VALENCIA TYRESE

Slavery and the Making of American Capitalism Penguin

This volume examines contemporary reformulations of the 'Final Girl' in film, TV, literature and comic, expanding the discussion of the trope beyond the slasher subgenre. Focusing specifically on popular texts that emerged in the 21st century, the volume asks: What is

the sociocultural context that facilitated the remarkable proliferation of the Final Girls? What kinds of stories are told in these narratives and can they help us make sense of feminism? What are the roles of literature and media in the reconsiderations of Carol J. Clover's term of thirty years ago and how does this term continue to inform our understanding of popular culture? The contributors to this collection take up these concerns from diverse perspectives and with different answers,

notably spanning theories of genre, posthumanism, gender, sexuality and race, as well as audience reception and spectatorship.

The Complete Story - All Eight Parts.

Basic Books

The first installment in the new dark fantasy science fiction series set on a planet called Vulvar, where females rule and all males are enslaved to serve them. What if alien DNA was encoded in your genes and no one told you?

Archaeology professor Tobias Hart once would have laughed at such a notion. Hart, orphaned as a small child when someone murdered his father and his mother disappeared without a trace, was reared by an aunt and uncle in upstate New York. Fortunately, after such a tragic beginning, Hart's life is much

improved these days. He's recently completed a PhD at Princeton and received his first post in the academic world, a tenure-track appointment to teach at Stanford University. Hart is positive he is on his way to realizing his life's dream, a tenured archaeology professorship at a prestigious university. Until he stops in southwest New Mexico to visit a Native American archaeology site on his way to the West Coast. There Hart's life takes a most unexpected and dramatic turn. Camping overnight near some ancient cliff dwellings, Hart glimpses an alien spacecraft moments before the aliens abduct him. Soon he finds himself a captive on a strange, dystopian and barbaric planet where females rule and all males are slaves. As he struggles to figure out who abducted

him and why, Hart becomes party to a shocking reunion with someone he hasn't seen in over thirty years, his mother. She reveals that Vulvar is her home planet, and that Hart is half Vulvarian. Next she tells him the most disturbing thing of all. Over her objections, the powers that be have brought Hart to the alien world for use as breeding stock. Like all males on the planet Vulvar, Hart quickly finds himself enslaved, the property of a beautiful but ruthless Mistress. Just as Hart despairs and contemplates ending his own life over being used as a breeding animal and the other realities of the harsh life his captors have imposed on him, they offer him an opportunity to win his freedom. The group of physical, absentee Vulvarian divine entities need

someone to find and recover a valuable ancient artifact. Because of his education and experience as an archaeologist, they deem Hart the only being on Vulvar qualified for the undertaking. The problem is they believe the artifact is hidden in the most remote and dangerous region on the planet. If Hart accepts the mission, he may not live to complete it. But, if he finds and recovers the artifact, the deities promise to return him home to Earth as a reward. Hart desperately wants to return home. He wants his life back. But with such an infinitesimal chance of success, is the opportunity at freedom they offer worth dying for?

The White Devil's Daughters Simon and Schuster

The visionary author's masterpiece pulls

us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

dark erotica University of Georgia Press

Evan has been into female domination for more than ten years. A mistress belonging to a secretive organisation has now made him accept the challenge of becoming a BDSM sex slave on a secluded island, ruled by dominant women. This is the ultimate collection of all the stories published. 1) The Cage2) Training3) The House of Sarah4) The Castle, and 5) Mistress Amanda6) Tara and the Next Generation7) Camp Vixen8) The Rise of EmmaAll the above stories have also been published separately on Amazon.

(Servitude and Spankings) Constable
When she was nine, Megan Meade met a group of terrible, mean, Popsicle-goo-covered boys, the sons of her father's friend -- the McGowan boys. Now, seven years later, Megan's army doctor parents

are shipping off to Korea and Megan is being sent to live with the little monsters, who are older now and quite different than she remembered them. Living in a house with seven boys will give Megan, who has never even been kissed, the perfect opportunity to learn everything there is to know about boys. And she'll send all her notes to her best friend, Tracy, in... Megan Meade's Guide to the McGowan Boys Observation #1: Being an army brat sucks. Except that this is definitely a better alternative to moving to Korea. Observation #2: Forget evil, laughing, little monsters. These guys have been touched by the Abercrombie gods. They are a blur of toned, suntanned perfection. Observation #3: I need a lock on my door. STAT. Observation #4: Three

words: six-pack abs. Observation #5: Do not even get me started on the state of the bathroom. I'm thinking of calling in a hazmat team. Seriously. Observation #6: These boys know how to make enemies. Big time. Megan Meade will have to juggle a new school, a new family, a new crush -- on the boy next door, as in next bedroom door -- and a new life. Will she survive the McGowan boys?

