Temptations Men Face Macmillan

Contrary to earlier approaches, this study suggests that Modern Greek (MG) is a language that exhibits reduplication, in the form of Total Reduplication (TR). The analysis addresses the morphosyntactic, phonological, semantic and pragmatic aspects of the types of TR in MG, and the constraints and/or preferences of speakers concerning their use. The typology of TR

focuses on four cross-linguistically common meanings/functions, identified as the intensive, the contrastive, the distributive and the iterative. Part of the analysis of these functional types is based on data that come from two experiments with native speakers; the one confirms or refines earlier assumptions on to the relation of the above meanings/functions with word classes and semantic features of words; the other clarifies the idea of prosodic unity in TR and sheds light into various aspects of the relation of intonation with the interpretation of TR

constructions. Also, the formal and lexical constraints on the use of TR are discussed with respect to the status of TR (particularly, the "grammatical"- "lexical" opposition). In general, TR seems to be a borderline case between grammar and the lexicon and a heterogeneous category, in that it involves grammatical, pragmatic and lexical construction types. However, the constructions in question meet highly specific criteria for their status as TR types and the process is productive and considerably regularized (rule-governed) in MG. In this sense, TR should not be

merely taken as a strategy for "emphasis", but should be systematically represented in grammar textbooks.

Translating Simone de Beauvoir's The Second Sex Bloomsbury Publishing

This collection offers insights into the transnational and translingual implications of Simone de Beauvoir's *Le Deuxième Sexe* (The Second Sex), a text that has served as foundational for feminisms worldwide since its publication in 1949. Little scholarly attention has been devoted to how the original French-language source text made its way into languages other than English. This is a shocking omission, given that many (but by no means all) other translations were based on the 1953 English translation by Howard M. Parshley, which has been widely criticized by Beauvoir scholars for its omissions and careless attention to its philosophical implications. This volume seeks to fill this gap in scholarship with an innovative collection of essays that interrogate the ways that Beauvoir's essay has shifted in meaning and significance as it has travelled across the globe. This volume brings together for the first time scholars from Translation Studies, Literary

Studies and Philosophical Studies, and over half of it is dedicated to non-Western European engagements with *Le Deuxième Sexe* (including chapters on the Chinese, Japanese, Arabic, Hungarian and Polish translations). As such, this collection will be essential to any scholar of Beauvoir's philosophy and its contributions to feminist discourses.

Film Review Taylor & Francis

'A barnstorming epic of the '80s British Left' Hari Kunzru, author of *Red Pill Paul*, ex-tube driver and drinking partner of legendary Union leader Bob Crowe turns up at Essex University in the early 1980s haunted by the death of his colleague on the tracks. Thrown into the radical mix of Student Union life and the academic intoxication of post-modern theory taught by the likes of Ernesto Laclau, Jacques Derrida and a very young Slavoj Zizek, Paul befriends the novel's unnamed narrator. What follows is a riotous attempt to put the 20th Century to bed, as seen through the eyes of the foot soldiers of British history. From Miners strikes to IRA collection buckets, ANC demonstrations and some very dodgy handling of Soviet money, *Our Struggle* climaxes with a

devastating denouement in modern day Kurdistan. Holloway's epic tale asks the big questions, does what we think, what we say and what we do ever match up? Or are we destined to fall short of the ideals we think we cherish?

In *Glory, Grace, and Truth*, Alexander Tsutserov argues that three concepts of the revelation of God as Jesus are unfolded throughout the Gospel of John in terms of a ratification of the covenant of the presence of God. The covenantal aspects of "glory," confirming the presence of God, are evident in Jesus: the visible appearance of God; the intrinsic character of God; the miraculous splendor of God (in Jesus's incomparable signs, deeds, wonders, and marvelous acts); and the divine honor of God (in the Son glorified by the Father). "Grace upon grace" alludes to the requests to confirm the presence of God. All believers gained the grace of the presence of God in Jesus, rather than Moses alone encountering the grace of the presence at Sinai. The Gospel of John depicts ratification of the covenant of the presence of God in Jesus according with the covenantal articles. "Grace and truth"

alludes to Exodus 34:6. Each allusion in John depicts the full graciousness and integrity of God's character. The Son possesses and bestows the Father's character onto believers by means of the Holy Spirit, who is full of "grace and truth." The divine character and the divine Law complement each other in believers, thus fulfilling the Scripture. In essence, the revelations of God at Sinai and in Jesus are the same. In quality, the latter surpasses the former in all three aspects: glory, grace, and truth.

