**Paper Girls: the Complete Story** Simon and Schuster  
 Special edition slipcase edition of John Green's *Paper Towns*, with pop-up paper town. From the bestselling author of *The Fault in our Stars*. Quentin Jacobsen has

always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

Wonderful things are being invented every day in Al Pha's world—fire, the wheel, even shadows! His big chance to be part of history comes when the King announces that the twenty-six recently invented letters need to be put in order. Al makes a bet with himself that he's the man for the job. Through a series of funny events, he eventually finds the perfect order for the letters, and the king rewards him by naming his creation the "Alphabet." Sure to entertain and engage young readers, this book turns the ABC's inside out. Kids will laugh at the quirky illustrations and clever wordplay, while wondering where the alphabet really did get its order.
