As a Metropolitan Elitist Snowflake, Stewart Lee was disappointed by the Brexit referendum result of 2016. But he knew how to weaponise his inconvenience. He would treat all his subsequent writing, until we left the EU, as interrelated episodes of a complete work. The cast of characters include Lemming-obsessed Michael Gove, violent tanning-salon entrepreneur Tommy Robinson and Boris Piccaninny Watermelon Bumboys Letterbox Cake Disaster Weightloss Haircut Bullshit Johnson. A dramatic chorus is made up of online commenters and Kremlin bots. And Lee himself would play the defeated, unreliable narrator-hero, whose resolve and tolerance would gradually unravel as the horror show dragged on. Until the 29 March, 2019, when it would all definitely be over Drawing on three years of newspaper columns, a complete transcript of the Content Provider stand-up show, and Lee's caustic footnote commentary, *March of the Lemmings* is the scathing, riotous record the Brexit era deserves. *March of the Lemmings* New York : AMS Press

The “intimate and expansive” (Time) memoir of “one of the most important artists working in the world today” (Financial Times), telling a remarkable history of China over the last hundred years while also illuminating his artistic process “Poignant . . . An illuminating through-line emerges in the many parallels Ai traces between his life and his father’s.”—The New York Times Book Review (Editors’ Choice) ONE OF THE BEST BOOKS OF THE YEAR: Time, BookPage, Booklist, Kirkus Reviews Once a close associate of Mao Zedong and the nation’s most celebrated poet, Ai Weiwei’s father, Ai Qing, was branded a rightist during the Cultural Revolution, and he and his family were banished to a desolate place known as “Little Siberia,” where Ai Qing was sentenced to hard labor cleaning public toilets. Ai Weiwei recounts his childhood in exile, and his difficult decision to leave his family to study art in America, where he befriended Allen Ginsberg and was inspired by Andy Warhol and the artworks of Marcel Duchamp. With candor and wit, he details his return to China and his rise from artistic unknown to art world superstar and international human rights activist—and how his work has been shaped by living under a totalitarian regime. Ai Weiwei’s sculptures and installations have been viewed by millions around the globe, and his architectural achievements include helping to design the iconic Bird’s Nest Olympic Stadium in Beijing. His political activism has long made him a target of the Chinese authorities, which culminated in months of secret detention without charge in 2011. Here, for the first time, Ai Weiwei explores the origins of his exceptional creativity and passionate political beliefs through his life story and that of his father, whose creativity was stifled. At once ambitious and intimate, Ai Weiwei’s *1000 Years of Joys and Sorrows* offers a deep understanding of the myriad forces that have shaped modern China, and serves as a timely reminder of the urgent need to protect freedom of expression.

PULITZER PRIZE WINNER • A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal *In Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the

story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter "to protect those who I love." When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

Harvey "Kid Curry" Logan was an outlaw, gunfighter and infamous member of the Butch Cassidy gang. With more than fifteen killings attributed to him, and given his involvement in the Butch Cassidy gang, "Kid Curry" was as renowned a figure as you were likely to find west of the Mississippi. Short of stature yet enormous in reputation, after Butch Cassidy and the Sundance Kid fled for South America, Logan became the most wanted outlaw in the United States. He was finally captured--only to escape from his Tennessee prison in 1903. Until now little has been readily known about the man nicknamed the "tiger of the wild bunch." With unique access to the research, author Gary Wilson deftly separates fact from fiction, providing readers with a complete and authoritative biography.

Twin Stepbrother Celebrity Simon and Schuster

From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for

National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M
