### DAYTON ELSA

**Circe** Harper Collins

Co-founder of the Women's March makes her YA debut in a near-future dystopian where a young girl and her brother must escape a xenophobic government to find sanctuary--now in paperback! It's 2032, and in this near-future America, all citizens are chipped and everyone is tracked. It's almost impossible to survive as an undocumented immigrant, but that's exactly what sixteen-year-old Vali is doing. She and her family have carved out a stable, happy life in small-town Vermont, but when Vali's mother's counterfeit chip starts malfunctioning and the Deportation Forces raid their town, they are forced to flee. Now on the run, Vali and her family are desperately trying to make it to her tía Luna's in California, a sanctuary state that is currently being walled off from the rest of the country. But when Vali's mother is detained before their journey even really begins, Vali must carry on with her younger brother across the country to make it to safety before it's too late. Gripping and urgent, co-authors Paola Mendoza and Abby Sher have crafted a narrative that is as

haunting as it is hopeful in envisioning a future where everyone can find sanctuary.

**In Perfect Light** Simon and Schuster

Aristotle and Dante Discover the Secrets of the Universe is the beloved cult classic about family, friendship and first love, from award-winning author Benjamin Alire Sáenz. This lyrical novel will enrapture readers of John Green, Love, Simon and Call Me by Your Name. Aristotle is an angry teen with a brother in prison. Dante is a know-it-all who has a unique perspective on life. When the two meet at the swimming pool, they seem to have nothing in common. But as the loners start spending time together, they develop a special friendship – the kind that changes lives and lasts a lifetime. And it is through this friendship that Ari and Dante will learn the most important truths about the universe, themselves and the kind of people they want to be. This incredibly moving and powerful Printz Honor Book follows two teen boys learning to open themselves up to love, despite the world being against them. 'A tender, honest exploration of identity' - Publishers Weekly

 A Good Morning America Book Club Pick! • A work-from-home comedy where WFH meets WTF. "An absurd, hilarious romp through the haunted house of late-stage capitalism."—Carmen Maria

Machado, author of *In the Dream House* Told entirely through clever and captivating Slack messages, this irresistible, relatable satire of both virtual work and contemporary life is *The Office* for a new world. Gerald, a mid-level employee of a New York-based public relations firm has been uploaded into the company's internal Slack channels—at least his consciousness has. His colleagues assume it's an elaborate gag to exploit the new work-from home policy, but now that Gerald's productivity is through the roof, his bosses are only too happy to let him work from . . . wherever he says he is. Faced with the looming abyss of a disembodied life online, Gerald enlists his co-worker Pradeep to help him escape, and to find out what happened to his body. But the longer Gerald stays in the void, the more alluring and absurd his reality becomes. Meanwhile, Gerald's colleagues have PR catastrophes of their own to handle in the real world. Their biggest client, a high-end dog food company, is in the midst of recalling a bad batch of food that's allegedly poisoning Pomeranians nationwide. And their CEO suspects someone is sabotaging his office furniture. And if Gerald gets to work from home all the time, why can't everyone? Is true love possible between two people, when one is just a line of text in an app? And what in the hell does the :dusty-stick: emoji mean? In a time when office paranoia and politics have followed us home,

Calvin Kasulke is here to capture the surprising, absurd, and fully-relatable factors attacking our collective sanity...and give us hope that we can still find a human connection.

**The Inexplicable Logic Of My Life** Cinco Puntos Press

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, Buzzfeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

**Aristotle and Dante Discover the Secrets of the Universe** Simon & Schuster Books for Young Readers

A New York Times, USA Today, and Indie bestseller! Critically acclaimed and bestselling authors Becky Albertalli and Adam Silvera combine their talents in this smart, funny, heartfelt collaboration about two very different boys who can't decide if the universe is pushing them together—or pulling them apart. ARTHUR is only in New York for the summer, but if Broadway has taught him anything, it's that the universe can deliver a showstopping romance when you least expect it. BEN thinks the universe needs to mind its business. If the universe had his back, he wouldn't be on his way to the post office carrying a box of his ex-boyfriend's things. But when Arthur and Ben meet-cute at the post office, what exactly does the universe have in store for them . . . ? Maybe nothing. After all, they get separated. Maybe everything. After all, they get reunited. But what if they can't nail a first date even after three do-overs? What if Arthur tries too hard to make it work and Ben doesn't try hard enough? What if life really isn't like a Broadway play? But what if it is? What if it's us? Plus don't miss Here's to Us! Becky Albertalli and Adam Silvera reunite to continue the story of Arthur and Ben, the boys readers first fell for in What If It's Us.

