You've heard the
expression, "Attitude is
everything." But can a

positive mental
attitude make all that
much difference in
your personal and
professional life?
Deborah Smith Pegues,
author of the
bestselling 30 Days to
Taming Your Tongue,
believes strongly that it

can. In *Choose Your Attitude, Change Your Life*, Deborah explores the root causes of 30 negative attitudes, their impact on your life and relationships, and how you can learn to think positively instead. As a result, she helps you recognize and conquer counterproductive behaviors, such as criticizing the choices others make, being inflexible, and being indifferent to the needs of others. Deborah's handy guide uses Bible-based principles and practical strategies to point you toward the path to a better outlook on life, empowering you to display a positive mental attitude in every situation and leading to healthier relationships, personal growth, and the ability

to handle life's challenges as never before. Previously titled *30 Days to a Great Attitude*. [Attitude Is Everything: Change Your Attitude ... Change Your Life!](#) Sourcebooks, Inc. Do you dread going to work? Do you feel tired, unhappy, weighed down? Have you given up on your dreams? The road to a happier, more successful life starts with your attitude-and your attitude is within your control. Whether your outlook is negative, positive or somewhere in between, Jeff Keller, motivational speaker and coach, will show you how to take control and unleash your hidden potential through three powerful steps: -THINK! Success begins in the mind. The

power of attitude can change your destiny. - SPEAK! Watch your words. How you speak can propel you towards your goals. -ACT! Don't sit back. Take active steps to turn your dreams into reality. Soon, you will be energized and see new possibilities. You will be able to counter adversities and develop talents unique to you. Your relationships will improve, both at work and in your personal life. All you need is this step-by-step programme to change your attitude and your life!

You're not broken, just likely a little too normal. The problem isn't your DNA. The problem is culture, and

without a definitive strategy to combat social norms, you end up in the "mediocre middle" with everyone else: exhausted, stressed, and unfulfilled. Headaches, stomach trouble, anxiety, and insomnia are all commonplace today. It's typical to be burdened, frustrated, and easily triggered. Feeling trapped in finances, work, or relationships isn't remarkable either. Normal people have lost a sense of peace, playfulness, and any semblance of order and simplicity. But the middle is no place for someone of your caliber. You're Too Good to Feel This Bad, and you know it. In this book, Nate Dallas shares his eye-opening, personal experiment to escape a

cultural epidemic. In his unabashed, down-to-earth style, he presents an entertaining and enlightening journey, challenging capable all over-achievers alike. Combining potent insights from multiple disciplines, he distills complex processes into practical, achievable steps designed to elevate your life to an all-time high. Phase 1 - Physiology (sleep, breathing, nutrition, & exercise) Phase 2 - Psychology (human needs, pattern breaking, mindset, & meditation) Phase 3 - Life Application (recreation, money, work, systems, & relationships) Throughout the process, you will think, see, understand, and feel like never before. The life you truly desire

is within your reach. It's time to raise the standard. Buckle your seat belt and don't look back. You're going to love this ride!

Strategies and Tools for Developing Personal and Professional Success

Aka Associates

At the age of twenty eight, Conor Devine had a fantastic life by any measure. With a supportive family and a great career, he had just married Kate, the love of his life. The young couple honeymooned on the tropical island of Mauritius, but on the first day of their new

life, disaster struck. Conor's body came under attack by a mysterious virus, confining him to the hospital for the rest of his visit. Within a year, he was diagnosed with multiple sclerosis. The disease brought his world to a halt. How would he support his family? How would he carry out his life confined to a wheelchair? How could this happen to a healthy young man? He lived in a world filled with questions and void of any answers. As Conor lays out, multiple sclerosis, or MS, is an inflammatory disease in which the fatty sheaths that protect and cover nerve cells are damaged. This leads to a broad spectrum of symptoms including tremors,

muscle spasms, loss of balance, numbness, slurred speech, and uncontrollable eye movements. As the disease progressed, Conor worked out a plan to begin rebuilding his life. After three years of struggling with on-again, off-again attacks, the young man decided he needed to formulate a strategy to regain control of his brain. Using a three-point plan, he mapped out a framework to beat multiple sclerosis and begin living and dreaming once more. This inspiring account will motivate others to examine their own lives and see what improvements can be made when everything else seems hopeless. As the author admits, MS symptoms and

severity vary widely from person to person. His story of recovery may be just as valid as the more severe sufferer who takes pride in being able to walk just a few steps every day. Ultimately, *Attitude is Everything: My MS Story* will appeal to a broad range of readers looking for an inspirational tale that demonstrates the great power of summoning a positive attitude to confront life's problems.

