## KRISTOPHER QUINTIN

### Finding Faithful Elders and Deacons

Westminster John Knox  
Press

Examines Hebrews' exposition of Jesus' death, his self-offering in heaven at his ascension, and the link between them.

**Southern Cross** Wipf and Stock Publishers  
The American political scene today is poisonously divided, and the vast majority of white evangelicals play a strikingly unified, powerful role in the disunion. These evangelicals raise a starkly consequential question for electoral politics: Why do they claim morality while supporting politicians who act immorally by most Christian measures? In this clear-eyed, hard-hitting chronicle of American religion and politics, Anthea Butler answers that racism is at the core of conservative evangelical activism and power. Butler reveals how evangelical racism, propelled by the benefits of whiteness, has since the nation's founding played a provocative role in severely fracturing the

electorate. During the buildup to the Civil War, white evangelicals used scripture to defend slavery and nurture the Confederacy. During Reconstruction, they used it to deny the vote to newly emancipated blacks. In the twentieth century, they sided with segregationists in avidly opposing movements for racial equality and civil rights. Most recently, evangelicals supported the Tea Party, a Muslim ban, and border policies allowing family separation. White evangelicals today, cloaked in a vision of Christian patriarchy and nationhood, form a staunch voting bloc in support of white leadership.

Evangelicalism's racial history festers, splits America, and needs a reckoning now.

### Mainline to the Future

Felipe Chavarro  
Rookies may be fun to watch, but there is no substitute for experience. When the pressure mounts, you go with the veteran. That's why *Growing Your Church Through Evangelism and Outreach* can be such a vital resource. It is written by pastors and church leaders who spend their lives looking outward and

helping others do the same.

### The Paradox of Sonship Crossway

The Journey of Existing Churches into the Emerging Culture  
In our fast-growing post-Christian, postmodern culture, the church often finds itself marginalized and ineffective in mission. The new emerging church is both hopeful and frightening compared to more traditional forms of Christianity. However, these "two churches" need each other. *The Church in Transition* presents honest stories of the failures and successes of a variety of transitioning fellowships.

### Radical Depravity

Crossway

What does God think of us when we fail? Steve Roy has had to face his own failures. But his failures also drove him deep into what God thinks about us and success. He found that a biblically grounded view of success and failure challenges our preconceived notions but leads to hopeful renewal that goes beyond what we often ask or think.

*Renovation of the Church*  
InterVarsity Press

USA Today Bestseller  
Christianity Today 2022 Book Award Finalist  
(History & Biography) "A

powerful work of skillful research and personal insight."--Publishers Weekly Biblical womanhood--the belief that God designed women to be submissive wives, virtuous mothers, and joyful homemakers-- pervades North American Christianity. From choices about careers to roles in local churches to relationship dynamics, this belief shapes the everyday lives of evangelical women. Yet biblical womanhood isn't biblical, says Baylor University historian Beth Allison Barr. It arose from a series of clearly definable historical moments. This book moves the conversation about biblical womanhood beyond Greek grammar and into the realm of church history--ancient, medieval, and modern--to show that this belief is not divinely ordained but a product of human civilization that continues to creep into the church. Barr's historical insights provide context for contemporary teachings about women's roles in the church and help move the conversation forward. Interweaving her story as a Baptist pastor's wife, Barr sheds light on the #ChurchToo movement and abuse scandals in

Southern Baptist circles and the broader evangelical world, helping readers understand why biblical womanhood is more about human power structures than the message of Christ. Axiom Zondervan Pastors are tasked with the incredibly demanding job of caring for the spiritual, emotional, and, at times, physical needs of their people. While seminary is helpful preparation for many of the challenges pastors face, there's far more to pastoral ministry than what can be covered in the classroom. Designed as a reference guide for nearly every situation a pastor will face, this comprehensive book by seasoned pastors Kent Hughes and Doug O'Donnell is packed full of biblical wisdom and practical guidance related to the reality of pastoral ministry in the trenches. From officiating weddings to conducting funerals to visiting the sick, this book will equip pastors and church leaders with the knowledge they need to effectively minister to their flocks, both within the walls of the church and beyond. Growing Your Church Through Evangelism and Outreach Zondervan