**Aristotle and Dante Discover the Secrets of the Universe** Simon and Schuster

With the international bestseller *The Seven-Per-Cent Solution*, Nicholas Meyer brought to light a previously unpublished case of Sherlock Holmes, as recorded by Dr. John H. Watson. Now Meyer returns with a shocking discovery—an unknown case drawn from a recently unearthed Watson journal. January 1905: Holmes and Watson are summoned by Holmes' brother Mycroft to undertake a clandestine investigation. An agent of the British Secret Service has been found floating in the Thames, carrying a manuscript smuggled into England at the cost of her life. The pages purport to be the minutes of a meeting of a secret group intent on nothing less than taking over the world. Based on real events, the adventure takes the famed duo—in the company of a bewitching woman—aboard the Orient Express from Paris into the heart of Tsarist Russia, where Holmes and Watson attempt to trace the origins of this explosive document. On their heels are desperate men of unknown allegiance, determined to prevent them from achieving their task. And what they uncover is a conspiracy so vast as to challenge Sherlock Holmes as never before.

**Sammy and Juliana in Hollywood** Roaring Brook Press

"I mean, it's not as if I want a father. I have a father. It's just that I don't know who he is or where he is. But I have one." Ramiro Lopez and Jake Upthegrove don't appear to have much in common. Ram lives in the Mexican-American working-class barrio of El Paso called "Dizzy Land." His brother is sinking into a world of drugs, wreaking havoc in their household. Jake is a rich West Side white

boy who has developed a problem managing his anger. An only child, he is a misfit in his mother's shallow and materialistic world. But Ram and Jake do have one thing in common: They are lost boys who have never met their fathers. This sad fact has left both of them undeniably scarred and obsessed with the men who abandoned them. As Jake and Ram overcome their suspicions of each other, they begin to move away from their loner existences and realize that they are capable of reaching out beyond their wounds and the neighborhoods that they grew up in. Their friendship becomes a healing in a world of hurt. San Antonio Express-News wrote, "Benjamin Alire Sáenz exquisitely captures the mood and voice of a community, a culture, and a generation"; that is proven again in this beautifully crafted novel.

A Best Book of 2017: The Guardian (SF and Fantasy), NPR Book Concierge, Publishers Weekly (SF/F), Library Journal (SF/F), Bustle (Fiction), Bookish (Best Book to Give), Barnes & Noble (SF and Fantasy/Alternate Universe Pick). 2018 Locus Award Finalist (First Novel) CLMP Firecracker Award Winner John W. Campbell Award for Best New Writer, Finalist Lambda Literary Award Finalist, LGBTQ SF/F/Horror A Stonewall Book Award Honor Book Included in the American Library Association's GLBTRT 2019 Over the Rainbow List Included in Hypable's list of book recommendations related to Captain Marvel "What Solomon achieves with this debut--the sharpness, the depth, the precision--puts me in mind of a syringe full of stars. I want to say about this book, its only imperfection is that it ended. But that might give the wrong impression: that it is a happy book, a book that makes a body feel good. It is not a happy book. I love it like I love food, I love it for what it did to me, I love it for having made me feel stronger and more sure in a nightmare world, but it is not a happy book. It is an antidote to poison. It is inoculation against pervasive, enduring disease. Like a vaccine, it is briefly painful, leaves a lingering soreness, but armors you from the inside out." --NPR "Ghosts are 'the past refusing to be forgot,' says a character in this assured science-fiction debut. That's certainly the case aboard the HSS Matilda, a massive spacecraft arranged along the cruel racial divides of pre-Civil War America." --Toronto Star "This novel from an exciting new voice follows Aster, who lives in the slums of a spaceship that is escorting the last survivors of humanity to a Promised Land--a journey that has taken decades so far. The vessel is segregated and cruel, and as she tries to escape, she starts discovering dark connections between her own mother's death and the fate of the ship's sovereign. Solomon has already been called a successor to Octavia Butler, rightly so." --Elle UK "In Rivers Solomon's highly imaginative sci-fi novel An Unkindness of Ghosts, eccentric Aster was born into slavery on--and is trying to escape from--a brutally segregated spaceship that for generations has been trying to escort the last humans from a dying planet to a Promised Land. When she discovers clues about the circumstances of her mother's death, she also comes closer to disturbing truths about the ship and its journey." --Buzzfeed "Rivers Solomon's debut science fiction novel is cunning, dark, and unapologetic; atmospheric and visceral; the kind of story that pulls you in and doesn't let go. Aboard the HSS Matilda, a spaceship in the future, Solomon and her characters deftly tackle race, identity, sexuality, gender, poverty, and discrimination, all with thoughtful insight and thrilling intensity. This is a difficult work that pays off; the rare kind of book that stays with you for years. You should read it now--I plan to read it again." --Shondaland Aster has little to offer folks in the way of rebuttal when they call her ogre and freak. She's used to the names; she only wishes there was more truth to them. If she were truly a monster, she'd be powerful enough to tear down the walls around her until nothing remains of her world. Aster lives in the lowdeck slums of the HSS Matilda, a space vessel organized much like the antebellum South. For generations, Matilda has ferried the last of humanity to a mythical Promised Land. On its way, the ship's leaders have imposed harsh moral restrictions and deep indignities on dark-skinned sharecroppers like Aster. Embroiled in a grudge with a brutal overseer, Aster learns there may be a way to improve her lot--if she's willing to sow the seeds of civil war.

