CASSIUS TRISTIAN

The Gift of Story Cambridge University Press

“Essential reading for COVID times. . . . The tool we all need right now: a smart, straightforward guide that speaks directly to the question: How can I build a strong immune system? The book is packed with clear, actionable advice for building a strong immune system, losing weight, feeling younger and aging beautifully.” —Yahoo! Life How you age is up to you. And it’s easy to take charge. From the renowned integrative doctor Frank Lipman comes a radically simple program to reverse the symptoms we reflexively call “normal aging,” including feeling achy, stiff, sluggish, weak, and vulnerable to

chronic illness. This improves not only our life span but, more importantly, our health span—our quality of life and how we feel. Built on a series of lifestyle changes that energize the body and build and strengthen its immune system, *The New Rules of Aging Well* is based on ancient wisdom backed up by science: Eat less and practice intermittent fasting. Do 20 minutes a day of something meditative. Switch to gentler workouts, but move as much as possible. Unlock the incredible power of mushrooms. Grow your tribe. Walk barefoot when you can. The result: a rejuvenated you that looks great and feels healthy, happy, sexy, agile, and strong. *Claiming the Life You Were Meant to Live* Llewellyn Worldwide In the wake of factory closings and his beloved wife's death, Lev is on his way from Eastern Europe to London, seeking

work to support his mother and his little daughter. After a spell of homelessness, he finds a job in the kitchen of a posh restaurant, and a room in the house of an appealing Irishman who has also lost his family. Never mind that Lev must sleep in a bunk bed surrounded by plastic toys -- he has found a friend and shelter. However constricted his life in England remains he compensates by daydreaming of home, by having an affair with a younger restaurant worker (and dodging the attentions of other women), and by trading gossip and ambitions via cell phone with his hilarious old friend Rudi who, dreaming of the wealthy West, lives largely for his battered Chevrolet. Homesickness dogs Lev, not only for nostalgic reasons, but because he doesn't belong, body or soul, to his new country -- but can he really go home again? Rose

Tremain's prodigious talents as a prose writer are on full display in *The Road Home*, but her novel never loses sight of what is truly important in the lives we lead.

New enhanced edition of the original underground classic by Clarissa Pinkola Estés, Ph.D., features rare interview excerpts with this internationally acclaimed Jungian analyst and cantadora (keeper of the old stories). First released three years before the print edition of *Women Who Run With the Wolves* (Ballantine books, 1997) made publishing history (more than 2 million copies sold worldwide), this landmark audio probes the instinctual nature of women through world myths, folktales, and commentary. Through an exploration into the nature of the wild woman archetype, Dr. Estés helps listeners discover and reclaim their passion, creativity, and power.

[Blue Beard \(Illustrated\)](#) SUNY Press

"Required reading for every woman who longs to step into her power and live with pleasure and purpose." — Kris Carr, New York Times best-selling author, educator, and School of Womanly Arts founder
Regena Thomashauer has been working with women for the past 25 years, and what began as just a few women in her living room has since grown into a global movement with thousands of graduates worldwide. In her New York Times bestseller *Pussy: A Reclamation*, she reveals what no one taught you about the source of your feminine power and how to use it. This power is the part of a woman that she has been taught to ignore, push down, and despise. Indeed, the word that most viscerally sums it up is "arguably the most powerful pejorative word in the English language." Like any expletive used effectively, the title of this book is meant to be a wake-up call. It is a reclamation, in a world that desperately requires the feminine. Readers learn the secret ingredient every woman is missing; how to crack the confidence code; why sex appeal is an inside job; what's ahead on the next frontier of feminism—and how they can help make it happen; and much more. By turns earthy and erudite, passionately argued and laugh-out-loud funny, *Pussy* delivers the tools and practices a woman requires to do and be whatever she wants in this life. It's a call for her to tune in, turn on, and not drop out—but live more richly, fully, and lushly than she ever thought she could.

Buy now to get the key takeaways from

Clarissa Pinkola Estés' *Women Who Run With The Wolves*. Sample Key Takeaways:

1) A Wildish Woman bears similarities to wild animals, as they share the same spirit and laborious efforts, with their keen sensing, deep intuition, and devotion. 2) After studying different animals, Estés started understanding the feminine instinctual psyche in a deeper way. [A Novel](#) *Women who Run with the Wolves* Myths and Stories of the Wild Woman Archetype
A Jungian analyst explores the feminine psyche through stories of "wild women"—the mythological archetype of the strong, primitive woman
Women Who Run with the Wolves Set in 1970s Japan, this tender and poetic novel about a young, single mother struggling to find her place in the world is an early triumph by a modern Japanese master. Alone at dawn, in the heat of midsummer, a young woman named Takiko Odaka departs on foot for the hospital to give birth to a baby boy. Her pregnancy, the result of a brief affair with a married man, is a source of sorrow and shame to her abusive parents. For Takiko, however, it is a cause for reverie. Her baby, she imagines, will be hers and hers alone, a challenge that she also hopes will free her. Takiko's first year as a mother is filled with the intense bodily pleasures and pains that come from caring for a newborn. At first she seeks refuge in the company of other women—in the hospital, in her son's nursery—but as the baby grows, her life becomes less circumscribed as she explores Tokyo, then ventures beyond the city into the countryside, toward a mountain that captures her imagination and desire for a wilder freedom.

