 Codename: Chaos. Former THIRDS agent turned TIN operative
 Dexter J. Daley is a legend. Just ask him, he'll tell you. Chaos isn't
 so much a codename as it is Dex's state of being. As a spy for the
 Therian Intelligence Network, Dex has spent the last four years
 bringing down the bad guys. Hell, his middle name is literally
 Justice. But a new mission brings him face-to-face with a different
 kind of monster, one with a weapon that can alter the course of
 history. Failure is not an option, but as the mission goes from
 dangerous to deadly, Dex finds himself up against a far more
 terrifying force, and this time, there's no escape. Codename:
 Atlas As former team leader for Destructive Delta and now a TIN
 operative, Sloane Daley knows what it feels like to carry the
 weight of the world on his shoulders. But no matter the
 challenge, Sloane knows that together, he and his husband, Dex,
 can overcome anything. When their latest mission takes a

personal turn, Sloane is forced to confront the very thing that
 created him. Looking back to a past he thought he'd left behind is
 the least of Sloane's problems, because the greatest threat he's
 about to encounter... is his own husband.

Gone But Not Forgotten Farrar, Straus and Giroux

The Whitbread Award-winning author of the *Old Filth* trilogy captures a moment in time for three young women on the cusp of adulthood. Yorkshire, 1946. The end of the war has changed the world again, and, emboldened by this new dawning, Hetty Fallows, Una Vane, and Lieselotte Klein seize the opportunities with enthusiasm. Hetty, desperate to escape the grasp of her critical mother, books a solo holiday to the Lake District under the pretext of completing her Oxford summer coursework. Una, the daughter of a disconcertingly cheery hairdresser, entertains a romantically inclined young man from the wrong side of the tracks and the left-side of politics. Meanwhile, Lieselotte, the mysterious Jewish refugee from Germany, leaves the Quaker family who had rescued her, to test herself in London. Although strikingly different from one another, these young women share the common goal of adventure and release from their middle-class surroundings through romance and education. "Gardam's lean, fast-paced prose is at turns hugely funny and deeply moving. . . . [Her] characters are acutely and compassionately observed." —Atlantic Monthly "Quirky, enchanting . . . with lively, laugh-out loud elan." —The Baltimore Sun "Splendid . . . Gardam's style is perfect." —The New York Times Book Review "With winning charm and wit . . . Gardam frames her story in dozens of crisp, brief scenes featuring deliciously dizzy conversation." —Kirkus Reviews (starred review) "Ebullient, humorous, and wise, this is a novel to savor." —Booklist "The portrait of postwar England as conventions crumble and the country is rebuilt is terrific." —Publishers Weekly

Heart, sometimes subtitled *A Personal History*, is a 1946 semi-autobiographical novel written by Filipino American immigrant poet, fiction writer, short story teller, and activist, Carlos Bulosan. The novel was one of the earliest published books that presented the experiences of the immigrant and working class based on an Asian American point of view and has been regarded as "the premier text of the Filipino-American experience." Garnering international prizes and acclaim before its publication, *Ilustrado* has been called "brilliantly conceived and stylishly executed . . . It is also ceaselessly entertaining, frequently raunchy, and effervescent with humor" (2008 Man Asian Literary Prize panel of judges). It begins with a body. On a clear day in winter, the battered corpse of Crispin Salvador is pulled from the Hudson River—taken from the world is the controversial lion of Philippine literature. Gone, too, is the only manuscript of his final book, a work meant to rescue him from obscurity by exposing the crimes of the Filipino ruling families. Miguel, his student and only remaining friend, sets out for Manila to investigate. To understand the death, Miguel scours the life, piecing together Salvador's story through his poetry, interviews, novels, polemics, and memoirs. The result is a rich and dramatic family saga of four generations, tracing 150 years of Philippine history forged under the Spanish, the Americans, and the Filipinos themselves. Finally, we are surprised to learn that this story belongs to young Miguel as much as to his lost mentor, and we are treated to an unhindered view of a society caught between reckless decay and hopeful progress. Exuberant and wise, wildly funny and deeply moving, *Ilustrado* explores the hidden truths that haunt every family. It is a daring and inventive debut by a new writer of astonishing talent.

The book is a descriptive survey of popular and academic writings on and by Filipino male homosexuals, as well as a genealogy of discourses of male homosexuality and the bakla and/or gay identities that emerged in urban Philippines from the 1960s to the present. This conceptual history engages recent events in the Philippines' sexually self-aware present, but also explores colonial history in showing how modernity implanted a new sexual order of "homo/hetero" and further marginalized the effeminate local identity of bakla.

With *Dusk* (originally published in the Philippines as *Po-on*), F. Sionil Jose begins his five-novel Rosales Saga, which the poet and critic Ricaredo Demetillo called "the first great Filipino novels written in English." Set in the 1880s, *Dusk* records the exile of a tenant family from its village and the new life it attempts to make in the small town of Rosales. Here commences the epic tale of a family unwillingly thrown into the turmoil of history. But this is more than a historical novel; it is also the eternal story of man's tortured search for true faith and the larger meaning of existence. Jose has achieved a fiction of extraordinary scope and passion, a book as meaningful to Philippine literature as *One Hundred Years of Solitude* is to Latin American literature. "The foremost Filipino novelist in English, his novels deserve a much wider readership than the Philippines can offer."--Ian Buruma, *New York Review of Books* "Tolstoy himself, not to mention Italo Svevo, would envy the author of this story."--*Chicago Tribune*
