Aki Ola Elective Mathematics Slibforyou  
I was into the Aki Ola math because  
Mathematics was my favorite subject.  
Aki Ola is the simplest book to use when  
starting from scratch. It was user friendly  
and has a lot of examples and sample  
questions that give detailed  
explanations. In my final year in SHS,  
2016 WASSCE, it was Aki Ola we

depended on for past questions and  
flexibility. Aki Ola Publications | Home