Kindred Springer Nature

A Time Best YA Book of All Time (2021) In this “searing work of historical fiction” (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. Engaged to the

handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a "birthday present". Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their

strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her.

He doesn't expect his auction prize and vanilla virgin, Paul, to earn his respect and melt his frozen heart. Publisher Note: A BDSM Gay Romance novella of 27,620 words.

The Half Has Never Been Told Random House Trade Paperbacks Now a Showtime limited series starring Ethan Hawke and Daveed Diggs Winner of the National Book Award for Fiction From the bestselling author of Deacon King Kong (an Oprah Book Club pick) and *The Color of Water* comes the story of a young boy born a slave who joins John Brown's antislavery crusade—and who must pass as a girl to survive. Henry Shackleford is a young slave living in the Kansas Territory in 1856--a battleground between anti- and pro-slavery forces-- when legendary abolitionist John Brown arrives. When an argument between Brown and Henry's master turns violent, Henry is forced to leave town--along with Brown, who believes Henry to be a girl and his good luck charm. Over the

ensuing months, Henry, whom Brown nicknames Little Onion, conceals his true identity to stay alive. Eventually Brown sweeps him into the historic raid on Harpers Ferry in 1859--one of the great catalysts for the Civil War. An absorbing mixture of history and imagination, and told with McBride's meticulous eye for detail and character, *The Good Lord Bird* is both a rousing adventure and a moving exploration of identity and survival.

Slave of the Aristocracy Erotic
Adventures Prequel

Winner of the 2015 Avery O. Craven Prize from the Organization of American Historians Winner of the 2015 Sidney Hillman Prize A groundbreaking history demonstrating that America's economic supremacy was built on the backs of

slaves Americans tend to cast slavery as a pre-modern institution -- the nation's original sin, perhaps, but isolated in time and divorced from America's later success. But to do so robs the millions who suffered in bondage of their full legacy. As historian Edward E. Baptist reveals in *The Half Has Never Been Told*, the expansion of slavery in the first eight decades after American independence drove the evolution and modernization of the United States. In the span of a single lifetime, the South grew from a narrow coastal strip of worn-out tobacco plantations to a continental cotton empire, and the United States grew into a modern, industrial, and capitalist economy. Told through intimate slave narratives, plantation records, newspapers, and the words of

politicians, entrepreneurs, and escaped slaves, *The Half Has Never Been Told* offers a radical new interpretation of American history.

The Complete Series Stormy Night Publications

The Three Musketeers meets Jules Verne in Curtis Craddock's *The Last Uncharted Sky*, the concluding novel in the critically-acclaimed high fantasy *Risen Kingdoms* series, an engrossing tale of courtly intrigue and breathtaking magic. Isabelle and Jean-Claude undertake an airship expedition to recover a fabled treasure and claim a hitherto undiscovered craton for l'Empire Celeste. But Isabelle, as a result from a previous attack that tried to subsume her body and soul, suffers from increasingly disturbing and disruptive hallucinations.

Disasters are compounded when the ship is sabotaged by an enemy agent, and Jean-Claude is separated from the expedition. In a race against time, Isabelle must figure out how to ward off her ailment before it destroys her and reunite with Jean-Claude to seek the fabled treasure as ancient secrets and a royal conspiracy threaten to undo the entire realm. "A gripping tale of a woman who refuses to be defined by her physical and magical limitations, thwarting both assassins and all who see her as a pawn. A great read!"—#1 New York Times bestselling author Brandon Sanderson, on *An Alchemy of Masques and Mirrors* The *Risen Kingdoms* series #1 *An Alchemy of Masques and Mirrors* #2 *A Labyrinth of Scions and Sorcery* #3 *The Last Uncharted Sky* At the

Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Abolitionist Art and the American Slave Trade Little, Brown

In 1859, at the largest recorded slave auction in American history, over 400 men, women, and children were sold by the Butler Plantation estates. This book is one of the first to analyze the operation of this auction and trace the lives of slaves before, during, and after their sale. Immersing herself in the personal papers of the Butlers, accounts from journalists that witnessed the auction, genealogical records, and oral histories, Anne C. Bailey weaves together a narrative that brings the auction to life. Demonstrating the resilience of African American families,

she includes interviews from the living descendants of slaves sold on the auction block, showing how the memories of slavery have shaped people's lives today. Using the auction as the focal point, *The Weeping Time* is a compelling and nuanced narrative of one of the most pivotal eras in American history, and how its legacy persists today.

