*Sex Chronicles* Createspace Independent Publishing Platform  
Dear G-Spot is New York Times bestselling author Zane's long-awaited guide to what she knows better than anyone else: love and sex. Dear G-Spot includes real letters from real people, both women and men, who have sought Zane's advice over the years - the preacher's wife worrying about being judged, the virgin, the guy next door, the gay man next door, the woman with low self-esteem, and the other woman with a sex drive over the moon. In her own uniquely candid and humorous way, Zane answers all your questions -- even questions you never thought to ask -- about making whoopee.

*Closed Legs Don't Get Fed* Candlewick Press

This surprise bestseller from Canada traces the groups and individuals who are part of a timeless phenomenon that transcends culture and religion. Joan of Arc was one. So was Sir Isaac Newton. A monk vows to be one. A prisoner has no choice. History tells of many avowed celibates, and today's society reflects a renewed interest in celibacy. But what caused -- and still causes -- people to give up sex, the very activity that drives, fascinates, troubles, and delights the rest of us? Elizabeth Abbott's spirited and provocative exploration of celibacy debunks the traditionally held notion that celibacy is a predominantly religious concept of little concern to the secular world. With myriad examples, Abbott's lively history reveals insights not only about our religious practices but also about our sexual desires and changing attitudes toward gender and physical health. From the vestal virgins of ancient Rome, who were entombed alive if they broke their vows, to contemporary athletes, who "conserve semen" to enhance their game, from celibacy as a guarantee for marriage to involuntary celibacy among prisoners, eunuchs, and young women cloistered against their will, Abbott puts a human face on celibacy, capturing the anguish of the castrated boy destined for an operatic career, the ecstasy of the woman whose celibacy is rewarded by visions of Christ, and the anger of the

bachelor doomed by the surplus of males in contemporary China. What didn't happen in the bedrooms of history, and why? Through stories of individual lives -- fascinating, vital, and real -- *A History of Celibacy* tells all.

**When a Man's Fed Up** Strebtor Books

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

**Wheat Belly** Rodale Books

Presents recipes ranging in difficulty with the science and technology-minded cook in mind, providing the science behind cooking, the physiology of taste, and the techniques of molecular gastronomy.

**Dear G-Spot** Urban Books

What could they say? Oh, she was raped, I openly speak about that. What could they say? Oh, she was molested? I openly speak about that, too. What could they say? Oh, she's broke? She lives check to check? Oh, her books ain't selling? I made it clear that I went from thousands to lunch money, but I still made a way. What could they say? How she dropped out of school? Failed to get her GED? That's no secret. What could they say? How she got screwed over by family, friends, and men? Okay, it's life. They could never call me ugly. They could never call me dirty. They could never call me broke. They could never say I couldn't dress. They could never say I lacked ambition. The only thing they could call me was a "Fat Bitch". So, what's the back story? I'm giving it to you live, direct, and uncut. I'm not ashamed to mention my pains, and my struggles. I'm her, she's me, I am Reds Johnson, and this is my story. You can't expose someone who doesn't have anything to hide.

Revelation Delacorte Books for Young Readers

In the third installment of the Kismet series about obsessive love gone very wrong, Savannah and Dre's relationship turns a corner when secrets are exposed... Savannah was everything Dre wanted in a woman: beautiful, educated, independent, and classy. On top of that, she was the best lover Dre had ever had. It

had to be kismet that brought these two together, because karma would have never allowed it. Savannah had made too many negative deposits into karma's bank without any withdrawals to end up with a good man like Dre. Perhaps, karma and kismet were in cahoots. There was a lot about Savannah that Dre didn't know initially, like her non-nurturing, revenge-seeking, conniving, and unfaithful ways. Nor did Dre know that he had fallen in love with karma's new prey on the eve of her receiving a taste of everything she had dished out. However, there was also a lot about Dre that Savannah didn't know, nor did she take the time to find out. Two facets, in particular, were his low tolerance for infidelity and zero tolerance for lies! After pushing Dre over the edge multiple times with both, what will she do when he volunteers to jump off?

