SINGLETON SAVANAH

GMAT Prep Plus 2021 Simon and Schuster

Eric is the new kid in seventh grade. Griffin wants to be his friend. When you're new in town, it's hard to know who to hang out with—and who to avoid. Griffin seems cool, confident, and popular. But something isn't right about Griffin. He always seems to be in the middle of bad things. And if Griffin doesn't like you, you'd better watch your back. There might be a target on it. As Eric gets drawn deeper into Griffin's dark world, he begins to see the truth about Griffin: he's a liar, a bully, a thief. Eric wants to break away, do the right thing. But in one shocking moment, he goes from being a bystander . . . to the bully's next victim. This title has Common Core connections.

The bad news is, you can't avoid the GMAT torture if you intend to go to graduate business school. Because of the grade inflation that skews GPAs, most graduate business schools now require the GMAT as a way of separating the wheat from the chaff. Now for the good news: By doing well on the GMAT you can overcome years of goofing off in school. A dynamite GMAT score can get you into a graduate program that otherwise wouldn't look twice at you and your C+ GPA. On the other hand, even with a GPA of 4.0 from a top-flight school, you'll be facing some pretty stiff competition, and a high GMAT score could make the difference between being admitted or not. If you're one of the quarter of a million business school hopefuls taking the GMAT this year, you'll want to use this friendly guide to help you outsmart the competition. Written by long-time test prep coach Suzee Vlk, *The GMAT For Dummies* offers you an enjoyable way to get quickly up to speed with what you need to know to: Fine-tune your test-taking skills Bring the right stuff to the test Psych out the test Spot traps built into test questions Figure out the point behind questions Make the best educated guesses Combat test-taking anxiety Use your breaks wisely Save time and beat the clock *The GMAT For Dummies*

features dozens of practice questions, two complete practice tests, and reviews to help you monitor your progress. And it's loaded with test-taking tips, tricks, and expert advice on how to: Assess your strengths and weaknesses Think "the GMAT way" Approach different types of questions Nail the grammar questions Ace the reading comprehension and critical reasoning questions Shine on the analytical writing assessments Master the general math questions Excel on the data sufficiency math questions This fat-free test prep guide is for bright, ambitious people on the move. It gets you on track with what you need to know and can use on the GMAT quickly, efficiently, and thoroughly.

Adapting to the ever-changing GMAT exam, Manhattan Prep's 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind. The GMAT Number Properties strategy guide delves into all the characteristics of numbers tested on the GMAT, covering both simple and complicated concepts. Using the fundamental techniques and nuanced strategies developed in this guide, students will be able to tackle even the toughest GMAT problems involving prime numbers, consecutive integers, and many other topics. Unlike other guides that attempt to convey everything in a single tome, the GMAT Number Properties strategy guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the GMAT Number Properties strategy guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Prep's Number Properties Question Bank. All of Manhattan Prep's GMAT Strategy

Guides are aligned with the GMAC Official Guide, 2016 edition. *GMAT Official Guide 2021, Book + Online Question Bank and Flashcards* Manhattan Prep Publishing

Adapting to the ever-changing GMAT exam, Manhattan Prep's 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind. The Integrated Reasoning and Essay GMAT Strategy Guide demystifies the Integrated Reasoning section, which demands a blend of mathematical and verbal proficiency. This book equips students with the core strategies and tools for tackling difficult Integrated Reasoning questions. It also provides effective techniques for approaching the essay portion of the GMAT. Unlike other guides that attempt to convey everything in a single tome, the Integrated Reasoning and Essay GMAT Strategy Guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the Integrated Reasoning and Essay GMAT Strategy Guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. GMAT Official Guide Verbal Review 2022 John Wiley & Sons

You need three things to do well on GMAT Reading Comprehension you need to know the secrets to reading passages efficiently, learn how to identify and tackle different RC Question Types, and practice enough number of passages from myriad subjects to build the requisite mental stamina so that you are able to comprehend dense and boring passages that the GMAT tests you on. The GMAT Reading Comprehension Grail has been written keeping the above three points in view. The book spans over 300 pages and is the most comprehensive book available today in the market to crack the GMAT Reading Comprehension. The book starts by unraveling the secrets to reading passages quickly yet effectively, then moves on to discuss various RC question types and then provides 60 GMAT like practice passages. By the time, you finish the book, we assure you that you will not fear reading comprehension on the GMAT anymore because you would have learnt what are the best strategies, which of the them work for you and which don't, you will know the types of mistakes you make and what you need to do about them and above all you will not be scared of seeing passages from areas that you had no interest in. In short, you will be much more confident about taking on RC passages. How is this book superior to any other book for Reading Comprehension? This book provides you 3 times the number of practice passages as compared to any other book Unlike other books, the RC Grail

strictly follows a 3-4 questions per passage format, just as the GMAT does RC Grail is the only book that categorizes passages into three difficulty levels - low, medium & high. This categorization ensures that by the time you reach high difficulty level passages, you'll be ready to handle them with confidence. RC Grail is the only book that provides a passage map for every passage along with detailed explanations to questions. Unlike those in other books, the passages in the RC Grail are the closest you can get to the GMAT passages in length & structure.
