The Message of Yahweh Today Ebozon Verlag  
 Observe...Interpet...Apply People with Bibles don't always know how to use them. They're good at absorbing and repeating material from sermons, commentaries, and blogs, but they miss the fullness and joy that comes from studying the Bible for themselves. The power to change the world is available, but it goes untapped. Though study aids are helpful, imagine if your primary ministry curriculum was Scripture itself. You could study the Bible, teach people how to study it themselves, and expect those folks to lead their own Bible studies with their neighbors, coworkers, and friends. Each year, you'd

see an increasing number of men and women wield the sword of the Spirit, piercing hearts and drawing the lost to Jesus. Ordinary people can learn to study the Bible. These people may not have been to seminary. They don't have much free time. But they love Jesus and want to be more like him. They want to know him. Knowable Word offers a foundation on why and how to study the Bible. Using a running study of the first chapter of Genesis, it illustrates how to observe, interpret, and apply the Scripture-and gives the vision behind each step. It also shows how to read each Bible passage in light of salvation history. But besides being just a how-to on Bible study, it fuels the desire to learn and grow through studying the Scriptures. This book will appeal to three kinds of people: 1. Beginners who love God and his Word

2.Mature Christians who want to improve their Bible study skills 3.Leaders who long not only to teach but also to equip Knowable Word offers what each group needs: a sensible Bible study method. By learning to observe, interpret, and apply, ordinary people will grow extraordinarily close to Jesus Christ as they learn to study his knowable Word.  
*Coloring God's Word* Riverhead Trade (Paperbacks)  
 A reprint of the classic American Standard version of the Holy Bible. This reprint is more of a reference and study tool rather than a devotional Bible. The verses all begin on their own lines to make it easier to reference certain verses and the durable paper the book is printed on makes it easier to make notes right in this Bible without having to markup that beautiful leather edition that you keep. As

well the edition has replaced all the Jehovah's with what most scholars believe is the name of God in the Old Testament, Yahweh.

[A Study of Jeremiah](#) The Word of Yahweh"Complete bible - old and new testaments The prime objective in producing this new edition of the scriptures was a desire to accurately represent the most sacred names of our Father and His Son. The personal name of the Heavenly Father, Yahweh, was inspired into the Hebrew and Aramaic texts of the Old Testament nearly 7000 times. This includes 134 instances where the Masoretic scribes admittedly changed Yahweh to the more common Hebrew Adonai. In all instances where LORD, or GOD was substituted for the Sacred Name in the English text we have properly restored Yahweh. It was also our goal to restore the Hebrew name of our savior Yahshua into the text."The Word of YahwehYahweh's Word His Name is Yahweh proves that Yahweh commanded us to declare His Name to the world. That command has never changed. Yahweh expects us to tell everyone who He is by Name.

*Desiring God* Createspace Independent Publishing Platform  
Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."  
*Word and Spirit in Ezekiel* WestBow Press  
Yahweh's Breath is a unique Bible. In original Hebrew language it would be Yahweh's Nshamah meaning, 'Yahweh's puff or breath of divine inspiration'. It was written in the Literal form of the original languages of Hebrew and Greek and then matched with the New Strong's Exhaustive Concordance of the Bible, a thorough verbal index to the Holy Scriptures. It's one of a kind format puts the Sacred Name of our Father/Creator back into the text where it had been removed nearly 6,000 times by the scribes and translators throughout history. An outstanding feature also makes those hard to pronounce Biblical names easy as they were written in the original language of the script with the pronunciation following the name. Also, the meanings of some of the names follows the pronunciation. Using the wording from the Strong's Exhaustive Concordance of the Bible gives His Word a detailed 'come to life' picture in your mind. At times you can see the glistening green grass or smell the fragrant smoke of spices. If you listen carefully you can hear the vibrating trumpet ram's horns or taste

the sticky gummy syrup of honey. You might even be able to feel with your finger the scar from the spikes in the hands and feet of the Messiah. Another feature of this version of His Word, the Bible, is that any added text by our Romanized translations that was not in the original text languages has been put back into its original form. Above all, this version makes reading and understanding His love letter to us about His Son easy and enjoyable.

