ERICK DEANDRE

Love's Shadow Fordham University Press

For a Western world anxious to understand Islam and, in particular, Shi'ism, this book arrives with urgently needed information and critical analysis. Hamid Dabashi exposes the soul of Shi'ism as a religion of protest—successful only when in a warring position, and losing its legitimacy when in power. Dabashi makes his case through a detailed discussion of the Shi'i doctrinal foundations, a panoramic view of its historical unfolding, a varied investigation into its visual and performing arts, and finally a focus on the three major sites of its contemporary contestations: Iran, Iraq, and Lebanon. In these states, Shi'ism seems to have ceased to be a sect within the larger context of Islam and has instead emerged to claim global political attention. Here we see Shi'ism in its combative mode—reminiscent of its traumatic birth in early Islamic history. Hezbollah in Lebanon claims Shi'ism, as do the militant insurgents in Iraq, the ruling Ayatollahs in Iran, and the masses of youthful demonstrators rebelling against their reign. All declare their active loyalties to a religion of protest that has defined them and their ancestry for almost fourteen hundred years. Shi'ism: A Religion of Protest attends to the explosive conflicts in the Middle East with an abiding attention to historical facts, cultural forces, religious convictions, literary and artistic nuances, and metaphysical details. This timely book offers readers a bravely intelligent history of a world religion.

Merleau-Ponty's Poetic of the World Xlibris Corporation

Drawing on her own experiences, the wisdom of Scripture, and the stories of others who battled the illness, a late-stage colon cancer survivor offers inspiration and hope to survivors and their loved ones, helping them deal with their fears, moods, questions, and more. Original.

Getting Involved with God Harvard University Press

God in the Shadows, hidden from view, hidden from the casual observer, findable only by those whose hearts burn for Him. He is tucked away in the clutter of our circumstances; He whispers to us out of the overcasting details of everyday life, as well as from the midst of those overwhelming crises that arise from time to time. In each, and out of each is the calling fragrance that there is more; there is more here than what my senses can see. He draws me/us to come closer, to come where He resides. And as I approach nearer and nearer His shadow covers me, the brilliance of His person overwhelms me and I 'see' Him for who He is. I am humbled by how little I know Him. My Lord and my God, I hardly know You! God is lurking in the midst of life, speaking to us in every possible situation and circumstance, and He desires that we KNOW Him above all things. We seem to think that He is primarily concerned in what we DO, when He is most concerned in our KNOWING Him. This short book has only one purpose and that is to provoke us to draw nearer to God, with the eternal promise that He will, in response, draw nearer to us. I pray you get that. Above all else, I pray you get that.

In the Shadow of Phenomenology WestBow Press

The collection of articles in this volume is dedicated to Ramzi Baalbaki of the American University of Beirut on the occasion of his 60th birthday. It provides an interesting glimpse into the early medieval and modern traditions related to the Arabic language, its grammar, historical development,

and demonstrate its centrality to other fields of study such as qur'anic studies, adab, folk literature, sufism, and poetry.

[Finding the Light in Cancer's Shadow](#) Cambridge Scholars Publishing

This book is a study of the phenomena of shadows, meant in a broader sense as “symbolic forms”. The shadow is a less real, “surface” replica of some more real form. From the Platonic point of view, empirical objects are “shadows of ideas”, while from the modern “natural” point of view, shadows are seen and conceived primarily as “weaker” replicas of bodies, which give evidence of their material reality. In the first three essays here, several topics from the Ancient Egypt and Greece to modern arts and sciences are considered, while in the fourth essay, the contemporary virtual reality, cyber-technology and the internet as our parallel “shadow world” are discussed from the philosophical point of view. The main and innovative point of this book is the connection between the meaning of shadows in philosophy and art on the one hand, and their role in modern science and technology on the other. The book will appeal to a wide span of readers, from academic circles, students, and artists, to the general reader interested in the humanities, especially in philosophy and art.

The Presence of a Hidden God Tyndale House Publishers, Inc.