Presents a collection of poems focusing on the border between the United States and Mexico.

*The Zero Knot* Simon and Schuster

It's friends-to-enemies-to-friends-to-lovers in this LGBTQIA+ Romance for fans of Red, White &

Royal Blue and The Pros of Cons. Jasper Quigley is tired of being everyone's favorite sidekick. He wants to become the hero of his own life, but that's not going to happen if he agrees to help out his former best friend turned king of the jocks, Milo Lionetti. High school was miserable enough, thanks, and Jasper has no interest in dredging up painful memories of his old secret crush. But Milo's got nowhere else to go. His life is spiraling out of control and he's looking to turn things back around. Step one? Replace the rare Odyssey cards he lost in an idiotic bet. Step two? Tell his ex-best-friend exactly how he feels—how he's always felt. Jasper may be reluctant to reopen old wounds, but he never could resist Milo. There's a catch, though: if Milo wants his help, he's going to have to pitch in to make the upcoming children's hospital charity ball the best ever. But as the two don cosplay for the kids and hunt for rare cards, nostalgia for their lost friendship may turn into something even more lasting...

**The Song of Achilles** Anchor

A “mesmerizing, poetic exploration of family, friendship, love and loss” from the acclaimed author of Aristotle and Dante Discover the Secrets of the Universe. (New York Times Book Review) Sal used to know his place with his adoptive gay father, their loving Mexican American family, and his best friend, Samantha. But it's senior year, and suddenly Sal is throwing punches, questioning everything, and realizing he no longer knows himself. If Sal's not who he thought he was, who is he? This humor-infused, warmly humane look at universal questions of belonging is a triumph.

**I Wish You All the Best** First Second

As a Chicano boy living in the unglamorous town of Hollywood, New Mexico, and a member of the graduating class of 1969, Sammy Santos faces the challenges of "gringo" racism, unpopular dress codes, the Vietnam War, barrio violence, and poverty.

*What I Saw and How I Lied* Simon and Schuster

Outspoken Addie Carle learns about love, loss, and staying true to herself as she navigates seventh grade, enjoys a visit from her grandmother, fights with her boyfriend, and endures gossip and meanness from her former best friend.

*Any Way the Wind Blows* Random House

Greece in the age of Heroes. Patroclus, an awkward young prince, has been exiled to the kingdom of Phthia. Here he is nobody, just another unwanted boy living in the shadow of King Peleus and his golden son, Achilles. Achilles, 'best of all the Greeks', is everything Patroclus is not - strong, beautiful, the child of a goddess - and by all rights their paths should never cross. Yet one day, Achilles takes the shamed prince under his wing and soon their tentative companionship gives way to a steadfast friendship. As they grow into young men skilled in the arts of war and medicine, their bond blossoms into something far deeper - despite the displeasure of Achilles's mother Thetis, a cruel and deathly pale sea goddess with a hatred of mortals. Fate is never far from the heels of Achilles. When word comes that Helen of Sparta has been kidnapped, the men of Greece are called upon to lay siege to Troy in her name. Seduced by the promise of a glorious destiny, Achilles joins their cause, Torn between love and fear for his friend, Patroclus follows Achilles into war, little knowing that the years that follow will test everything they have learned, everything they hold dear. And that, before he is ready, he will be forced to surrender his friend to the hands of Fate. Profoundly moving and breathtakingly original, this rendering of the epic Trojan War is a dazzling feat of the imagination, a devastating love story, and an almighty battle between gods and kings, peace and glory, immortal fame and the human heart.