*Trap Queen* Touchstone

BOOK DESCRIPTION How does DeNesha do it? She's made us all scratch our heads and wonder, "Can celibacy be this great?" She's creating a unique discussion for every reader to have with their girlfriends, co-workers, church groups, meetup groups, etc. This idea of being Single, Celibate, and Fine as Wine is going to be a world-wide phenomenon where people step outside of the bedroom to find true love. Where women embark on a journey without receiving an orgasm from sexual intercourse, but they receive true love within themselves. If you never tried crossing your legs and saying, "No" to sexual intercourse for a season, this book will transform your thinking. Most of all, you will finally unravel the mystery of who you really are. Ladies, are you ready? Grab a glass, cross your legs, and prepare to fall in love WITHOUT giving IT up!

A Husband, a Boyfriend, & a Side Dude Simon and Schuster

Sex is the one thing we can't escape dealing with in our daily lives. It is literally everywhere from our billboards, to our social networks, and even within the hallowed walls of our churches. Even with its dominating presence, it seems talking openly and honestly about sex is the last thing many people want to do. When you're a Christian, how do you unite the feelings your sexual nature brings with the condemning sermons that tell you to deny yourself 'just because God said so'? *Closed Legs Do Get*

Fed: Navigating Celibacy in Today's World breaks through the silence of our churches and sheds light on why we're called to celibacy by discussing the emotional and spiritual components of sexual intimacy. Author D. Danyelle goes a step further and explains how sexual celibacy is not only possible but relevant to our modern lives. While the rewards of celibacy are often touted and celebrated, Closed Legs Do Get Fed is forward about the challenges and obstacles that keep many from choosing this life. This book isn't for perfect people or even to convince you to begin a celibate life but; if you've ever had more questions about celibacy, sex, and faith than you've had answers, Closed Legs Do Get Fed is here to be your guide. This book's open dialogue invites the reader to examine the fullness of romantic intimacy beyond sex while demystifying sexuality as a Christian. Told candidly through the lived experiences of the author and others, Closed Legs Do Get Fed invites you to join the journey of celibacy from the idea of commitment to the practice of celibacy from singlehood through engagement and everything in-between.

**A Child Called It** Urban/Kensington

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

Nasty Health Communications, Inc.

CHELSEA WHITE grew up rich but the cost to maintain the spoils of her lavish lifestyle came at the price of following her parents' strict blueprint. Choosing to do away with their rigid plan, she rebels and finds herself swallowed up by the streets she was shielded from but now loves. The thrill of making and breaking her own rules and doing it all her way has Chelsea on a high. But

what happens when the allure of the streets shows its tarnished colors and smooth sails turn into turbulent waters? Will the prodigal daughter return home, begging on her knees? Or will she live by the prostitute's code that CLOSED LEGS DON'T GET FED and stand on her own two feet.

*Closed Legs Don't Get Fed* Grand Central Publishing

ABSTINENCE MAKES THE HEART GROW STRONGER If you're single and in between relationships -- or just about to embark on a new one -- then you can't underestimate the importance of making the right choices when it comes to physical intimacy. When should it happen? If it's already a part of your relationship, is it meaningful to both of you? Is there a strong emotional foundation in place? Or did you jump right in -- and get hurt? And how can you preserve your self-respect the next time around? Donna Marie Williams wrestled with these questions for years until she discovered the empowering nature of celibacy: abstaining from sex for a self-determined time while embracing new opportunities for self-discovery, personal growth, and heightened self-esteem. Now she shares her knowledge in a simple but effective 10-step program that will help you lead a happier, healthier, and even sexier life. Sensual Celibacy reveals: \* Why charting your relationship history can be a real eye opener \* How celibacy can help you focus on what you really want out of life \* Ways to stay true to your celibacy commitment, even if you're in a relationship \* When to end your celibacy, with intelligence, confidence, and joy If you're ready to rethink your approach to relationships and reconnect with yourself, then let Sensual Celibacy guide you to a happier, healthier lifestyle.

**The Glass Castle** Vintage

In a future where most people have computer implants in their heads to control their environment, a boy meets an unusual girl who is in serious trouble.

