The Personal Touch What You Really Need To Succeed In Todays Fast Paced Business World

Downloaded from blog.gmercyyu.edu by guest

BRICE JAYLEN

You're My Little Baby Inner Traditions / Bear & Co

"This book is positive and assertive without being frightening. It lets young children know that it's all right for them to choose when, and by whom, they are to be touched."--"School Library Journal." Full color.

The Personal Touch Ulysses Press

An entertaining picture book that teaches the importance of asking for permission first as a young girl attempts to escape the curious hands that want to touch her hair. It seems that wherever Aria goes, someone wants to touch her hair. In the street, strangers reach for her fluffy curls; and even under the sea, in the jungle, and in space, she's chased by a mermaid, monkeys, and poked by aliens...until, finally, Aria has had enough! Author-illustrator Sharee Miller takes the tradition of

appreciation of black hair to a new, fresh, level as she doesn't seek to convince or remind young readers that their curls are beautiful--she simply acknowledges black beauty while telling a fun, imaginative story.

The New Relationship Marketing DigiCat

Judi Bland has turned her love of reading into a passion for writing with the completion of three novels in the past year. She lives in Northern California with her husband, Larry, and is the mother of two grown children and the stepmother of four. She didn't die - her husband did. After twenty years of marriage he was taken from her suddenly and tragically in a plane crash. Now she has to deal with the prospect of "getting on with her life" - whatever that might mean. Cajoled into placing a personal ad, she's intrigued by the responses she receives. Finally, caving in to pressure from her friends she makes the phone call that leads her to her future - Cole Roberts. Cole's dazzling sense of humor is exactly what she needs and when she meets him she is overpowered by his warmth and charm. DeAnna is a strong woman - she's proven that - but the thought of a relationship with someone new at 40 plus years of age is a harrowing thought. Can she trust this

newfound love? Can she overcome the hurdles being placed between her and happiness and let herself believe that it's possible to have two great loves in a lifetime?

USBE/HE Professional Little Simon

Essays by Mienke Simon Thomas, Eric Turner, Lynn Springer Roberts, Veena Duncker, Reinhard Sanger.

My Body! What I Say Goes! - Activity Book iUniverse

Terrie Williams, president of the renowned public relations agency that bears her name, tells her extraordinary story, and shares simple and inspiring strategies anyone can use to achieve their goals and dreams.

From My Kitchen to Yours Tebbo

If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What

they do not know—the cause of the argument—is crucial. So let me tell you...

Collier's Open Road Media

Whether it's handling office politics, turning small talk into BIG TALK, finding a mentor, or conducting successful business deals over meals, Susan RoAne offers tips to interact and connect with ease and confidence in shared social space. Email, texting, BlackBerry, Facebook: more and more, technology dominates our communication. We are often tuning out those around us—to the point of emailing the person at the next desk or surreptitiously checking our BlackBerrys during a meeting. Practical and eminently readable, Face to Face belongs in every handbag or briefcase to help today's professionals succeed in the workplace and the public space.

Growing Up Educate2empower Publishing

First published in 1980, The Jordanians presents historical and statistical data as well as an entertaining and witty narrative that treats the reader to a peek into the Middle Eastern cultural heritage, its diversity and humanity. It shows why even after drastically changing their lifestyles to keep up with the world around them, the Arabs still cling to their traditions of humanity, compassion and hospitality. This second edition, republished on the occasion of the 100th year of establishment of Jordan, includes a new foreword by economist and former Minister Dr. Yusuf Mansur, a new introduction, and never before seen restored pictures of Jordan during its early years as well as updated statistics.

Every Day Grand Central Publishing

DIVDIVIn Caroline B. Cooney's classic tale of friendship and first love, a teenage girl discovers that the boy who's always made her life a misery has suddenly morphed into a tall, gorgeous stranger/divDIV Sunny Compton lives in the third-oldest house in Sea's Edge. She loves life in this timeless New England resort town—until the summer people descend, like the Lansberrys, whose son, Tim (whose name Sunny considers an acronym for "Terrible Infuriating Monster"), exists to make everyone's life miserable. Now it's April 30, and Sunny has exactly thirty days to find a job before the monster's return./divDIV But something happened between last year and now. The scrawny, freckled kid who ran over her mother's roses with his father's car has become this completelyother person. When did Tim get so tall? Wasn't he totally uncoordinated last summer? And he's so gallant and well mannered. Worst of all, Sunny's been secretly hoping for a handsome boy to sweep her off her feet. And she's gotten . . . Tim./divDIV A book filled with the joy, wonder, and anguish of first love, The Personal Touch is about finding that special someone in a place—and a person—you never expected . . . and the thrill of those endless summer nights that will never come again. /div/div

Mentor to Millions Palala Press

The co-developer of Therapeutic Touch encourages us to acknowledge our own innate healing abilities and provides experiential exercises to teach the basic techniques of this widely used healing modality.