**Himawari House** Scholastic Inc.

“FABULOUS.” —B.A. Paris, New York Times bestselling author of Behind Closed Doors and The Breakdown THE PERFECT MARRIAGE IS THE PERFECT ILLUSION. Paul Strom has the perfect life: a glittering career as an advertising executive, a beautiful wife, two healthy boys and a big house in a wealthy suburb. And he's the perfect husband: breadwinner, protector, provider. That's why he's planned a romantic weekend for his wife, Mia, at their lake house, just the two of them. And he's promised today will be the best day ever. But as Paul and Mia drive out of the city and toward the countryside, a spike of tension begins to wedge itself between them and doubts start to arise. How much do they trust each other? And how perfect is their marriage, or any marriage, really? Forcing us to ask ourselves just how well we know those who are closest to us, Best Day Ever crackles with dark energy, spinning ever tighter toward its shocking conclusion. In the vein of The Couple Next Door, Kaira Rouda weaves a gripping, tautly suspenseful tale of deception and betrayal dark enough to destroy a marriage...or a life. Praise for Best Day Ever “Highly entertaining and truly surprising!” —Kate Moretti, New York Times bestselling author of The Vanishing Year “Best Day Ever is a creepy, spine-tingling and utterly addictive tale of domestic suspense.” —Liz Fenton and

Lisa Steinke, bestselling authors of *The Good Widow*

**Aristotle and Dante Discover the Secrets of the Universe** Harlequin

A dozen women join a secret 1850s Arctic expedition—and a sensational murder trial unfolds when some of them don't come back. Eccentric Lady Jane Franklin makes an outlandish offer to adventurer Virginia Reeve: take a dozen women, trek into the Arctic, and find her husband's lost expedition. Four parties have failed to find him, and Lady Franklin wants a radical new approach: put the women in charge. A year later, Virginia stands trial for murder. Survivors of the expedition willing to publicly support her sit in the front row. There are only five. What happened out there on the ice? Set against the unforgiving backdrop of one of the world's most inhospitable locations, USA Today bestselling author Greer Macallister uses the true story of Lady Jane Franklin's tireless attempts to find her husband's lost expedition as a jumping-off point to spin a tale of bravery, intrigue, perseverance and hope.

*The Kidnapped Creature* Penguin

New York Times bestselling author Rainbow Rowell's epic fantasy, the Simon Snow trilogy, concludes with *Any Way the Wind Blows*. In *Carry On*, Simon Snow and his friends realized that

everything they thought they understood about the world might be wrong. And in *Wayward Son*, they wondered whether everything they understood about themselves might be wrong. In *Any Way the Wind Blows*, Simon and Baz and Penelope and Agatha have to decide how to move forward. For Simon, that means deciding whether he still wants to be part of the World of Mages — and if he doesn't, what does that mean for his relationship with Baz? Meanwhile Baz is bouncing between two family crises and not finding any time to talk to anyone about his newfound vampire knowledge. Penelope would love to help, but she's smuggled an American Normal into London, and now she isn't sure what to do with him. And Agatha? Well, Agatha Wellbelove has had enough. *Any Way the Wind Blows* takes the gang back to England, back to Watford, and back to their families for their longest and most emotionally wrenching adventure yet. This book is a finale. It tells secrets and answers questions and lays ghosts to rest. *Carry On* was conceived as a book about Chosen One stories; *Any Way the Wind Blows* is an ending about endings. About catharsis and closure, and how we choose to move on from the traumas and triumphs that try to define us. *Addie on the Inside* Penguin

The highly anticipated sequel to the beloved cult classic about family, friendship and first love,

from award-winning author Benjamin Alire Sáenz. This lyrical novel will enrapture readers of Adam Silvera (*They Both Die at the End*), *The Perks of Being a Wallflower* and *Call me by your Name*. A love story like no other. In *Aristotle and Dante Discover the Secrets of the Universe*, two boys fell in love. Now they must discover what it means to stay in love and build a relationship in a world that seems to challenge their very existence. Ari has spent all of high school hiding who he really is, staying silent and invisible. He expected his senior year to be the same. But something in him cracked open when he fell in love with Dante, and he can't go back. Suddenly he finds himself reaching out to new friends, standing up to bullies and making his voice heard. And, always, there is Dante - dreamy, witty Dante - who can get on Ari's nerves and fill him with desire all at once. The boys are determined to forge a path for themselves in a world that doesn't understand them. But when Ari is faced with a shocking loss, he'll have to fight like never before to create a life that is truthfully, joyfully his own. 'Aristotle and Dante Discover the Secrets of the Universe is a gorgeous and poetic love story in its own league, and a forever favourite of mine.' Adam Silvera, bestselling author of *They Both Die at the End*, on *Aristotle and Dante Discover the Secrets of the Universe*