**Pastor's Widow** Library of Alexandria

A debut collection of short fiction blends elements of Indian traditions with the complexities of American culture in such tales as "A Temporary Matter," in which a young Indian-American couple confronts their grief over the loss of a child, while their Boston neighborhood copes with a nightly blackout. Original. 20,000 first printing.

When a rich divorcée, an ambitious music mogul, and an extremely horny high school virgin cross paths, their insatiable web of lust, obsession, and revenge turns . . . NASTY Beautiful, wealthy, and newly divorced, Nicola is angry with the world over her life's failures. Determined to destroy everything in her path, she goes on a sexual rampage beginning with one unsuspecting family. She starts up a hot-and-heavy relationship with Carlos, a young music executive with big dreams and an even larger sexual appetite. Then she deflowers Carlos's wholesome brother, Jonathan, an up-and-coming basketball star. She's definitely on fire, but the summer is already hot for so many other reasons. . . . Carlos's mother is unexpectedly reunited with the love of her life. Eli is a recovering substance abuser and the father of her eldest child, Tarik, a talented neo-soul artist on the cusp of greatness. Thanks to Carlos's expert music management, Tarik was only seconds away from signing a major record deal—but Eli's unexpected arrival disrupts everything. As the family grows weaker, Nicola can finally be her truly ruthless self.

You would have to be a fly on the wall to learn of the secret love affair between Paige, a divorced English teacher, and Theo, a high school student and star basketball player. You will be a fly on the sizzling-hot walls when this flirtatious and lustful duo takes risks during detentions, school dances, and games. However, once in her bedroom, he teaches the lessons and she becomes the willing and ready-to-learn student. What happens when her ex-husband, who happens to be his coach, walks in on them?

[The Story of the Good Little Boy](#) Independently Published

Includes a sneak peek of *Undoctored*—the new book from Dr. Davis! In this #1 New York Times bestseller, a renowned cardiologist explains how eliminating wheat from our diets can prevent fat storage, shrink unsightly bulges, and reverse myriad health problems. Every day, over 200 million Americans consume food products made of wheat. As a result, over 100 million of them experience some form of adverse health effect, ranging from minor rashes and high blood sugar to the unattractive stomach bulges that preventive cardiologist William Davis calls "wheat bellies." According to Davis, that excess fat has nothing to do with gluttony, sloth, or too much butter: It's due to the whole grain wraps we eat for lunch. After witnessing over 2,000 patients

regain their health after giving up wheat, Davis reached the disturbing conclusion that wheat is the single largest contributor to the nationwide obesity epidemic—and its elimination is key to dramatic weight loss and optimal health. In *Wheat Belly*, Davis exposes the harmful effects of what is actually a product of genetic tinkering and agribusiness being sold to the American public as "wheat"—and provides readers with a user-friendly, step-by-step plan to navigate a new, wheat-free lifestyle. Informed by cutting-edge science and nutrition, along with case studies from men and women who have experienced life-changing transformations in their health after waving goodbye to wheat, *Wheat Belly* is an illuminating look at what is truly making Americans sick and an action plan to clear our plates of this seemingly benign ingredient.

[Interpreter of Maladies](#) Urban Renaissance

The #1 New York Times bestseller about a famous novelist held hostage in a remote location by his "number one fan." One of "Stephen King's best...genuinely scary" (USA TODAY). Bestselling novelist Paul Sheldon thinks he's finally free of Misery Chastain. In a controversial career move, he's just killed off the popular protagonist of his beloved romance series in favor of expanding his creative horizons. But such a change doesn't come without consequences. After a near-fatal car accident in rural Colorado leaves his body broken, Paul finds himself at the mercy of the terrifying rescuer who's nursing him back to health—his self-proclaimed number one fan, Annie Wilkes. Annie is very upset over what Paul did to Misery and demands that he find a way to bring her back by writing a new novel—his best yet, and one that's all for her. After all, Paul has all the time in the world to do

so as a prisoner in her isolated house...and Annie has some very persuasive and violent methods to get exactly what she wants...

"King at his best...a winner!" —The New York Times

"Unadulteratedly terrifying...frightening." —Publishers Weekly

"Classic King...full of twists and turns and mounting suspense."

—The Boston Globe

Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review