Grace's Sweet Life Simon and Schuster

This morning, the very first man I met, I was constrained to speak to about Jesus. I introduced myself by asking him if he had been to the mission. He said, 'Yes, I was at the Grand Theatre last Sunday afternoon.' 'Well, ' I said, 'did you give your heart to the Lord?' 'No, ' he replied, 'I did not.' I said 'Why?' 'Because I missed my opportunity, ' was his answer. I said to Him, 'Will you do it now?' 'Do it now!' he exclaimed.

'Do it now!' he exclaimed.

Face to Face Sterling Publishing Company, Inc.

The Saint Makers Columbia University Press

From My Kitchen To Yours: Food, Love And Other Ingredients celebrates how Maria Goretti lives her life, with memorable recipes from her mother's East-Indian spreads, aromas from her grandmother's kitchen, and the food that she has seen, touched and tasted over her many travels across India, and the world, as a VJ with MTV. Add to that, all those delicious dishes she has eaten at her friends' homes, especially those sinful desserts that she loved, which she tried and tried till she got them right. Divided into monthly menus with soups, salads, starters, non-vegetarian and vegetarian main course dishes, and desserts, the recipes are simple and delicious. With a foreword by actress and politician Jaya Bachchan, the book presents a six-course meal layout for each month, and easy-to-make recipes with ingredients readily available in any home kitchen. It contains an array of both vegetarian and non-vegetarian recipes.

The Personal Touch John Wiley & Sons

Collects recipes for Italian desserts and pastry, including chocolate and cherry cake, Italian peach cookies, and custard tarts.

The Personal Touch Sourcebooks, Inc.

USBE/HE Professional Edition is a bi-annual publication devoted to engineering, science and technology and to promoting opportunities in those fields for Black and Hispanic Americans.

Don't Touch My Hair! Hay House, Inc

If you are serious about being a disciple of Jesus Christ—really, truly serious—a discipleship group can help you achieve that goal. Jesus established this model for us by forming and leading the first discipleship group—and it worked. The men who emerged from that group took the gospel to the world and ultimately laid down their lives for Christ. Discipleship groups can create an atmosphere for fellowship, encouragement, and accountability—building an environment where God can work. In *Growing Up: How to Be a Disciple Who Makes Disciples*, Robby Gallaty presents a practical, easy-to-implement system for growing in one's faith. This guide offers a manual for making disciples, addressing the what, why, where, and how of discipleship. D-Groups, as Gallaty calls them, can teach you and others how to grow your relationship with God, how to defend your faith, and how to guide others in their relationships with God. *Growing Up* provides you with an

interactive manual and resource for creating and working with discipleship groups, allowing you to gain positive information both for yourself and for others as you learn how to help others become better disciples for Christ.

The Personal Touch Mysterious Press

When Sophica was abruptly separated from her father as a toddler, she found a haven in Grandmother Gitté. But one sunny day in July, when she was six years old, gendarmes marching and shouting in the streets stopped her dreamy childhood and her hopes to go to school and to be a big girl like her sister. She was deported together with her mother and the whole of the Jewish community of Mihaileni, Romania. On foot, through icy fields, they arrived in eastern Ukraine, a strip of land called Transnistria. Death, illness, brutality, shame, became her daily scenes. Sophica suffered hunger and fear but kept her hopes and sanity, albeit losing her sister and her father and witnessing her mother being viciously attacked. She survived typhus and starvation by being strong and quiet. Herman was a jolly little boy who didn't care much needing to wear the yellow star and being forbidden from school. He continued playing outside with his friends while his father and brother were sent to a labor camp. At the age of 14, when the Second World War ended, he joined a Jewish youth movement and embarked on a ship to the Promised Land. However, their journey was interrupted and they were taken to a British detention camp in Cyprus. Sophica and Herman were given new names, Shulamit and Tzvi. They met and made a home in Israel. Shulamit/Sophica never mentioned her sad childhood, but the essence of the past found its ways out. Sixty-five years after those events, her daughter comes across a family secret and starts asking questions, inducing Shulamit to break her silence and become again the frightened little Sophica. This book tells her moving childhood story.

[Show Us Who You Are](#) Yearling

She was president of one of the country's top publicity agencies, with a Who's Who in Entertainment client list that included Eddie Murphy, Miles Davis, and Janet Jackson. The bestselling author of *The Personal Touch*, she was a popular speaker for Fortune 500 companies and academia alike. Yet Terrie Williams felt more stressed out than successful, frantic instead of fulfilled. She felt there had to be something more than rushing to meet constant deadlines and to be in endless places, and she found it somewhere she never expected...