Why do we pursue more when we'd be happier with less? In this updated edition of *7*, New York Times bestselling author Jen Hatmaker tells the story of how she and her family tried to combat overindulgence—and what they learned along the way about living a truly meaningful life. *Simple and Free* is the true story of how Jen Hatmaker (along with her family) identified seven areas of excess—food, clothes, spending, media, possessions, waste, and stress—and made seven simple choices to fight back against the modern-day diseases of greed, materialism, and overindulgence. So, what's the payoff from living a deeply reduced life? It's the discovery of a greatly increased connection with God—a call toward simplicity and generosity that transcends social experiment to become a radically better life. In this new edition,

written not just for readers of faith but for everyone who craves a gentler, simpler life, Hatmaker shares how sustainability and generosity still impact and challenge her today. Annotated throughout with new reflections from the author, this book offers thoughtful insights on the vastly different world of *Simple and Free* from back when it was first published as *7*, and considers the dramatically different space Hatmaker occupies now. *Simple and Free* is funny, raw, and not a guilt trip in the making. Come along and discover what Jesus' version of rich, blessed, and generous might look like in your life.

Wildcat is an uproariously funny, surprisingly touching story of one woman's journey through motherhood and female friendship, in a society that plays fast and loose with information. New mother, aspiring writer, and former shopgirl Leanne has lost her way. As she struggles with both her grief and the haze of motherhood, it also becomes clear that her best friend, the default queen of East Side Los Angeles, Regina Mark, might not actually be a friend at all. As Leanne begins to investigate and undermine Regina, she also strikes up an unexpected friendship with the lauded writer Maxine Hunter. Feeling frustrated and invisible next to Regina's wealth and social standing, Leanne seeks security wherever she can find it, whether that's by researching whether she should vaccinate her son, in listening to the messages she thinks her father is sending from beyond the grave, or in holding her own against a petulant student in her creative writing class. Most of all, however, she looks for it within Maxine, who offers Leanne something new. With a keen eye for the trappings of privilege, class, and the performative nature of contemporary domestic life, Amelia Morris's tender and wicked debut shows us a woman who bucks against the narrative she's been fed, only to find power in herself and the truth that emerges.

The book argues that contrary to conventional wisdom, the candidate's sex plays a minimal role in the majority of US elections.

Women Who Run With the Wolves: Contacting the Power of the Wild Woman
Simon and Schuster

How often do we ask ourselves, 'What will make me happy? What do I really want from life?' In *A Life of One's Own* Marion Milner explores these questions and embarks on a seven year personal journey to discover what it is that makes her happy. On its first publication, W. H. Auden found the book 'as exciting as a detective story' and, as Milner searches out clues, the reader quickly becomes involved in the chase. Using her own personal diaries, kept over many years, she analyses moments of everyday life and discovers ways of being, of looking, of moving, that bring surprising joy - ways which can be embraced by anyone. With a new introduction by Rachel Bowlby this classic remains a great adventure in thinking and living and will be essential reading for all those interested in reflecting on the nature of their own happiness - whether readers from a literary, an artistic, a historical, an educational or a psychoanalytic/psychotherapeutic background.

Women Who Run with the Wolves
Doubleday

A life-changing journey from the wasteland of modern society to a place of nourishment and connection. Fifth anniversary edition, with new afterword for 2021. 'Mind-blowing. An anthem for all we could be . . . I sincerely hope every woman who can read has the time and space to read it.' Manda Scott, author of *Boudica* and *A Treachery of Spies* 'This is the core of our task: to respect and revere ourselves, and so bring about a world in which women are respected and revered, recognised once again as holding the life-giving power of the earth itself.' *If Women Rose Rooted* has been described as both transformative and essential. Sharon Blackie leads the reader on a quest to find their place in the world, drawing inspiration from the wise and powerful women in native mythology, and guidance from contemporary role models who have re-rooted themselves in land and community and taken responsibility for shaping the future. Beautifully written,

honest and moving, *If Women Rose Rooted* is a passionate song to a different kind of femininity, a rallying, feminist cry for the rewilding of womanhood; reclaiming our role as guardians of the land. 'Powerful and inspiring.' Melissa Harrison, author of *All Among the Barley*