The Girls They Stole Everyman's Library
 Sethe, an escaped slave living in post-Civil War Ohio with her daughter and mother-in-law, is haunted persistently by the ghost of the dead baby girl whom she sacrificed, in a new edition of the Nobel Laureate's Pulitzer Prize-winning novel. 25,000 first printing.

Auction (Servitude and Spankings)

Slave of the Aristocracy The Complete Series

Uncle Tom's Cabin Simon and Schuster

The Auction is the first novella in the dark literary erotica anthology:

Submissive Fairy Tales by Kitty Thomas.

The Auction is a 20,000 word novella.

(1-2 hours of reading time, or

approximately 80 pages.) DESCRIPTION:

Belle Walker lives in a strict society

where women are treated as property, sold to the highest bidder soon after their eighteenth birthday. But the auction isn't the only danger. Though she's never seen them, she knows monsters live outside the city. These creatures have allowed the humans a small area to inhabit with the promise to leave them in peace as long as they never cross the boundary. On the day Belle is sold, one of the monsters breaks that promise and enters the city, intent on having her as his own. **This book is intended for an adult audience.** What Readers are Saying about The Auction: "If you enjoy erotica, are not averse to reading about dominance and submission, and like a sci-fi twist, this may just be the book for you." -Mistress of the Dark Path "I loved the world Kitty

Thomas created. It's a little bit sci-fi, with a touch of historic slavery and plenty of dark erotica. I thought the inclusion of 'monster masters' was quite ingenious - so often in Kitty's works the dominant (human) male is bordering on demonic ('Comfort Food', being a prime example). But in 'The Auction' the heroine's sexual partners are, literally, monsters - and one of them even has a devilish resemblance. It's a nice bit of fantasy to play with. And, this being a Kitty Thomas novel(la); the sex scenes are divinely delicious. This is a short story, 20000 words, but she takes the time to write languorous and decadently-detailed sex scenes that will leave readers sizzling." - Dee18 "With Belle, I identified with the fiery submission and with her need to be mastered and

controlled by someone dominating and strong. Belle is the possession and her Master is her owner. Master is everything Belle did not know she wanted or needed. He is everything she most feared but also secretly coveted - to be owned and at the mercy of a stranger. With Master, she is able to let go and just be, finally reveling in her deepest and darkest desires." -S. Richards "Even when Kitty Thomas steps out of the box and does something different, she still manages fabulous success!! Like all of her previous work that I've had the pleasure of reading, after reading the final sentence, I'm left pondering and completely awed at her story telling and her ability to craft some of the best Master/slave and D/S relationships that I've ever read!" -

Among the Muses "The Auction is a superb Dark Erotica Novella that I read in less than 1h and a half. Sexy, hot, creepy and arousing, all at the same time. I could have never told from the cover, but The Auction has some sci-fi elements, all of which just made the story that much richer." -Larissa "I love Thomas' work! She exactly hit the disquieting nail on the head with just the right amount of intrigue, hot action, Alpha males disguised as an alien race and closure at the story's end. I can't wait to read other works by her." -Dark Erotica Fan "I didn't read the description of this book before reading it, so I had no idea what it was all about. I liked the cover and had heard good things about Kitty Thomas' erotica. I basically went in blind because I loved the idea of a

female being auctioned. I had fantasized that the female on the cover would be auctioned off and find true love. This book kinda blew me away because it was erotic in so many ways. If you love sci-fi, dominant alien alphas, erotic sex, and enjoy calling your partner Master or Sir...then I strongly recommend you read this book!" -Sammy Loves Books

"Format: Kindle Edition Verified Purchase
No question about it: this is smut. Erotica, porn, whatever. It's a plot structured to support some good sex. To be more specific, it's power-exchange sex. It's not so much BDSM as it is about sex between an owner and his slave and how the slave learns to like it that way. If the idea of that offends you, then this is not the book for you. However, if the idea of it turns you on, then this did a

pretty good job of presenting that scenario in pretty fantastical terms." -D. Thompson "All in all though, a great novella and a truly enjoyable piece of BDSM erotica that I devoured in less than two hours. If you've read Kitty Thomas before, or even if you're new to this outstanding author and love your romantic reads with darker edge, then I highly recommend 'The Auction'." -J. Valentino

