EWING HOLLAND

The Legal Environment of Business McGraw-Hill Education

Fully integrating law and business for the business student, this text provides strong coverage of ethics, and includes comprehensive coverage of international business law, through international ethics forum boxes and a completely revised international business law chapter.

Essentials of Business Law and the Legal Environment Prentice Hall

Legal Environment of Business, A Managerial Approach: Theory to Practice emphasizes bridging the gap between understanding legal doctrines that impact the business environment and how business owners and managers use legal insight to limit liability and manage risk. Its distinct approach focuses on using teaching features, simulations, case studies, examples, and case law that is accessible and engaging because it is specifically tailored for business students.

The Legal Environment of Business Thomson Learning

The fourth edition of *International Business Law and the Legal Environment: A Transactional Approach* gives business and law students a clear understanding of the legal principles that govern international business. This book goes beyond compliance by emphasizing how to use the law to create value and competitive advantage. DiMatteo's transactional approach walks students through key business transactions--from import and export, contracts, and finance to countertrade, dispute resolution, licensing, and more--giving them both context and providing real-world applications. More concise than previous editions, this new edition also features: - Added coverage of new technologies, such as smart contracts, digital platforms, and blockchain technology - Discussion of businesses and sustainability, climate change, and creating a circular economy - Greater focus on UNIDROIT Principles and a review of INCOTERMS 2020 - Expansion of common carrier coverage to include CMI trucking and CMR railway conventions - International perspective and use of a variety of national and international law materials - Great coverage of EU substantive law Upper-level undergraduate and postgraduate students of business law and international business will appreciate DiMatteo's lucid writing style, and professionals will find this book to be a comprehensive resource. Online resources include an instructor's manual, PowerPoint slides, test bank, and other tools to provide additional support for students and instructors.

The Legal Environment of Business and Online Commerce Thomson Learning

The Legal Environment of Business: A Managerial and Regulatory Perspective provides students with an accessible approach to the study of the legal and regulatory environment facing managers in the twenty-first century. This text introduces students to the legal environment of business with a dynamic mix of cases and black-letter law, supported by practical examples.

The Legal and Regulatory Environment of Business Prentice Hall

Packed with reader-friendly illustrations, ESSENTIALS OF BUSINESS LAW AND THE LEGAL ENVIRONMENT, 12e uses a nontechnical presentation to help your students understand the dynamics of today's legal environment for business. Covering a broad variety of key subjects and emphasizing ethical decision making, the text presents all business law topics required for success on the CPA exam. Cases are carefully summarized and integrated in order to present both recent legal issues and landmark court decisions while minimizing legal jargon. Students learn to effectively apply legal reasoning to cases and legal issues using the Issue, Rule, Application and Conclusion (IRAC) method. In addition to new Going Global features that highlight the international aspects of legal issues, the 12th Edition also includes more than 30 recent cases, updated coverage of limited liability companies and suretyship, amendments to UCC Articles, SEC rules on social media, recent U.S. Supreme Court decisions, and much more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Legal Environment of Business Cengage Learning

With THE LEGAL ENVIRONMENT OF BUSINESS, 13E readers can enjoy a practical introduction to the structure and function of the legal system from the perspective of the professional non-lawyer. While the authors note the system's strong legal heritage, the book emphasizes the nuts and bolts of basic legal rules that most significantly impact business today. This popular book adapts a traditional case focus to address the unique needs of future and current business students. Clear, concise coverage of a wide range of timely topics introduces key points of law using business-specific examples and realistic scenarios. The authors' readable style complements their extensive knowledge of domestic and international business to make this book a favorite among both professionals and learners new to the legal environment. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

West Academic's Legal Environment of Business McGraw Hill LLC

This textbook emphasizes bridging the gap between understanding legal doctrines that impact the business environment and how business owners and managers use legal insight to limit liability and manage risk. Its distinct approach focuses on using teaching features, simulations, case studies, examples, and case law that is accessible and engaging because it is specifically tailored for business students.