During the mid-seventeenth century, Baptists existed on the fringes of religious life in England. Matthew C. Bingham examines this early group and argues that they did not see themselves as a part of a larger, all-encompassing Baptist movement. Rather, their rejection of infant baptism was but one of a number of doctrinal revisions then taking place among English puritans. Orthodox Radicals is a much needed complication of our understanding of Baptist identity, setting the early English Baptists in the cultural, political, and theological context of the wider puritan milieu out of which they arose. **What God Thinks When We Fail** Cambridge University Press Renowned pastor and New York Times bestselling author Timothy Keller writes the book his readers have been asking for: A year-long daily devotional, beautifully designed with gilt edges and a gold ribbon marker. The Book of Psalms is known as the Bible's songbook—Jesus knew all 150 psalms intimately, and relied on them to face every situation, including his death. Two decades ago,

Tim Keller began reading the entire Book of Psalms every month. The Songs of Jesus is based on his accumulated years of study, insight, and inspiration recorded in his prayer journals. Kathy Keller came to reading the psalms as a support during an extended illness. Together they have distilled the meaning of each verse, inviting readers into the vast wisdom of the psalms. If you have no devotional life yet, this book is a wonderful way to start. If you already spend time in study and prayer, understanding every verse of the psalms will bring you a new level of intimacy with God, unlocking your purpose within God's kingdom.

these "two churches" need each other. The Church in Transition presents honest stories of the failures and successes of a variety of transitioning fellowships.

**Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954**

The Good Book Company  
Considering the pervasive immorality and high divorce rate of our contemporary Christian culture, we evidently need a biblically based, theologically compelling, practical understanding of sex, dating, and relationships. Pastors Gerald Hiestand and Jay Thomas counteract this problem with their paradigm-shifting view of purity and relationships—a view that challenges even the basic assumptions of evangelical subculture. Unlike most books on dating, this one cuts straight to the heart of dating relationships, asserting with confidence that the line must be drawn at "no sexual activity" whatever. Few have dared to define and apply the Bible's understanding of purity in premarital relationships to this degree, but Heistand and Thomas have done it.

Furthermore, both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner. Sex, Dating, and Relationships adds a new, almost provocative voice to the conversation that, with straightforward theological insight, pleads with Christians to get serious about honoring Christ with their sexuality. *Publication Crossway*  
In an astonishing history, a work of strikingly original research and interpretation, Heyrman shows how the evangelical Protestants of the late-18th century affronted the Southern Baptist majority of the day, not only by their opposition to slaveholding, war, and class privilege, but also by their espousal of the rights of the poor and their encouragement of women's public involvement in the church.

Church in Transition

InterVarsity Press  
A daily devotional guide that uniquely takes an expository, rather than a thematic or topical, approach to Scripture. Each reading provides insight, as well as

suggestions for prayer and further study. Drawing Near Crossway

HOW DOES THE CHURCH REACH THE UNCHURCHED? We live in an increasingly post-Christian culture. More and more we find ourselves on the margins as less and less people have any intention of ever attending church. What used to work doesn't work anymore and we need to adapt. Helping us to see the way forward, this book offers practical ideas and personal stories for engaging with Western society. Find out how to effectively reach people in the context of everyday life and take hold of the opportunity to develop missional communities focused on Jesus.

The Making of Biblical Womanhood Crossway

A man who's been transformed by Christ and desires to preach the gospel might say he feels called to be a pastor. This personal conviction, while heartfelt, doesn't acknowledge important, challenging steps necessary to be a qualified leader. So where should full-time ministry begin? In *The Path to Being a Pastor*, Bobby Jamieson explains why it's better to emphasize "aspiration" over "calling"

as men pursue the office of elder and encourages readers to make sure they are pastorally gifted before considering the role. He shares from his own eleven-year experience preparing to be a pastor by walking potential leaders through different stages of ministry training, from practical steps—such as cultivating godly ambition and leadership, observing healthy churches, and mastering Scripture—to personal advice on building a strong family and succeeding in seminary. Emphasizing the importance of prayer, godly counsel, and immersion in the local church, Jamieson encourages men to ask Am I qualified? instead of Am I called? when considering a life in ministry.