#### **The Sacred Scriptures - Vol. II (Part 1/2)** Lulu.com

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

#### **Rejection of the Word of Yahweh and Judgment in the Book of Jeremiah**

Createspace Independent Publishing Platform

One year my husband and I decided to host a Thanksgiving celebration in our home for about twenty to twenty-five people. In preparation, we went beyond the basics of shampooing the carpets and mopping the floors. We put a fresh coat of paint on every wall, purchased new furniture for the living room, and installed a second bathroom. We even knocked out a wall in order to make the living room bigger. The night before our guests were set to arrive we were still up cooking and completing minor details. How much more should we prepare our hearts to become the habitation of Yahweh? Let us turn our attention inwardly and focus on preparing our living sanctuaries. The King of Kings desires to make your heart his home and you must get ready!

*The Book of Yahweh (The Yahwist Bible)* Multnomah

In a pluralistic world of competing truth claims, how can one discern what is truly representative of God? How can we live and communicate what is authentically "spiritual?" How do we bridge the religious impasse between believers and a post-Christendom and pluralistic context where individuals may consider themselves to be spiritual, yet are offended by the person of Jesus? Can relativism be an effective means of evaluating truth from falsehood? What role should race, gender, and socioeconomic background play in society and the church? These are just a few of the questions this study addresses in presenting a more balanced, dialogical, and biblical criterion for authentic

spirituality. The insights on how to discern, live, and communicate what is authentically spiritual are significant for interreligious and ecumenical dialogue across denominations. These insights contribute a way to more effectively communicate divine truths to all, for it is conversant with various sources of knowledge about God and is accountable to feedback from these sources of truth. For example, tacit knowledge such as that derived from faith, and spiritual gifts, as well as rational, or philosophical claims to truth, along with Western, Eastern, and Southern modes of thinking, are all incorporated.

*A Lexical Study of "The Word of Yahweh" in the Old Testament* Lulu Press, Inc  
"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999  
Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

#### **God's Name Is Yahweh** Wipf and Stock Publishers

The book argues that the relationship between Yahweh's ruah and Yahweh's word in the book of Ezekiel is to be understood not so much in terms of the inspiration and authentication of the prophet but in terms of the transformation of the book's addressees.

**The Holy Scriptures** Grove Press  
This commentary on 1 and 2 Kings demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible for today's church. It is the second volume in the Brazos Theological Commentary on the Bible.

A Pseudepigrapha of the account of Enoch, age 50 who visits the city of Salem and Thinis.

[Yahweh God's Word](#) CreateSpace

This book will enrich the reader with the knowledge of twenty to twenty-two religions in depth of their origin and their beliefs. As a Christian, one would ask, Why should I read this book? Well, the answer

is simple. You dont know where you are going if you dont know where you come from. All religions come from the Eastern countries, but namely, Christianity is the only one that teaches about a deity (Lord Jesus) that saves souls. In this book, all the religions are compared to a certain extinct to enlighten the reader on scripture-based and prophecy-based teachings about the beginning of the world as well as the end of the world or, should I say, the coming of the Messiah.

[A Dictionary Of Arts, Sciences, Literature And General Information \(Volume I\) A To Androphagi](#) Lulu.com

A Children's book for the entire family, as it deals with things children often face or wonder about today. Subjects include; Death and separation from a parent, A.D.H.D. in school, friendship, peer pressure, and miracles.

Color your way into quiet times with God through this collection of Bible verse coloring book pages. As you color, you will dwell on a verse for much longer than you would if you were reading through it. You might just find the passage of scripture makes its way further into your heart and mind once you have spent more time with it. Color, and through coloring, bring these words of truth to life in new ways and let God bring peace to a few moments of your busy day.

