Barry Loser's Ultimate Book of Keelness! Penguin

"Dave Barry is one funny human." --San Francisco Examiner For thousands of years, women have asked themselves: What is the deal with guys, anyway? What are they thinking? The answer, of course, is: virtually nothing. Deep down inside, guys are extremely shallow. But that has

not stopped Dave Barry from writing an entire book about them. If you're a guy--or if you're attempting to share a remote control with one--you need this book, because it deals frankly and semi-thoroughly with such important guy issues as: Scratching The role of guys in world history, including the heretofore-unknown relationship between the discovery of North America and golf Why the average guy can remember who won the 1960 World Series, but not necessarily the names of all his children The Noogie Gene Why guys cannot simultaneously think and look at breasts Secret guy orgasm-delaying techniques, including the Margaret Thatcher Method Why guys prefer to believe that there is no such thing as a prostate And much, much more "Whether you're a guy--or attempting to share a bathroom with one--Barry has

some wacky words of wisdom for you." --USA Today

Hero-Type Island Books

NEW YORK TIMES BESTSELLER • A deeply affecting coming-of-age memoir about family, love, loss, basketball—and life itself—by the beloved author of *The Prince of Tides* and *The Great Santini*. During one unforgettable season as a Citadel cadet, Pat Conroy becomes part of a basketball team that is ultimately destined to fail. And yet for a military kid who grew up on the move, the Bulldogs provide a sanctuary from the cold, abrasive father who dominates his life—and a crucible for becoming his own man. With all the drama and incandescence of his bestselling fiction, Conroy re-creates his pivotal senior year as captain of the Citadel Bulldogs. He chronicles the highs and lows of that fateful 1966–67 season, his tough disciplinarian coach, the joys of winning, and the hard-won lessons of losing. Most of all, he recounts how a group of boys came together as a team, playing a sport that would become a metaphor for a man whose spirit could never be defeated. Praise for *My Losing Season* “A superb accomplishment, maybe the finest book Pat Conroy has written.”—*The Washington Post Book World* “A wonderfully rich memoir that you don't have to be a sports fan to love.”—*Houston Chronicle* “A memoir with all the Conroy trademarks. . . Here's ample proof that losers always tell the best stories.”—*Newsweek* “In My

Losing Season, Conroy opens his arms wide to embrace his difficult past and almost everyone in it.”—*New York Daily News* “Haunting, bittersweet and as compelling as his bestselling fiction.”—*Boston Herald*

Wilderness Survival Tip #1 Drinking your own sweat will not save your life.

Somebody might have told you that, but they were trying to find out if you'd really do it. Henry Lambert would rather play video games than spend time in the great outdoors—but that doesn't make him a wuss. Skinny nerd? Fine. But wuss is a little harsh. Sadly, his dad doesn't agree. Which is why Henry is being shipped off to Strongwoods Survival Camp. Strongwoods isn't exactly as advertised. It looks like the victim of a zombie apocalypse, the "camp director" is a psycho drill sergeant, and Henry's sure he saw a sign written in

blood... Wilderness Survival Tip #2 In case of an avalanche, don't despair. You're doomed, but that's a wicked cool death. Wilderness Survival Tip #3 If you're relying on this book for actual survival tips, you're dead already. Praise for Jeff Strand's *A Bad Day For Voodoo*: "A delightfully ludicrous read."—*School Library Journal* "Just the thing for teen wiseacres."—*Booklist* "[A] free-wheeling dark comedy that starts off running and doesn't stop until all plausibility is exhausted. Sam Raimi fans should eat it up."—*Publishers Weekly* *The Pudding Problem* HarperCollins UK Linwood Barclay is back with more unexpected twists and superb characters in a spine-tingling, mesmerizing thriller about a husband whose wife disappears, along with everything he thought he knew about their life together. David Harwood, a reporter in Promise Falls, New York, is stressed out. The newspaper he works for is outsourcing jobs to India, he can't get a solid lead on the corrupt for-profit prison moving to town, and his wife, Jan, is struggling with a bout of depression. As a much-needed break, David and Jan decide to take their four-year-old son, Ethan, to a local amusement park for a day of ice cream, rollercoasters, and carefree fun. But revelry is quickly replaced by panic when, within an hour of arriving at the park, Ethan goes missing. Though he is soon found, panic escalates to full-blown terror when Jan suddenly disappears. Confused and worried, David finds himself desperately searching for any clue that could lead him to his wife - even if it means unraveling a tangle of lies and deception that become more complicated at every turn.
