**RISC-V Edition** Vintage

319 color pages, 400 wild foods, plant localization maps for each plant (400 maps), paperback, great print quality, superior plant identification guidelines, recipes for each plant, full page photos of the plants, at least 3 pictures for each plant, medicinal uses. The Forager's Guide to Wild Foods is probably the most important thing you want to have by your side when you go out foraging. Maybe there are times when you're still not sure about a certain plant and you need to consult the book, despite your vast experience. Or maybe you don't have experience at all and just want to find wild goodies using the book. This book is the ultimate resource for every home, kept right next to your emergency foods, in your Bug out Bag, on your coffee table, or in your bookcase. You can use this book to put food on your table in case hard times are coming ahead. This knowledge is better at your fingertips now, as you might not be able to get it when you need it the most. You can also use the book to make your own remedies from plants growing around you. Inside The Forager's Guide to Wild Foods there are hundreds of medicinal plants and detailed, super simple instructions on how to take advantage of them. A lot of high-priced foods you find labeled as ORGANIC, are nothing compared to the ones that grow in the wild. Wild foods mean no GMO, no pesticides, herbicides or harmful contaminants. There are no foods healthier than the ones you pick yourself in the wild. This is FREE food and it's completely up for grabs. The plant knowledge is no longer taught as it has been for thousands of generations

before us. If we don't do something about it, this knowledge will be lost forever and one day we might pay the ultimate price for this. When you were growing up, it was probably your parents or grandparents that helped you identify your very first berry.

**Warrior** North Atlantic Books

When Natalie Tyler arrives in Chicago to attend her cousin's wedding, she is just hoping to survive the week with her estranged family... And her ex-fiancé. One week. One uneventful week at the beautiful Hotel Jefferson, is all she has to endure before she can return to her quiet life in Miami. However, fate has other plans. A split second decision, unknowingly puts her in the path of one of the city's wealthiest bachelors. And one of the deadliest. She finds herself thrust into a world she does not understand. The world of Jaxon Pace. Billionaire. Hotelier. Mafia Boss. In an expansive underworld of crime, violence and deceit, Jaxon is king. He is heartless, ruthless, and runs the city with an iron fist. Jaxon is used to getting what he wants, no matter the cost. However, Natalie did not come to Chicago for love, and certainly not for an ungrateful, spoiled playboy with a god complex. But soon she begins to wonder if there is more to this handsome and mysterious man than meets the eye? Entangled in their fiery romance, and a fleeting hope of happiness, Jaxon sets his sights on the beautiful and charismatic Natalie Tyler. But his enemies have noticed Natalie too. Can Jaxon win Natalie's heart, before everything goes up in flames? Their passionate romance will take you on a heart pounding wild ride of suspense, mystery, and chemistry so explosive, it could set the whole city on fire! This is Book 1 of 4 in the Heart of the Inferno

Series.

*Frozen Heat* JHU Press

The paleontologist and professor of anatomy who co-discovered Tiktaalik, the “fish with hands,” tells a “compelling scientific adventure story that will change forever how you understand what it means to be human” (Oliver Sacks). By examining fossils and DNA, he shows us that our hands actually resemble fish fins, our heads are organized like long-extinct jawless fish, and major parts of our genomes look and function like those of worms and bacteria. *Your Inner Fish* makes us look at ourselves and our world in an illuminating new light. This is science writing at its finest—enlightening, accessible and told with irresistible enthusiasm.

*Heat Kernels and Dirac Operators* Harper Collins

Ollie. Forget everything you thought you knew. Hell, I don't even know myself anymore. For seven months I've been gone only to come back to be tested in every way possible. They say keep your enemies close, and my demons welcomed me back with open arms. My downfall is a necessary evil. But Mia is my endgame. Mia. Seven months ago, Ollie surrendered to the darkness, abandoning me in the process. He stripped me of my walls only to leave me defenseless. Now he's back, along with fresh new faces and obstacles standing in our way. He says trust no one. Not even him. How am I supposed to be strong for us both when I'm losing my grip? "Just stay with me, Mia." "Even when you're gone?" "Especially when I'm gone."