What Other Authors are Saying about The Auction: "If you want lyrical, compelling and thought-provoking erotic fiction, you have to read Kitty Thomas. Just make sure you clear your calendar because you won't be moving until you're finished." - Cari Quinn, author of PROVOKE ME "The Auction is an exotic story that beautifully demonstrates how dominance and submission is a universal

condition." - Claudia D. Christian, author of VICIOUS BLISS: FALLEN "Sexy, weird, and super fun--Kitty Thomas Strikes Again." - Tiffany Reisz, author of THE SIREN and SEVEN DAY LOAN, HQN/Spice More dark literary erotica by Kitty Thomas: Erotic novels: Comfort Food Guilty Pleasures Tender Mercies The Last Girl (latest release) Submissive Fairy Tales (anthology of The Auction, Awakening, and The King's Pleasure) Big Sky Mafia Captive Blood Mate Erotic Novellas: Awakening The King's Pleasure Note: This work is not 50 Shades of Grey, however, if you enjoy work like 50 Shades of Grey, you may also enjoy Kitty Thomas' dark erotica. If you like Kitty Thomas, consider trying some of these other great authors: CJ Roberts, Tiffany Reisz, Annabel Joseph, Pepper Winters,

Anna Zaires, Aleatha Romig, Skye Warren, Cherise Sinclair Kitty writes dark literary erotica, usually with a kinky master/slave theme and a hint of bdsm and captive erotica elements.

Twelve Years a Slave

ReadHowYouWant.com

WINNER OF THE NOBEL PEACE PRIZE •

In this "courageous" (The Washington Post) memoir of survival, a former captive of the Islamic State tells her harrowing and ultimately inspiring story. Nadia Murad was born and raised in Kocho, a small village of farmers and shepherds in northern Iraq. A member of the Yazidi community, she and her brothers and sisters lived a quiet life. Nadia had dreams of becoming a history teacher or opening her own beauty salon. On August 15th, 2014, when

Nadia was just twenty-one years old, this life ended. Islamic State militants massacred the people of her village, executing men who refused to convert to Islam and women too old to become sex slaves. Six of Nadia's brothers were killed, and her mother soon after, their bodies swept into mass graves. Nadia was taken to Mosul and forced, along with thousands of other Yazidi girls, into the ISIS slave trade. Nadia would be held captive by several militants and repeatedly raped and beaten. Finally, she managed a narrow escape through the streets of Mosul, finding shelter in the home of a Sunni Muslim family whose eldest son risked his life to smuggle her to safety. Today, Nadia's story—as a witness to the Islamic State's brutality, a survivor of rape, a refugee, a

Yazidi—has forced the world to pay attention to an ongoing genocide. It is a call to action, a testament to the human will to survive, and a love letter to a lost country, a fragile community, and a family torn apart by war.

The Black Book Sage Knight Press
Enslavement, murder, abuse, illness: there's real trouble for the characters in *Trouble Down South and Other Stories*. The short stories take the reader on a journey to the past through a collection of interestingly crafted pieces of flawed humanness, social injustice, and redemption, and even humor. The collection of historical fiction chronicles events spanning more than 150 years and addresses a wide range of experiences from African-American perspectives. The stories are set in the

South amid a changing landscape in which the characters are forced to wrestle with the social issues surrounding Native Americans, slavery, racism, Prohibition, World War I, the Korean War, Civil Rights, the Vietnam War, health, religion, mental illness, and education.

Accused of Treason. Condemned to Slavery. Sold to a Brothel. Amanda's Desperate Attempt to Regain Her Freedom and Avenge Her Family Will Have Consequences Which Span the Known Galaxy and Topple Emperors and Tyrants Alike Luminosity Publishing
When Pace Rostel catches Carra Dalton climbing on a roof without safety equipment in an effort to repair the home of a coworker—using wood stolen from her employers—he takes matters

into his own hands, putting her over his knee for a very thorough, very public bare bottom spanking. Carra does her best to hide the shameful evidence of her arousal, but her body's reaction to the stern punishment cannot be denied, and when she is given a new job working at Pace's home she quickly discovers that continued misbehavior will result in even more humiliating consequences. Haunted by his time spent at war, Pace has been training a group of dogs to help keep soldiers safe on the battlefield. Carra will be assisting with that project, but when she disregards his instructions on caring for the animals she soon finds herself sleeping in a cage and wearing nothing but a collar and tail as her firm-handed new boss begins the process of mastering his pet. Publisher's Note:

Mastering His Pet is set in the same world as The Predator's Pet, but it is a stand-alone novel. Mastering His Pet

includes spankings and sexual scenes. If such material offends you, please don't buy this book.