Name All the Animals The Planet

Rise Sister Rise is for the women who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. It is essentially a call to arms for women to rise up, tell their truth, and lead. Most women have spent much of their working lives "making it" in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down their intuition, and ignoring the fierce power of their feminine. They have ignored the cycles of the feminine in order to survive in a patriarchal linear system - but now the world has changed. *Rise Sister Rise* is a transmission that calls the innate feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop women trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to fit into a certain archetype of woman. It's about co-creating a whole new archetype of woman - a woman who does not keep herself small in order to make others feel more comfortable. A woman who knows like she knows like she knows that she is not her body weight, her sexual partners, or her career. A woman who deeply respects the wise woman in her life and cultivates her own wisdom every single day. Full of tools, calls to action, contemplative questions, rituals, and confrontational exercises, this book teaches women that it is safe to let Shakti rise, safe to trust their intuition, and safe to take leaps of faith - because in healing ourselves we are healing the world.

Summary of Clarissa Pinkola Estés's *Women Who Run With The Wolves*
Hay House, Inc

"Anne Lamott is my Oprah." -Chicago Tribune From the bestselling author of *Help, Thanks, Wow* comes an inspiring guide to restoring hope and joy in our lives. In *Dusk, Night, Dawn*, Anne Lamott explores the tough questions that many of us grapple with. How can we recapture the confidence we once had as we stumble through the dark times that seem increasingly bleak? As bad newscasts pile up—from climate crises to daily assaults on civility—how can we cope? Where, she

asks, "do we start to get our world and joy and hope and our faith in life itself back . . . with our sore feet, hearing loss, stiff fingers, poor digestion, stunned minds, broken hearts?" We begin, Lamott says, by accepting our flaws and embracing our humanity. Drawing from her own experiences, Lamott shows us the intimate and human ways we can adopt to move through life's dark places and toward the light of hope that still burns ahead for all of us. As she does in *Help, Thanks, Wow* and her other bestselling books, Lamott explores the thorny issues of life and faith by breaking them down into manageable, human-sized questions for readers to ponder, in the process showing us how we can amplify life's small moments of joy by staying open to love and connection. As Lamott notes in *Dusk, Night, Dawn*, "I got Medicare three days before I got hitched, which sounds like something an old person might do, which does not describe adorably ageless me." Marrying for the first time with a grown son and a grandson, Lamott explains that finding happiness with a partner isn't a function of age or beauty but of outlook and perspective. Full of the honesty, humor, and humanity that have made Lamott beloved by millions of readers, *Dusk, Night, Dawn* is classic Anne Lamott—thoughtful and comic, warm and wise—and further proof that Lamott truly speaks to the better angels in all of us.

A Memoir Little, Brown

In this special twenty-fifth anniversary edition of Thomas Moore's bestselling *Care of the Soul*, which includes a new introduction by the author, readers are presented with a revolutionary approach to thinking about daily life—everyday activities, events, problems, and creative opportunities—and a therapeutic lifestyle is proposed that focuses on looking more deeply into emotional problems and learning how to sense sacredness in ordinary things. Basing his writing on the ancient model of "care of the soul"—which provided a religious context for viewing the everyday events of life—Moore brings "care of the soul" into the twenty-first century. Promising to deepen and broaden the readers' perspectives on their life experiences, Moore draws on his own life as a therapist practicing "care of the soul," as well as his studies of the world's religions and his work in music and art, to create this inspirational guide that examines the connections between spirituality and the problems of individuals and society. "Thoughtful, eloquent, inspiring." —San Francisco Chronicle "I soulfully recommend it without reservation." —John Bradshaw, author of

Why Helping Others Drives Our Success
Hay House, Inc

Women who stormed the gates of Hollywood's "boy's club" over the past three decades tell their stories in this fascinating inside look at the new feminine face of the movie industry, with incisive portraits of Julia Phillips, Gale Anne Hurd, Barbra Streisand, and Laura Ziskin, among others. Reprint. 15,000 first printing.

A Novel HarperCollins

Alan Watts is "the perfect guide for a course correction in life, away from materialism and its empty promise" (Deepak Chopra). Here he shows us how—in an age of unprecedented anxiety—we must embrace the present and live fully in the now in order to live a fulfilling life. Spending all our time trying to anticipate and plan for the future and to lamenting the past, we forget to embrace the here and now. We are so concerned with tomorrow that we forget to enjoy today. Drawing from Eastern philosophy and religion, Alan Watts shows that it is only by acknowledging what we do

not—and cannot—know that we can learn anything truly worth knowing. "Perhaps the foremost interpreter of Eastern disciplines for the contemporary West, Watts had the rare gift of 'writing beautifully the unwritable.'" —Los Angeles Times

Journey of the Soul Harmony

Like *Dark Angels* and *Daughters of Darkness*, this book gathers first-rate horror stories that will appeal to all readers of darkly erotic, transgressive fiction. here are tales of women werewolves--beings so darkly erotic their desires literally turn them into animals.