*Wolf Forever* Createspace Independent Publishing Platform

In this #1 New York Times bestselling follow-up to *True Believer*, a young

couple's love faces the ultimate test when the past disrupts the life and family they've built together. There are a few things Jeremy Marsh was sure he'd never do: he'd never leave New York City; never give his heart away again after barely surviving one failed marriage; and, most of all, never become a parent. Now, Jeremy is living in the tiny town of Boone Creek, North Carolina, married to Lexie Darnell, the love of his life, and anticipating the birth of their daughter. But just as his life seems to be settling into a blissful pattern, an unsettling and mysterious message re-opens old wounds and sets off a chain of events that will forever change the course of this young couple's marriage. Dramatic, heartbreaking and surprising, this is a story about the love between a man and a woman and between a parent and a child. More than that, it is a story that beautifully portrays how the same emotion that can break your heart is also the one that will ultimately heal it. While the novel picks up the tale of Lexie Darnell and Jeremy Marsh that started in *True Believer* and will delight fans of that novel, it stands on its own as one of Nicholas Sparks's most deeply moving love stories.

*Always Get the Name of the Dog* Millbrae, Calif. : Les Femmes Pub.

At long last, Sarah Britton, called the “queen bee of the health blogs” by *Bon Appétit*, reveals 100 gorgeous, all-new plant-based recipes in her debut cookbook, inspired by her wildly popular blog. Every month, half a million readers—vegetarians, vegans, paleo followers, and gluten-free gourmets alike—flock to Sarah’s adaptable and accessible recipes that make powerfully healthy ingredients simply irresistible. *My New Roots* is the ultimate guide to revitalizing one’s health and palate, one

delicious recipe at a time: no fad diets or gimmicks here. Whether readers are newcomers to natural foods or are already devotees, they will discover how easy it is to eat healthfully and happily when whole foods and plants are at the center of every plate.

**The Abominable Snowman of Pasadena (Classic Goosebumps #27)** Createspace Independent Publishing Platform

NYPD Homicide Detective Nikki Heat gets more mystery than she imagined when she arrives at her latest crime scene. The body of an unidentified woman has been found stabbed to death and stuffed inside a suitcase left sitting on a Manhattan street. A startling enough death, but an even bigger shock comes when this new homicide surprisingly connects to the unsolved murder of Detective Heat's own mother. The gruesome killing of this Jane Doe launches Heat on a dangerous and emotional investigation, rekindling the cold case that has haunted her since she was nineteen. Paired once again with her romantic and investigative partner, top journalist Jameson Rook, Heat works to solve the mystery of the body in the suitcase while she also digs into unexplored areas of her mother's background—areas Nikki has been afraid to confront before, but now must. Facing relentless danger as someone targets her for the next kill, Heat's search will unearth painful family truths, expose a startling hidden life, and cause Nikki to reexamine her own past. Heat's passionate quest takes her and Rook from the back alleys of Manhattan to the avenues of Paris, trying to catch a ruthless killer. The question is, now that her mother's cold case has unexpectedly thawed, will Nikki Heat finally be able to solve the dark mystery that has been

her demon for ten years?

**Bad Idea** Nicole Fiorina Books, Incorporated

Once upon a time, there lived a girl named Fallon, who was taken far away from home shortly after she was born. A home that held more than strange traditions and bizarre

superstitions. Twenty-four years later, she returned to Weeping Hollow, a haunting town she'd only heard about in stories during restless nights under a marble moon, to meet her last living relative. They called her a freakshow--a ghost. They said I couldn't go near her. Still, there was this aching pull to Fallon Grimaldi that I couldn't escape. A nostalgic pull as if we'd been here before. Once upon a time, there lived a mysterious man named Julian with a curse as old as centuries wrapped around his soul. He was one of the four Hollow Heathens, the very dark creatures who caused the town's people to live in fear. And the Blackwell name was stained with darkness and death. They called him a monster. Cold and hollow. They said I shouldn't go near him. Still, there was this aching pull to Julian Blackwell that I couldn't escape. A nostalgic pull as if we'd been here before.

*Feral Sins* Crown

"If there isn't a risk, is it worth wanting at all?" Starting Forward for the Tennessee Trojans Nikolas Verette hasn't always lived the golden life. After personal setbacks placed barriers in his path to professional basketball superstardom, he took to approaching life with the motto "you miss 100% of the shots you don't take". Following his passions leads him to an opportunity of a lifetime, but he is in need of a slight bit of assistance to achieve his goal. Enter Jayde Turner, a smart-mouthed, straight

shooter who is grappling with her own set of roadblocks that are in her path as she tries to achieve her childhood dream of becoming a popular country singer. Moving from her tiny hometown in rural Tennessee to Nashville was supposed to be the major key to her success, but instead she consistently faces narrow-minded individuals and stereotyping based on her appearance. A common interest and shared goal eventually causes Nikolas and Jayde's paths to converge. Both of them are operating with a single-minded focus that is consistently detoured by the underlying current of...undeniable chemistry between them. The further along the road they travel, the more their individual goals morph into a singular focus-maintaining their sanity and connection in a world that constantly threatens both. Set in "The Athens of the South" Nashville, Tennessee, The "Nymphs & Trojans" series is a sports romance collaboration by Nicole Falls and Alexandra Warren that follows two fictional professional basketball franchises - the Nashville Nymphs Women's Team and the Tennessee Trojans Men's Team.

