You can pay a terrible price for keeping a promise... Evelyn Taylor-Clarke sits in her chair at Forest Lawns Care Home in the heart of the English countryside, surrounded by residents with minds not as sharp as hers. It would be easy to dismiss Evelyn as a muddled old woman, but her lipstick is applied perfectly, and her buttons done up correctly. Because Evelyn is a woman with secrets and Evelyn remembers everything. She can never forget the promise she made to the love of her life, to discover the truth

about the mission that led to his death, no matter what it cost her... When Evelyn's niece Pat opens an old biscuit tin to find a photo of a small girl with a red ball entitled 'Liese, 1951' and a passport in another name, she has some questions for her aunt. And Evelyn is transported back to a place in Germany known as 'The Forbidden Village,' where a woman who called herself Eva went where no one else dared, amongst shivering prisoners, to find the man who gambled with her husband's life... A gripping, haunting and compelling read about love, courage and betrayal set in the war-battered landscape of Germany. Fans of *The Letter*, *The Alice Network* and *The Nightingale* will be hooked. Readers are hooked on *My Name is Eva*: 'Could not put this book down, and heaven help anyone that tried to disturb my reading !!...I absolutely loved this book !...I laughed, I cried, I cheered , I sympathized all because of Evelyn...I could so picture the setting and as Evelyn sets out to fool everyone, I thought you go girl !!...I don't want to say anything else but what a fantastic read... I can't

recommend this book enough !!' Goodreads Reviewer, 5 stars 'What a magnificent read! Eva is amazing. One of the best characters in a book EVER! What a fantastic, beautiful, heart-wrenching tale, incredibly told. I absolutely loved every single page. I sat for the last 20% of the book in tears, sad but happy tears. An absolutely beautiful book.' Kim the Bookworm, 5 stars 'A poignant and evocative story of love, betrayal and bravery that kept me page turning and completely engrossed from start to finish. Loved it and would definitely recommend.' NetGalley Reviewer, 5 stars 'A phenomenal story of courage, love, murder and all the atrocities that go with war. Eva is an extraordinary character, strong, loyal, smart, funny, loving, and brave. A phenomenal read!!' Goodreads Reviewer, 5 stars 'This may be my new favorite book!!!! I absolutely love the premise of the heroine faking dementia in her retirement home to cover up her knowledge of (and possible involvement in) questionable activities centering around WWII events. The tempo of this novel was perfect--kept

me wondering until the very last page!' Goodreads Reviewer, 5 stars 'Absolutely loved this book and its riveting plot!... The author has successfully penned a debut novel that I would highly recommend without any hesitation. An excellent debut novel from Suzanne Goldring and I look forward to reading more of her work. Historical fiction is my favourite genre to read and this book was every bit as good as some of the well-known WW2-themed titles published in recent years.' Goodreads Reviewer, 5 stars 'This book was excellent! Totally kept my attention and I wanted to find out what would become of the main characters. Highly recommended.' Goodreads Reviewer, 5 stars 'Everything about this book is amazing. I love the main character Eva, the way the author integrates the past with the present, and the emotional plot that kept me hooked from the beginning to the end. I've read over 30 historical fiction novels in the past year and this one is definitely in my top 10.' Netgalley Reviewer, 5 stars 'My Name is Eva is laugh out loud funny, sad in parts and had me glued

to the pages... Wham!... I did not see "that" coming. Oh, the secrets Evelyn has!!!' Goodreads Reviewer, 5 stars 'This book is haunting and moving and told in a way that had me engaged in the story from the start. Recommended!' The Princess and the Pen, 5 stars 'This book had me hooked from the start....and because my grandparents are currently in assisted-living facilities, Evelyn's time in her assisted-living resonated with my heart. I loved her sassy, snarky personality and being privileged to see the inner workings of her mind. And I loved the love letters between she and her husband during WWII. I am excited to read all of Goldring's works! This is the first book of hers I've read, and it won't be the last!' The Book Distiller, 5 stars 'This novel had me hooked from the very first page! I always enjoy delving into historical fiction novels and My Name is Eva is the perfect example of why! This riveting book time hops between the 1940's, 1980's and present day (2016) to tell the tale of Evelyn Taylor-Clarke's life. Suzanne Goldring does a fantastic job with the pacing of this novel, I

sometimes find historical fictions can get a little dry, but there wasn't any parts that I felt lagged—love that! The storyline was incredibly moving and depth filled! Evelyn is a character that will definitely stay with me!' Steph and Chris's Book Review, 5 stars *An absolutely gripping and emotional historical novel* Penguin

 Beatrix Potter is one of the world's bestselling, most cherished authors, whose books have enchanted generations of children for over a hundred years. Yet how she achieved this legendary status is just one of several stories of Beatrix Potter's remarkable and unexpected life. Inspired by the twenty-three 'tales', Matthew Dennison takes a selection of quotations from Potter's stories and uses them to explore her multi-faceted life and character: repressed Victorian daughter; thwarted lover; artistic genius; formidable countrywoman. They

chart her transformation from a young girl with a love of animals and fairy tales into a bestselling author and canny businesswoman, so deeply unusual for the Victorian era in which she grew up. Embellished with photographs of Potter's life and her own illustrations, this short biography will delight anyone who has been touched by Beatrix Potter's work.
