An introduction to famous works of art, each of which bears something to feel or flip.

*The Treasure* Perfection Learning  
Discover how the joy of giving can make your life richer, starting today. Bestselling author Randy Alcorn introduced readers to a revolution in material freedom and radical generosity with the release of the original *The Treasure Principle* in 2001. Now the revision to the compact, perennial bestseller includes a provocative new concluding chapter depicting God asking a believer questions about his stewardship over material resources. Jesus spent more time talking about money and possessions than about heaven and hell combined. But too often we've overlooked or misunderstood his most profound teaching on this topic, from his words in Matthew 6. Jesus offers us life-changing investment advice. He actually wants us to store up treasures for ourselves—just not here on earth. Instead, he urges us to store our treasure in heaven, where they will await us, and last forever. We can't take it with us—but we can send it on ahead! Readers are moved from the realms of thoughtful Bible exposition into the highly personal arena of everyday life. Because when Jesus told His followers to "lay up for yourselves treasures in heaven," He intended that they discover an astounding secret: how joyful giving brings God maximum glory and His children maximum pleasure. In *The Treasure Principle*, you'll unearth a radical teaching of Jesus—a secret wrapped up in giving. Once you discover this secret, life will never look the same.

And you won't want it to be. "Supercharged with stunning, divine truth! Lightning struck over and over as I read it." - John Piper, Senior Pastor, Bethlehem Baptist Church, Minneapolis

A Treasure's Trove is a compelling fairy tale, suitable for adults and children of all ages, about twelve forest creatures whose mates disappear after being crystallized by a dark dust that blankets the forest every evening. The creatures combine forces with a handsome woodcarver, his beautiful half-elf, half-human wife, and their timid, winged "doth" to save the creatures and restore the dying forest. A sweet and sometimes sad story about friendship and greed, A Treasure's Trove shows how love can be a greater force than fear. Ever poignant, it reminds us to take care of each other and the Earth, and to work together to accomplish our goals. But the story doesn't end there. It can lead you on a terrific family adventure to discover real treasure. In the book's wonderfully written and superbly illustrated pages are clues to finding 12 gold tokens,

redeemable for 12 magnificent jewels, similar to the jeweled forest creatures in the tale. The tokens have been hidden in 12 separate locations throughout the continental USA, spawning an exciting nationwide treasure hunt. A Treasure's Trove will be talked about for years to come! Book jacket.

Their vessel was dis masted and abandoned at sea, and they had all the adventure they yearned for.
