OBRIEN COCHRAN

A History of the Republic Simon and Schuster

Each chapter in **CONTENDING VOICES** examines the lives of two individuals, some of them familiar historical figures and some of them lesser known, who took opposing positions on important issues in American history. The “paired biographies” in the text are followed by a

set of four to six related primary sources, many in the individuals’ own voices; a “Questions to Consider” section; and an annotated bibliography. This unique format promotes critical thinking and engages students in enlightening historical debates. [The American Pageant \(AP* Edition\)](#)
Cengage Learning
Primary source documents, often

accessible only in musty archives, are the raw material from which historians craft their stories. The American Spirit is a virtual archive where students can touch the evidence deposited by the living, breathing, often conflicted and frequently contentious men and women who lived and shaped America's past.

An Introduction Cengage Learning
USAs historie indtil 1996
[Cultural Competence: A Primer for Educators](#) Brooks/Cole Publishing Company

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

American Pageant Delmar Pub

Well-known in the field, Royse and Thyer present and simplify all the essentials needed for a critical appreciation of evaluation issues and methodology. From this text, students will learn how to gather evidence and demonstrate that their interventions and programs are effective in improving clients' lives. This text is known for its student-friendly writing style

and clear presentation of concepts, as well as its hands-on and applied focus.

The American Spirit 13th Edition Update
Cengage Learning

LEARNING AND BEHAVIOR, Seventh Edition, is stimulating and filled with high-interest queries and examples. Based on the theme that learning is a biological mechanism that aids survival, this book embraces a scientific approach to behavior but is written in clear, engaging, and easy-to-understand language. Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. A History of the American People

Wadsworth Publishing Company
THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors

also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

American Pageant Cengage Learning
Using a social-psychological approach, the new edition of this book remains solidly grounded in theory and research, while

also providing useful information to help individuals examine their own feelings about-and cope with-death and grieving. The well-known authors and researchers integrate stimulating personal accounts throughout the text, and apply concepts to specific examples that deal with cross cultural perspectives and the practical matters of death and dying.

American Pageant Perfection Learning

This thoroughly revised edition of Mooney, Knox, and Schacht's text uses a theoretically balanced, student-centered approach to provide a comprehensive exploration of social problems.

UNDERSTANDING SOCIAL PROBLEMS, Tenth Edition, progresses from a micro to macro level of analysis, focusing first on problems related to health care, drugs and alcohols, families, and crime, and then broadening to the larger issues of poverty and inequality, population growth, aging, environmental problems, and conflict

around the world. The social problem in each chapter is framed in a global as well as a U.S. context. In addition, the three major theoretical perspectives are applied to the problem under discussion, and its consequences -- as well as alternative solutions -- are explored. Pedagogical features such as The Human Side and Self and Society enable students to grasp how social problems affect the lives of individuals and apply their understanding of social problems to their own lives.

Cengage Advantage Books: The American Pageant Houghton Mifflin College Division

"The inside story of American history. One of the most popular American history texts ever written, The American Pageant combines colorful anecdotes, first-person quotations, and the authors' trademark wit to engage students like no other text. This revised edition includes in-depth explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired

Americans and shaped the course of American history. New in-text features present primary sources, scholarly debates, and key historical figures, and offer context for the major periods in American history -- giving you the tools you need to analyze key events and eras like a historian!"--Back cover.

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the

common threads that help us make sense of the past. Without losing sight of politics and power, *The American Yawp* incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. *The American Yawp* traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking their own questions about how the past

informs the problems and opportunities that we confront today.

Understanding Operating Systems

National Geographic Learning

Keyed to the 12th and 13th editions of *The American pageant*, this book includes a diagnostic test, practice questions, full-length practice tests as well as graphs and tables to help students learn to analyze data.

A Guide to Writing Cengage Learning

Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of *THE AMERICAN PAGEANT*, Fifteenth Edition, offers readers the complete narrative while limiting the number of features, photos, and maps. All volumes feature a paperback, two-color format for those seeking a comprehensive, trade-sized history text. *THE AMERICAN PAGEANT* enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements,

and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional features of *THE AMERICAN PAGEANT* help you understand and master the content: chapter-ending chronologies provide a context for the major periods in American history, while other features present global context and key historical figures for analysis. Available in the following split options: CENGAGE ADVANTAGE BOOKS: *THE AMERICAN PAGEANT*, Fifteenth Edition Complete, Volume 1: To 1877, and Volume 2: Since 1865. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A History of the Republic, Volume II

Cengage Learning

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing

greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Cengage Advantage Books: The American Pageant, Volume 2: Since 1865 Cengage Learning

The authors of VOYAGES IN WORLD HISTORY never forget that history is made up of the stories of people. Each chapter of the text centers on a story -- a traveler’s account that highlights the book’s main theme, the constant movement of people, goods, and ideas. The travelers include merchants, poets, rulers, explorers, soldiers, missionaries, and scholars, and their voyages provide a framework for each chapter that will capture students’ interest and draw them into the stories of the people, places, and events crucial to understanding world history. Special features highlight connections across chapters, societies, and periods, helping students understand historical events in a global context. Available in the following split options: VOYAGES IN WORLD HISTORY, Third Edition Complete, Volume 1: To 1600, and Volume 2: Since 1500. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Protect to Enable Houghton Mifflin UNDERSTANDING OPERATING SYSTEMS provides a basic understanding of operating systems theory, a comparison of

the major operating systems in use, and a description of the technical and operational tradeoffs inherent in each. The effective two-part organization covers the theory of operating systems, their historical roots, and their conceptual basis (which does not change substantially), culminating with how these theories are applied in the specifics of five operating systems (which evolve constantly). The authors explain this technical subject in a not-so-technical manner, providing enough detail to illustrate the complexities of stand-alone and networked operating systems. UNDERSTANDING OPERATING SYSTEMS is written in a clear, conversational style with concrete examples and illustrations that readers easily grasp.