Comprehensive, authoritative, and cutting-edge, THE LEGAL ENVIRONMENT OF BUSINESS combines a classic black letter law approach with an interesting and accessible reader-friendly format. The cases, content, and features of the exciting new ninth edition have been thoroughly updated to represent the latest developments in the business law environment. An excellent assortment of cases ranges from precedent-setting landmarks to

important recent decisions, and ethical, global, and corporate themes are integrated throughout. In addition, numerous features and exercises help you master the material and apply what you have learned to real-world issues, and the text offers an unmatched range of support resources, including innovative online study tools that help you work effectively and maximize your results. It's no wonder THE LEGAL ENVIRONMENT OF BUSINESS is used by more colleges and universities than any other legal environment text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

[Kubasek Createspace Independent Publishing Platform](#)

Based on the best-selling West's Business Law, this text maintains its most popular features and continues to offer flexibility for different teaching philosophies. While focusing on public law issues such as ethics, government regulation, and administrative law, it also provides a good balance of private law topics such as contracts and sales. Selected cases begin with either a "Historical and Social Setting" or a "Company Profile" and address the AACSB's curriculum requirements by focusing on global, political, ethical, social, environmental, technological, and cultural diversity issues.

The Legal Environment of Business Cengage Learning

In 1963, the first edition of Legal and Regulatory Environment of Business, authored by Bob Corley, started a new course emphasizing the legal environment in which business is conducted. By focusing on the public nature of how government regulates business activities, rather than simply how businesses privately make transactions, a movement away from traditional Business Law began. Through its previous 14 editions, The Legal and Regulatory Environment of Business has been the leader in setting the standard for materials covered in an introduction to the legal and regulatory environment of business.

[Business](#) McGraw-Hill Education

Baumer and Poindexter's, Legal Environment of Business in the Information Age, 1e, is the legal environment text for the 21st century. In the next few years, many of the laws that comprise the legal environment of business will change, and the pace of the change is likely to be quick. Because of the growth of information technology, many legal issues have emerged and are occupying center stage. Baumer/Poindexter targets future managers who will be dealing with information technology in some way, and reinforces the latest trends in business education by providing a similar experience with law. Legal Environment of Business in the Information Age places an emphasis on the manner in which regulatory law deals with changes in technology, and devotes significantly more attention to E-Commerce contract law and legal protection of intellectual property.

[Legal Environment of Business](#) Prentice Hall

Upon its publication in 1963, Corley's Legal Environment of Business was the first and only business law textbook to emphasize public rather than private law, government regulation of business rather than contracts, and legal relationships rather than business transactions. A major innovation, it established a new course that the authors termed the legal environment of business. Over the years others have attempted to attain the success and stature of The Legal and Regulatory Environment of Business, but none has been able to match its timely, innovative coverage. Substantially updated, the 10th edition continues the text's reputation for ethics, authority and coverage of current areas of importance to business.

Give your students the complete understanding of business law and today's legal environment they need for success in business and on the CPA exam with the reader-focused, straightforward approach found only in Mann/Roberts' ESSENTIALS OF BUSINESS LAW AND THE LEGAL ENVIRONMENT, 10E. Using a presentation that's accurate, authoritative, and up to date on the latest developments in business law today, these respected authors provide a depth of coverage that's ideal for today's students. The authors carefully summarize and integrate cases to present both recent legal issues and landmark court decisions in a way that minimizes legal jargon for maximum comprehension. This edition thoroughly addresses a broad variety of key subjects and ethical issues while covering all business law topics required for success on today's CPA exam. Choose Mann/Roberts' ESSENTIALS OF BUSINESS LAW AND THE LEGAL ENVIRONMENT, 10E for the business law approach you can trust and your students will understand and retain. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Legal Environment of Business: A Managerial Approach: Theory to Practice Pearson Higher Ed

This is the only textbook that helps students develop a thorough understanding of the legal environment of business and enhances their ability to engage in critical thinking and ethical analysis. The legal environment of business is thoroughly treated in an extremely reader-friendly manner; various topics include: the American legal system, dispute resolution, constitutional principles, cyberlaw, white-collar crime, contracts, sales, product and service liability, the law of property, agency law, labor-management relations, environmental law, securities trading and issuance, antitrust laws, and debtor-creditor relations. An excellent desk reference for the legal departments of any business, this book also provides an interesting read for anyone interested in business and ethics.

[The Legal Environment of Business](#) Cengage Learning

"Think of this textbook as a road map that guides you through the twists and turns of the laws that impact business entities, owners, and managers. This road map will help you understand ways in which business owners and managers can add value to their companies by using legal insight for business planning and for limiting liability. We have tailored the text, examples, cases, and teaching features to the needs of business students by providing concise explanations of law (theory) and then supplying the tools necessary for students to apply their knowledge in the business environment (practice)"--