VDI Heat Atlas Bloomsbury Publishing USA

These U.S. Marines are always the first to fight when it comes to their country...or the women they love. One night with a hero. MARSOC Operator Benjamin Hart is used to having control in all things. As his Team's Joint Terminal Attack Controller, he's always responsible and contained. His careful composure snaps when he sees Olivia "Livvie" Walker, his best friend's little sister. She's a spitfire with heated looks and smart mouth to match. He comes alive when he's around her and for once he throws caution to the wind and

spends a night with her before he deploys to parts unknown. One secret. Livvie has always wanted Ben and even though sensibility tells her to steer clear, her heart can't resist. The night was supposed to be no-strings-attached until it produces consequences neither of them had anticipated. When she reaches out to Ben without success, she decides to forget him-and how safe she felt in his arms. One man who can save her life. When Ben returns after a career-ending injury, Livvie has no other choice but to come clean. Until a devastating attack bares her secret on national news before she has a chance. She has only one way to repair the damage. She must confess to the man she lied to. The only man who could save what they had created together.

Stay with Me Bolero Books, LLC

Monsters are real... and I'm in love with them. I've always been the quiet wallflower. Invisible. Unremarkable. No friends, and no memories worth having. Coasting through my last year of college, I take a chance on a frat party, and wake up later surrounded by monsters. What follows is an encounter I couldn't scrub from my brain if I tried. Worst of all, I don't want to. I'm tossed into their world, where any hope of escape is wrecked by the filthy-mouthed alpha and his pack's obsession with me. They show me pleasure--and pain--like I never thought possible. Even love. But our fledgling bonds are tested too soon, as we're pitted against rival packs, ancient foes, warring factions, crazy zealots, and an illusion of choice which could leave me irreversibly changed. Contains: ✓ Multi-pov ✓ Inter-pack relationships ✓ Unique world-building ✓ A veritable buffet of pairings △ This is a dark book, with content not suitable for persons who clutch their pearls. *Love, Magic and Misfortune* Jayne Blanchard

Three friends experiencing life's uncertain changes decide they need relaxation beyond the usual girls' night out. A friend tells them about, The Den, an upscale male strip club. They find out the club is a shell of what really lies beneath--and soon, the ladies are venturing into their mind and body's wildest desires. This is Asia McClendon's story.

*Stiff* Grand Central Publishing

"Show Them a Good Time is a master class in the short story--bold, irreverent and agonizingly funny." Sally Rooney, Author of *Normal People* and *Conversations with Friends* Show Them a Good Time tells the stories of women slotted away into restrictive roles: the celebrity's girlfriend, the widower's second wife, the lecherous professor's student, the corporate employee. But these women are too intelligent, too ferociously mordant and painfully funny to remain in their places. In "Not the End Yet," Flattery probes the hilarious and wrenching ambivalence of Internet dating as the apocalypse nears; in

"Sweet Talk," the mysterious disappearance of local women sets the scene for a young girl to confront the dangerous uncertainties of her own sexuality; in "Abortion, A Love Story," two college students in a dystopian campus reconfigure the perilous stories of their bodies in a fraught academic culture to offer a subversive play that takes over their own offstage lives.

Together, the stories in *Show Them a Good Time* provide a riveting, hilarious introduction to one of today's most original young writers.

*The Teen Years Explained* Anne Malcom

Vegetarian recipes from a food blogger with "a talent for enticing and boldly flavored creations, in recipes that are colorful, thoughtful, and fresh" (Heidi Swanson, New York Times--bestselling author of *Super Natural Cooking*). In *Herbivorous: A Vegetarian Cookbook for People Who Love to Eat*, food blogger Michael Natkin offers up 150 exciting recipes (most of which have not appeared on his blog) notable both for their big, bold, bright flavors and for their beautiful looks on the plate, the latter apparent in more than 80 four-color photos that grace the book. An indefatigable explorer of global cuisines, with particular interests in the Mediterranean and the Middle East and in East and Southeast Asia, Natkin has crafted, through years of experimenting in his kitchen and in loads of intensive give-and-take with his blog readers, dishes that truly are revelations in taste, texture, aroma, and presentation. You'll find hearty main courses, ranging from a robust Caribbean Lentil-Stuffed Flatbread across the Atlantic to a comforting Sicilian Spaghetti with Pan-Roasted Cauliflower and around the Cape of Good Hope to a delectable Sichuan Dry-Fried Green Beans and Tofu.

