorous among immigrants to New York from the Sephardic settlements of the Eastern Mediterranean and North Africa. Among the ballads are a number of rare text types, some never again recorded in the Sephardic communities of the United States. In addition, many of the texts provide new insights into the origins of the

thematic traditions they represent. Samuel G. Armistead and Joseph H. Silverman have edited the ballads collected by Benardete, offering an English abstract and exhaustive bibliography for each ballad. In addition to placing each ballad within the context of its Sephardic variants, the bibliographies refer to the most important collections in the modern Castilian, Portuguese,

Catalan, and Hispano-American traditions, to earlier (fifteenth- to seventeenth-century) evidence, and to any known analogs in other European traditions. The volume also includes a general bibliography, a thematic classification of the ballads, several indexes, and a glossary of exotic lexical elements. In an introduction, professors Armistead and Silverman present a

documented survey of Judeo-Spanish ballad scholarship with particular attention to fieldwork in the United States and elsewhere. Benardete himself attributed the decline of ballad singing among Sephardim to a growing preference for phonographic recordings over traditional family singers. The need for further fieldwork increases as "Sephardic folkspeech and folklore

retreat before the irresistible onslaught of the English language and modern American mass-media culture" (from the Introduction). This title is part of UC Press's Voices Revived program, which commemorates the University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893,

Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1981.

University Press of Kentucky  
 "Study of the role women played in the Mexican Revolution and the Spanish Civil War. Examines female figures such as the soldaderas of the Mexican Revolution and the

milicianas of the Spanish Civil War and the intersection of gender, revolution, and culture in both the Mexican and the Spanish contexts"-- Provided by publisher.

*Spanish Poetry of the Golden Age*  
 CUP Archive  
 This selection of papers is concerned with the history of linguistics in Spain, dealing with the evolution of linguistic ideas from the Middle Ages and the European

context of the linguistic debates in Spain to the 20th century, concluding with Malkiel's appraisal of Ramón Menéndez Pidal (1869-1968). The volume includes papers on Antonio Nebrija and Sanctius, probably the best-known grammarians of the Iberian peninsula, but - as the other papers suggest - there is much more to be known about the Spanish linguistic traditions. The

papers in this volume were previously published in *Historiographia Linguistica* XI:1/2 (1984).

**ROMANCERO ESPAÑOL**

Routledge  
This 1920 book contains the texts, with notes, of 142 Spanish ballads, arranged in four groups: miscellaneous, historical, Moslem historical and Moorish. The ballads are presented in the original Spanish with extensive textual notes given in English. It will be of value to

anyone with an interest in Spanish literature and the ballad form.

**estudio comparativo**

John Benjamins Publishing  
The series is a platform for contributions of all kinds to this rapidly developing field. General problems are studied from the perspective of individual languages, language families, language groups, or language samples. Conclusions are the result

of a deepened study of empirical data. Special emphasis is given to little-known languages, whose analysis may shed new light on long-standing problems in general linguistics.

**disertaciones lingüísticas sobre los primitivos documentos de nuestra literatura patria. Fuero juzgo, su lenguaje, gramática y vocabulario**

Routledge  
In an illustrious career

spanning over forty years, Américo Paredes has often set the standard for scholarship and writing in folklore and Chicano studies. In folklore, he has been in the vanguard of important theoretical and methodological movements. In Chicano studies, he stands as one of the premier exponents. Paredes's books are widely known and easily available, but his scholarly articles are not so familiar

or accessible. To bring them to a wider readership, Richard Bauman has selected eleven essays that eloquently represent the range and excellence of Paredes's work. The hardcover edition of *Folklore and Culture* was published in 1993. This paperback edition will make the book more accessible to the general public and more practical for classroom use. *The History of*

**Que Bien Suena: Mastering Spanish Phonetics and Phonology**  
Walter de Gruyter  
A representative selection of the best poetry of Spain's

Golden Age. El romance español y el corrido mexicano UNAM Multidisciplinary essays examining the historical and cultural history of the Sephardic experience in the Americas, from pre-expulsion Spain to the modern era, as recounted by some of the most outstanding interpreters of the field. **Studies in Culture and History** Рипол Классик The Literature of Al-Andalus is an exploration of the culture of Iberia, present-day Spain and Portugal, during the period when it was an Islamic, mostly Arabic-speaking territory, from the eighth to the thirteenth century, and in the centuries following the Christian conquest when Arabic continued to be widely used. The volume embraces many other related spheres of Arabic culture including philosophy, art, architecture and music. It also extends the subject to other literatures - especially Hebrew and Romance literatures - that burgeoned alongside Arabic and created the distinctive hybrid culture of medieval Iberia. Edited by an Arabist, an Hebraist and a Romance scholar, with individual chapters compiled by a team of the world's

leading experts of Islamic Iberia, Sicily and related cultures, this is a truly interdisciplinary and comparative work which offers a interesting approach to the field.	Sobre Los Primitivos Documentos De Nuestra Literatura Patria. Fuero Juzgo, Su Lenguaje, Gram?tica Y Vocabulario (Spanish Edition) <i>Romancero castellano</i> Liceus, Servicios de Gestió	mystified global conquest (in such places as Mexico, Peru, Guiana, California, and Australia) and rooted the idea of English empire as a civilized alternative to the cruelty of Spanish conquest.