An Attitude of Gratitude Sourcebooks, Inc.

What is the one quality that all successful people have in common? They have mastered the art of dealing with people! Let this book show you how to: Achieve your goals Handle the

human ego Become a master conversationalist Make others feel good about themselves And much more! Skill with people is the one essential ingredient for success and happiness at home and in business. "The Art of Dealing With People" gives you the skills to take your people skills to a level that you never thought possible! Skill in human relations is similar to skill in any other field, in that success depends on understanding and mastering certain basic general principles. You must not only know what to do, but why you're doing it. As far as basic principles are concerned, people are all the same. Yet each individual person you meet is different. If you attempted to learn

some gimmick to deal successfully with each separate individual you met, you would be face with a hopeless task. Influencing people is an art, not a gimmick. When you apply gimmicks in a superficial, mechanical manner, you go through the same motions as the person who "has a way," but it doesn't work for you. The purpose of this book is to give you knowledge based upon an understanding of human nature: why people act the way they do. The methods presented in this book have been tested on thousands of people who have attended my human relations seminars. They are not just my pet ideas of how you should deal with people, but ideas that have stood the

test of how you must deal with people. That is, if you want to get along with them and get what you want at the same time. Yes, we all want success and happiness. And the day is long past, if it ever existed, when you could achieve these goals by forcing people to give you what you want. And begging is no better, for no one has respect for, or any desire to help, the person who constantly kowtows and literally goes around with his hand out, begging other people to like him. The one successful way to get the things you want from life is to acquire skill in dealing with people. Download now and you will learn how. *The Difference Maker* Pelican Publishing

If a little positive attitude goes a long way, this book should go on forever. And with baby boomers now hitting the 60 mark, the timing couldn't be better. *Age Is Nothing: Attitude Is Everything* is a small, sweet, funny reminder that when it comes to muscles,

minds, and dancing shoes, we need to use 'em or lose 'em. Experts on such things talk about the importance of role models for young people. What a bunch of poppycock! After all, being young is a breeze. Getting old--now there's a challenge. As more and more of us peek down the backside of the hill, we need role models not just to show us how to grow old gracefully but how to stay young at heart indefinitely. In *Age Is Nothing: Attitude Is Everything*, that's just what we get--a bookful of spunky seniors doing it right. This playful and empowering little book collects photos of gray-but-game enthusiasts celebrating life in myriad ways--all accompanied by

upbeat text that keeps the focus on fun. * Silver-haired sirens take a steam bath proclaiming, We're not getting older, we're getting hotter. * A skateboarding septuagenarian urges readers to release your inner whippersnapper. * Pool-shooting grannies remind us to always give it our best shot. And that's just the beginning. Throughout the book, seniors ski, swing, run, laugh, hug, surf, laugh some more, and soak up the sun. With fun guest appearances from famous elders George Burns, Albert Einstein, and Granny from The Beverly Hillbillies, *Age Is Nothing: Attitude Is Everything's* message is delivered loud and clear: Getting older is mandatory--feeling

older is entirely up to you.

Are you also tired of putting off your dreams until "tomorrow?" Guess what! Tomorrow never comes. Am I right? I've

procrastinated and put off my desire to write a book for a decade. I always came up with excuses like, "it's not the right time." Or, "I need to do more research." But in 2015 I got tired of this endless procrastination, and finally took action. Six months later, my first book was published. Look, we all have limited time on our hands. And we're getting closer to death every single minute. That shouldn't scare. That should motivate you! Time is limited, that's why we must do the things we want: Today. In this "best of" collection, I've handpicked 30 of my best articles that help you to overcome procrastination, improve your productivity, and achieve all the things

you always wanted. Plus, I've written an extensive introduction about my life and work philosophy. And I've made many improvements and edits to the articles. So the content of this book is different from the articles on my site. In *Do It Today*, you'll learn: 1. Why we procrastinate and how we can overcome it 2. How to increase your productivity without being stressful 3. How to achieve more meaningful things in your life so you can enjoy it more Are you ready to start reading this book?
