Oh, the Places You'll Go! Dr. Seuss, 2013-09-24 Dr. Seuss's wonderfully wise *Oh the Places You'll Go* celebrates all of our special milestones from graduations to birthdays and beyond. A book that has proved to be popular for graduates of all ages since it was first published *The New York Times*. From soaring to high heights and seeing great sights to being left in a lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within no matter what challenges they face. A perennial favorite for anyone starting a new phase in their life.

Certain Trumpets Garry Wills, 2013-05-28 This beautifully written and reasoned booklist narrative by Pulitzer Prize-winning author Garry Wills examines what constitutes meaningful leadership and why it is so essential to society. What makes a leader? How do we identify effective leadership and how should and shouldn't that power be used? In *Certain Trumpets*, Garry Wills presents portraits of eminent leaders including FDR to Ross Perot, King, David, Martha Graham, and many others, offering an illuminating lens for studying society and ourselves. Dividing these portraits into sixteen leadership categories ranging from military to charismatic, intellectual, rhetorical, and elected, Wills highlights what makes each of his subjects unique, crafting along the way a distinct and incisive definition of leadership as a reciprocal engagement between two contrasting wills that serves to mobilize us toward a common good and explaining why leadership is so often a contentious and emotionally charged subject. A stunningly literate and thoughtful examination of what makes a leader and a welcome antidote to some of the more egregious management style drivel. Kirkus Reviews. *Certain Trumpets* is an inspiring and edifying tour through the history of an indispensable social art.

You Are Not Special David McCullough Jr., 2014-09-11 An inspirational reflection on the way we bring up children that will resonate with all parents. David McCullough Jr.'s high school graduation address, dubbed *You Are Not Special* when it went viral on YouTube, was a tonic for parents, students, and educators alike. Now he expands on that speech with wit and a perspective earned from raising four children and teaching high school students for nearly 30 years. In this humorous and insightful book, McCullough takes a hard look at helicopter parents, questionable educational goals, professional university coaching, electronic distractions, and more, and advocates for a life of passionate engagement.

The Shooting Star Shivya Nath, 2018-09-14 Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions, and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat, and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving

encounters and uplifting adventures The Shooting Star is a travel memoir that maps not just the world but the human spirit