Jesus Christ hidden in God is the secret place that God Himself has prepared for man to find safety, provision, intimacy and spiritual power. In the past, we have attempted to find these things through our religion. We have now learned God only offers these through our relationship with Him. If this book does nothing else,

How can the universal church know it needs a change, a renewal of truth, if the people don't even know we have a serious problem? What if evil influence got into the foundation of our Christian doctrine back in the Dark Ages, hiding the true character of God, turning multitudes against the God of Jesus Christ, and stealing our faith and miracles? Wouldn't you want to know it? These pages address the fables in our Christian doctrine and include the truth about God the Father, Son, and Holy Spirit—the one true God. I feel like a lawyer for God, and the evidence is pure Scripture. Knowing who God is and His design of divine partnership with His children will assist you in believing in the power of your own prayers that will produce your miracles. Without the church coming back to what Jesus taught about God, it could continue to render itself helpless against evil principalities and their hold on mankind. Isn't it time God was out of the shadows? America and this world are desperate to see the miracles of God!

Hiding in the Shadows Paulist Press

Revolutionary! Transformational! Perhaps the most common prayer prayed every day by Christians is the Lord's Prayer. Right from childhood, we are taught the Lord's Prayer. However, many fail to access the wealth of the riches hidden in that prayer. In this book, The 15 Titles of God Hidden in the Lord's Prayer, author and pastor, Dr Maxwell Ubah peels back the layers of the Lord's Prayer to reveal the hidden nature and character of God. In this groundbreaking new book, you will discover: • The hidden mystery of our adoption in the Lord's Prayer. • The hidden role of the name of Jesus in the Lord's Prayer. • A progressive revelation of the person of God. • A progressive revelation of our Christian journey. • How every of our need is covered in the 15 Titles of God hidden in the Lord's prayer. • How praying the Lord's Prayer with understanding will revolutionise your life. This book is more than a book on prayer; it is a book about intimacy with the Father. In this book, Dr Ubah writes that “real prayer begins with knowing God as Father.” It is the reason Jesus began the Lord's prayer with “Our Father.” Read this book to know God intimately and watch your prayer life transform with tangible results.

The Testament of Shadows: Coming Forth by Night and Descent from the Stars Walter de Gruyter

Sheds light on Wiccan beliefs and practices--deities, priests, holidays, rituals, and rules--that are often unknown and frequently misunderstood by non-Pagans and the uninitiated, revealing what it truly means to be witch. Original.

Beneath the social mask we wear every day, we have a hidden shadow side: an impulsive, wounded, sad, or isolated part that we generally try to ignore, but which can erupt in hurtful ways. As therapists Connie Zweig and Steve Wolf show in this landmark book, the shadow can actually be a source of emotional richness and vitality, and acknowledging it can be a pathway to healing and an authentic life. "Romancing the shadow"--meeting your dark side, beginning to understand its unconscious messages, and learning to use its powerful energies in productive ways--is the challenging and exciting soul work that Zweig and Wolf offer in this practical, rewarding guide. Drawing on the timeless teachings of Carl Jung and compelling stories from their clinical practices, Zweig and Wolf reveal how the shadow guides your choices in love, sex, marriage, friendship, work, and family life. With their innovative method, you can uncover the unique patterns and purpose of your shadow and learn to defuse negative emotions; reclaim forbidden or lost feelings; achieve greater self-acceptance; heal betrayal; reimagine and re-create relationships; cultivate compassion for others; renew creative expressions; and find purpose in your suffering. The shadow knows why good people sometimes do bad things. Romancing the shadow and learning to read the messages it encodes in daily life can deepen your consciousness, imagination, and soul.

The Secret of Happiness A&C Black

"In The Shadow of the Antichrist, Williams fills a significant gap in the scholarly literature by examining Nietzsche's critique of Christianity and his continuing influence. Williams begins with a basic question - What was it about Christianity that caused Nietzsche's agitation? He aims to answer that question not with a systematic survey of Nietzsche's thought but rather through a careful examination of themes that emerge in his ruminations on

Ye Tian, whose soul had transmigrated to the continent, was originally just a child of a small family. However, because of an accident, he met the princess of the Ling Tian Sect, a great power of the continent.

