Go nuts for nuts with two silly squirrels in this giggle-inducing counting book from a Theodor Seuss Geisel Honor-winning author and illustrator! Kids will laugh while learning their numbers with this rhyming leveled reader. From the very beginning the smaller of the squirrels, certain that they need more nuts, tosses each one into the bigger animal's mouth. The hilarity increases as his mouth bulges, and the squirrels discover that sometimes there can be too much of a good thing! Jonathan Fenske's comic-like illustration style and clever easy-to-read text make this counting book a must-have for every young reader's bookshelf.

Fly Guy Presents: Insects (Scholastic Reader, Level 2)

Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort-she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a miser and would have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until she had discovered its maker, a question that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home.