In this coming-of-age story, Timothy Wangusa tells the tale of a young boy struggling to reconcile between his Christian beliefs and his village's ancient traditions. Upon this Mountain captures a time of profound religious change and colonialism in rural Uganda. Mwambu, a schoolboy living in eastern Uganda, is certain that if heaven is anywhere, it must be at the highest peak of their village's mountain – so he is shocked to discover that his father has never tried to reach it. While on a quest to climb to the top, Mwambu finds himself on a journey of self-realisation, confronted with the contradictions of his childhood. As the values of Christianity collide with the traditions of his ancestors, the path to adulthood becomes increasingly treacherous...

The unforgettable story of everyone's favorite giant—and a life cut short—wrestler and actor Andre the Giant. At seven-foot-five, four hundred and fifty

pounds, André the Giant was a living, breathing legend—a behemoth taking on all comers. Billed as “the Eighth Wonder of the World,” he was the greatest attraction in sports entertainment and one of the most famous athletes in the world. André the Giant: A Legendary Life is the story of how his enormous charisma and undeniable presence aided World Wrestling Federation's explosive rise to the forefront of popular culture. André's battles with such rivals as Ernie Ladd, Killer Khan, Big John Studd, Jake “The Snake” Roberts, and Randy “Macho Man” Savage are certifiable classics, while his epic WrestleMania III match with Hulk Hogan—before 93,000—still holds the record for largest attendance. Outside the ring, André Roussimoff was equally formidable—his voluminous appetite for life is the stuff of legends. Moreover, André was among the first wrestlers to cross over into pop superstardom with roles in such television series as The Six Million Dollar Man and films like The Princess Bride. André's incredible tale is told through his most memorable matches, with reminiscences and recollections from the people closest to him. In addition to blow-

by-blow analysis of his greatest in-ring triumphs, author Michael Krugman takes us behind the curtain to see how this amazing athlete struggled with his size and his stardom, as well as his fight with crippling pain caused by both his profession and the disease that made him who he was. *André the Giant: A Legendary Life* is the true-life tall tale of one of the most influential and adored Superstars in sports entertainment history.

John Dies at the End is a genre-bending, humorous account of two college drop-outs inadvertently charged with saving their small town--and the world--from a host of supernatural and paranormal invasions. Now a Major Motion Picture. "[Pargin] is like a mash-up of Douglas Adams and Stephen King... 'page-turner' is an understatement." —Don Coscarelli, director, *Phantasm I-V*, *Bubba Ho-tep STOP*. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not want to know

about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.

"Offbeat, disturbing, and sometimes darkly comical" crime stories set in upstate New York by Joyce Carol Oates, Lawrence Block, S.J. Rozan, and more (Kirkus Reviews). Buffalo is still the second-largest metropolis in New York State, but in recent years its designation as the Queen City has been elbowed aside by a name that's pure noir: The City of No Illusions. Presidents came from here—and in 1901 while visiting the Pan-American Exposition, a president was killed here by a man who checked into a hotel under a name that translates as Nobody. As Buffalo saw its prosperity wane, those on the outside could only see harsh winters and Rust Belt grit, chicken wings, and sports teams that came agonizingly close. This collection of crime stories is both a treasure for mystery fans and an atmospheric tour of this moody, gritty city. Featuring brand-new stories by Joyce Carol Oates, Lawrence Block, Ed Park, Gary Earl Ross, Kim Chinquee, Christina Milletti, Tom Fontana, Dimitri Anastasopoulos, Lissa Marie Redmond, S.J. Rozan, John Wray, Brooke Costello, and Connie Porter. "From the Irish enclave of South Buffalo and a Niagara Street bar to a costly house in

Nottingham Terrace and a once-grand Gothic structure in Elmwood Village, Buffalo's past and present come to life . . . by authors who really know their city." —Kirkus Reviews "Contributors include several mystery heavyweights. . . . Those curious about the criminal side of the second-biggest city in New York will be rewarded." —Publishers Weekly "Each story represents a different neighborhood and cross-section of the city, and the resulting collection feels like a vivid, comprehensive tour of a distinctive place, administered by locals. There's nothing quite like noir to shine a light, after all." —Los Angeles Review of Books "Original short stories by established local authors with flawless credentials . . . Together, the stories cover cityscapes well-known to Buffalonians—to name a few, Elmwood Avenue, Niagara Street, Black Rock, North Park, Delaware Park, and Allentown. Local landmarks Peace Bridge and the Anchor Bar made it in there, too." —Examiner "Superb." —The Buffalo News

The purpose of this collection of articles is to map out the gender ideologies found in Finnish folklore and to raise questions about the processes behind their production, interpretation and transformation. Several authors in this study examine the ways in which, through cultural forms of expression and representation, gender has been used in Finland and in Karelia to symbolically organise such categories as the human body, human environment, 'inside' versus 'outside', and 'this world' versus 'other world'.