*Orthodox Radicals* Viking

Every pastor struggles with demands for his time, and how to determine priorities in ministry. Some choose to respond to the most urgent needs, while others seek a more balanced and intentional approach. But what determines these priorities? Where should a busy pastor look for wisdom in making decisions? In the Pastor's

Ministry, pastor and author Brian Croft looks to the Scriptures to determine the top ten priorities for a faithful pastoral ministry. These biblically rooted responsibilities help pastors determine how to spend their time and with greater discernment respond to the demands of the church. Each of these priorities is rooted in a direct command of God's Word, including: Guarding the Truth Preaching and Teaching the Word Praying for the Flock Setting an Example Visiting the Sick Comforting the Grieving Caring for Widows Confronting Sin Encouraging the Faint-Hearted Identifying and Training Other Leaders To be successful and faithful in pastoral ministry, every pastor needs to understand these core callings and make them part of his regular practice. These ten responsibilities guide how a pastor schedules his time, helping him to lay the foundation for a biblically faithful ministry in his church.

The Pastor's Ministry HarperChristian Resources

Do you want to live for Jesus but struggle with what that means day by

day? The deep desire of our hearts to be close to God is so easily sidetracked by daily realities. This book is designed to cover the areas of faith and life that you most want to bring together under God's leadership: decision-making dating and relationships racial reconciliation suffering experiencing God loving your parents emotional healing time management everyday evangelism hope for times of failure Following Jesus is a wild and wonderful journey. It is perhaps the riskiest choice you will ever make. And the most rewarding. Come and see.

**1 Corinthians** Crossway "I can't imagine a college student—skeptic, doubter, Christian, struggler—who wouldn't benefit from this book." —Kevin DeYoung For many young adults, the college years are an exciting period of selfdiscovery full of new relationships, new independence, and new experiences. Yet college can also be a time of personal testing and intense questioning—especially for Christian students confronted with various challenges to Christianity and the Bible for the first time. Drawing on years of experience as

a biblical scholar, Michael Kruger addresses common objections to the Christian faith—the exclusivity of Christianity, Christian intolerance, homosexuality, hell, the problem of evil, science, miracles, and the reliability of the Bible. If you're a student dealing with doubt or wrestling with objections to Christianity from fellow students and professors alike, this book will equip you to engage secular challenges with intellectual honesty, compassion, and confidence—and ultimately graduate college with your faith intact.

**Held Knopf** How do you feel about doctrine? Whatever answer comes to mind, this book will not only convince you that sound doctrine is vital for living a godly life, it will also explain the essential role of theology in the life of a healthy church. Thinking rightly about God affects everything, from guiding us in practical issues to growing a church's unity and witness. This short, readable book shows how good theology leads to transformation, life, and joy. Part of the 9Marks: Building Healthy Churches series.

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 Zondervan

The best leaders not only lead well but also reflect on their leadership long enough and thoughtfully enough to articulate the philosophies that cause them to do so. Whether serving in the marketplace or in ministry, as executives or rank-and-file employees, as salaried staff or volunteer servants, good leaders can pinpoint the rationale for their actions and decisions with the ease of reciting their home address. In *Axiom*: author Bill Hybels divulges the God-given convictions that have dictated his leadership strategy for more than three decades as senior pastor of Willow Creek Community Church. Oriented toward four key leadership categories ... 1. Vision and strategy ('Promote Shameless Profitability,' 'Take a Flyer') 2. Teamwork and communication ('Obi-Wan Kenobi Isn't for Hire,' 'Disagree without Drawing Blood') 3. Activity and assessment ('Develop a Mole System,' 'Sweat the Small Stuff') 4. Personal integrity ('Admit Mistakes, and Your Stock Goes Up,' 'Fight for Your Family')

...Axiom brokers  
accessible wisdom from

one leader's journey, as  
well as emboldens you to  
nail down the reasons

why you lead like you  
lead.