An abundance of soups, salads, sauces and condiments, sides, appetizers and small plates, desserts, and breakfasts round out the recipes. Natkin, a vegetarian himself, provides advice on how to craft vegetarian meals that amply deliver protein and other nutrients, and the imaginative menus he presents deliver balanced and complementary flavors, in surprising and utterly pleasing ways. The many dozens of vegan and gluten-free recipes are clearly noted, too, and an introductory chapter lays out the simple steps readers can take to outfit a globally inspired pantry of seasonings and sauces that make meatless food come alive. Yoga Sequencing Springer Science & Business Media

Words are my weapon. Stories wrap around my soul, choking me, capturing you. I don't work in dreams. I don't offer escapes. I cage you within my nightmares. Magnolia Grace is a horror writer, despite what the name might suggest. One of the best in the business, if you asked around. Pressure comes with that title. Expectation for the next nightmare. The next bestseller. Sickness. That's what it is. She can't be healthy. Because that means she won't write. And she hasn't been writing. A looming deadline and a crumbling psyche drive her into the woods. To a cabin which was the site of a grizzly murder. A serial killer, butchering women, toying with her. Her plan is to borrow some of the horror that seeped into the soil. But hers follows her. The woods are meant to be her escape. But they are almost her demise. Almost. He was an unlikely saviour. An unexpected muse. He has horrors of his own. A motorcycle club looking to settle a score. A soul too broken to offer her anything but pain. What Happened After... Harper Collins

My baby's father wants me dead. I didn't ask to carry a mobster's baby. But he never gave me a choice. The man who gave me my son stole my innocence in return. And now, his Bratva brother is coming to finish what he started. Viktor Kornilov is a cold-blooded beast. His name alone makes my blood run cold. But his cruel touch makes my heart beat faster and faster. We're trapped in a high-stakes game of lies and violence. One wrong move, and he'll take my son away. So when he gives me his sinful offer—become his fake wife or become his latest victim—The only answer I can give is yes. Married to the Don is the first book in the dark romantic suspense Kornilov Bratva duet. NOTE: This book contains dark themes and may be disturbing for some readers.

My New Roots Nicole Fiorina Books, Incorporated

#1 NEW YORK TIMES BESTSELLER • “The Uninhabitable Earth hits you like a comet, with an overflow of insanely lyrical prose about our pending Armageddon.”—Andrew Solomon, author of *The Noonday Demon* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • The New York Times Book Review • Time • NPR • The Economist • The Paris Review • Toronto Star • GQ • The Times Literary Supplement • The New York Public Library • Kirkus Reviews It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible—food shortages, refugee emergencies, climate wars and economic devastation. An “epoch-defining book” (The Guardian) and “this generation’s *Silent Spring*” (The Washington Post), *The Uninhabitable Earth* is both a travelogue of the near future and a meditation on how that

future will look to those living through it—the ways that warming promises to transform global politics, the meaning of technology and nature in the modern world, the sustainability of capitalism and the trajectory of human progress. The Uninhabitable Earth is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation—today’s.

LONGLISTED FOR THE PEN/E.O. WILSON LITERARY SCIENCE WRITING AWARD

“The Uninhabitable Earth is the most terrifying book I have ever read. Its subject is climate change, and its method is scientific, but its mode is Old Testament. The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet.”—Farhad Manjoo, *The New York Times* “Riveting. . . . Some readers will find Mr. Wallace-Wells’s outline of possible futures alarmist. He is indeed alarmed. You should be, too.”—*The Economist* “Potent and evocative. . . . Wallace-Wells has resolved to offer

something other than the standard narrative of climate change. . . . He avoids the ‘eerily banal language of climatology’ in favor of lush, rolling prose.”—Jennifer Szalai, *The New York Times* “The book has potential to be this generation’s *Silent Spring*.”—*The Washington Post* “The Uninhabitable Earth, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book.”—Alan Weisman, *The New York Review of Books*

**Quantum Steampunk** Courier Dover Publications

When female wolf shifter Taryn Warner first encounters Trey Coleman, an alpha male wolf shifter with a dangerous reputation, she's determined to resist his charms. But Taryn finds herself drawn in by Trey's forceful demeanor and arctic-blue eyes, and she eventually agrees to enter an uneasy alliance with him. If the two succeed in convincing their respective packs that they've chosen each other as mates, Trey will win valuable political allies, while Taryn will escape an odious arranged mating. Will they be able to maintain the clear heads needed to pull off the deception?