In God's Shadow AuthorHouse

It is with these deeply personal questions that Rabbi Ashlag opens his Introductions. Moving easily from the experience of the individual to the role of humankind in Creation and back again, he teaches the interplay of light with its vessel. It is this dynamic that makes up the drama of the Creator in relationship to the creation. Evil, suffering, compassion and joy are shown to each have its place as the path unfolds from concealment of the Source to the full experience of Divine love. Rabbi Ashlag teaches Kabbalah, not as an esoteric study limited to the mystically inclined, but as a universal pathway of the spirit. Many books are available about Kabbalah. This book is Kabbalah itself. Its uniqueness lies in that it contains authentic texts of Kabbalah, yet it is accessible to the general reader as a result of the clarity of the translation and the easy style of the explanations. Book jacket.

Martial God, Heaven Tablet Cowley Publications

If the secret cry of your heart is, "There must be more to this Christian life!" know that God hears you, and He's not bothered by your questions. He's not angry, and He's not forgotten you. In fact, He is moved at the hunger in your heart and longs to fill it with more of Himself. The answer to all of your questions are found Underneath the Shadow of God Almighty. He's reserved a place there just for you! This coveted resting place is open to all born-again believers, but it is a road less traveled. The pathway is narrow and there are obstacles along the way, but if we press in, we will discover the MORE our hearts have been longing for. In Underneath the Shadow, we will: •Learn how to avoid the 3 Deadly Ds that attempt to kill our faith. •Find healing for our image of God, Self, and Others. •Discover the reality and joy of dwelling in God's Shadow. •Learn how to become the friend of God. •Acquire 22 keys to cultivating intimacy with God. •Learn to live within the realm of His Glory.

Talk about out of the frying pan and into the fire. Jake, the man of Lexi's dreams, is trapped in the underworld. Only Hades can free him, but Hades is missing, presumably a captive of the shadow shapers. Lexi wants nothing more than to free both of them, but the shadow shapers have hidden their tracks well. She has no idea where to start looking for the missing Lord of the Underworld until a visit to Death himself reveals vital information. Finally Lexi has a target, but this will be no ordinary rescue mission. In a faraway city, she must face the shadow shapers on their home turf. She is the only hope for Jake and Hades, but there are too many gaping holes in her memory, too many things she doesn't know. And some of them are about to come back to bite her big time.

Routledge

The essays in this volume, written by specialists working in the field of tantric studies, attempt to trace processes of transformation and transfer that occurred in the history of tantra from around the seventh century and up to the present. The volume gathers contributions on South Asia, Tibet, China, Mongolia, Japan, North America, and Western Europe. The chapters cover a wide thematic area, which includes modern Bengali tantric practitioners, tantric ritual in medieval China, the South Asian cults of the mother goddesses, the way of Buddhism into Mongolia, and countercultural echoes of contemporary tantric studies.

D. James Kennedy, PhD, was for decades one of the most trusted and gifted leaders of the Christian faith. And now with *The Presence of a Hidden God*, the book he completed shortly before his passing, he offers you one more opportunity to know and love the God whom Dr. Kennedy served so courageously. With powerful biblical exposition, clarity of thought, and fascinating examples from history and life, Dr. Kennedy and Jerry Newcombe guide you into a fuller clearer knowledge of almighty God. They reveal that, first and foremost, God is found in Jesus Christ: "No one knows the Father except the Son and anyone to whom the Son chooses to reveal him" (Matthew 11:27, esv). But we must not be passive if we want a relationship with God. The Bible tells us that God can be found through faith, repentance, prayer, Bible reading and study, meditation, giving, and sharing our faith. In this book, Dr. Kennedy expounds brilliantly on these truths. Join in this life-changing journey of discovery, and see that God is not hidden after all, but is present with you...now and forever.

Stratégie nationale en santé des adolescent(e)s/jeunes au Sénégal Routledge

In Western religious traditions, God is conventionally conceived as a humanlike creator, lawgiver, and king, a being both accessible and actively present in history. Yet there is a concurrent and strong tradition of a God who actively hides. The two traditions have led to a tension between a God who is simultaneously accessible to humanity and yet inaccessible, a God who is both immanent and transcendent, present and absent. Western Gnostic, esoteric, and mystical thinking capitalizes on the hidden and hiding God. He becomes the hallmark of the mystics, Gnostics, sages, and artists who attempt to make accessible to humans the God who is secreted away. 'Histories of the Hidden God' explores this tradition from antiquity to today. The essays focus on three essential themes: the concealment of the hidden God; the human quest for the hidden God, and revelations of the hidden God.