**Word of Yahweh Daily Journal 2014**

AuthorHouse

A controversial national best seller upon its initial publication, The Book of J is an audacious work of literary restoration revealing one of the great narratives of all time and unveiling its mysterious author. J is the title that scholars ascribe to the nameless writer they believe is responsible for the text, written between 950 and 900 BCE, on which Genesis, Exodus, and Numbers is based. In The Book of J, accompanying David Rosenberg's translation, Harold Bloom

persuasively argues that J was a woman?very likely a woman of the royal house at King Solomon's court?and a writer of the stature of Homer, Shakespeare, and Tolstoy. Rosenberg's translations from the Hebrew bring J's stories to life and reveal her towering originality and grasp of humanity. Bloom argues in several essays that "J" was not a religious writer but a fierce ironist. He also offers historical context, a discussion of the theory of how the different texts came together to create the Bible, and translation notes.

*The Encyclopaedia Britannica* W. W. Norton & Company

Daily journal and/or planner with daily entries dated for 2014. Two pages per week, each featuring three inspirational verses from The Scriptures with the restored Hebrew Names for God and Jesus, for you to meditate on. 2014 and 2015 full-page at-a-glance calendar also included. See preview at <https://www.createspace.com/Preview/1132640>

**Put on the Whole Armour of Yahweh**

Wipf and Stock Publishers

The objective of "The Sacred Scriptures" by John Biermanski is to revoke all falsifications in today's Bibles known so far (in the Old and New Testament), and to restore the original state of the verses as far as possible. In the present work, you will find "The Acts of the Apostles" to "The Letter of Paul the Apostle to Philemon", in which the verses are written in German and English, as well as an appendix with various elaborations and statements, etc. (see the table of contents). There is both a German and an English edition in which the attachments are available in the respective selected language. This is an English edition. The author was born in 1963 in North Rhine-Westphalia and completed a traineeship for wholesale and foreign trade in a pharmaceutical wholesale company. In the course of his professional development, he used to be a freelancer but was also officially employed; he has experienced a lot rises and falls throughout his life. While studying the Scriptures, he was led by the Spirit of the only God, the Almighty and the only Holy Father in heaven, whereas, by grace, he could recognize many things that are now presented as heresies to the world. In recent years he has been active

in the proclamation of the Word of YAHWEH Elohim (G-d) in Europe, Canada, particularly in Brazil (South America), and has enlightened many people by his message, so that they get to know the true God, His holy name and His will and only obey Him (Exodus 20:2-11; Leviticus chapter 19 and 23 etc.) – and start to think about all this, i. e. "so that they finally decide themselves in favour of the living Elohim (G-d): YAHWEH, instead of against Him, and their names are not erased from the divine 'Book of Life' forever."

[The Word of Yahweh A&C Black](#)

The obvious riddles and difficulties in Exod 3:13-15 and Exod 6:2-8 have attracted an overwhelming amount of attention and comment. These texts make important theological statements about the divine name YHWH and the contours of the divine character. From the enigmatic statements in Exod 3:13-15, most scholars reconstruct the original form of the name as "Yahweh," which is thought to describe YHWH's creative power or self-existence. Similarly, Exod 6:3 has become a classic proof-text for the Documentary Hypothesis and an indication of different aspects of God's character as shown in history. Despite their seeming importance for "defining" the divine name, these texts are ancillary to and preparatory for the true revelation of the divine name in the book of Exodus. This book attempts to move beyond atomistic readings of individual texts and etymological studies of the divine name toward a holistic reading of the book of Exodus. Surlis centers his argument around in-depth analyses of Exod 3:13-15, 6:2-8 and Exod 33:12-23 and 34:5-8. Consequently, the definitive proclamation of YHWH's character is not given at the burning bush but in response to Moses' later intercession (Exod 33:12-23). YHWH proclaimed his name in a formulaic manner that Israel could appropriate (Exod 34:6-7), and the Hebrew Bible quotes or alludes to this text in many genres. This demonstrates the centrality of Exod 34:6-7 to Old Testament Theology. The character of God cannot be discerned from an etymological analysis of the word yhwh but from a close study of YHWH's deliberate ascriptions made progressively in the book of Exodus.
