Reunited Ember

Charlotte It is human nature to erect a protective wall around yourself when life teaches you a hard lesson. Trust doesn't come easily when your perfect, happy life gets yanked out from under you. When the scars left by someone else's lies are permanent. Then fate decides to test your resolve and push your limits, to prove you wrong at every turn. But...everything about this is wrong for me...he is wrong for me. Ian How is it that I have spent my life thinking it was perfect, that I was truly happy, when nothing could be further from the truth? I want for nothing...or so I thought. Then one day, while driving down the highway, fate introduces me to what I've been missing. I wish I knew then what I know now, because I would have handled everything differently. But I didn't and I may never forgive myself for making her not trust me. Charlotte and Ian's story is a contemporary romance steeped in the undeniable connection of soul mates. When two souls have loved that deeply before, they will find each other again...and again and again. This is a standalone novel in the Souls Reunited Series that features an endearing cast of characters that make you appreciate the bond that can be shared with family and close friends.
