In Caroline Bock's *Before My Eyes*, Claire has spent the last few months taking care of her six-year-old sister, Izzy, as their mother lies in a hospital bed. Claire believes she has everything under control until she meets a guy online who appears to be a kindred spirit. Claire is initially flattered by the attention but when she meets Max, the shy state senator's son, her feelings become complicated. Working alongside Max at a beachfront food stand is Barkley. Lonely and obsessive, Barkley has been hearing a voice in his head. Narrated in turns by Claire, Max, and Barkley, *Before My Eyes* captures a moment when possibilities should be opening up, but instead everything teeters on the brink of destruction.

The Hal Leonard Mandolin Fake Book AuthorHouse

A NEW YORK TIMES BESTSELLER! "The perfect kind of story for our current era."—Hypable From the author of *Burn Our Bodies Down*, a feminist *Lord of the Flies* about three best friends living in quarantine at their island boarding school, and the lengths they go to uncover the truth of their confinement when one disappears. This fresh debut is a mind-bending novel unlike anything you've read before. It's been eighteen months since the Raxter School for Girls was put under quarantine. Since the Tox hit and pulled Hetty's life out from under her. It started slow. First the teachers died one by one. Then it began to infect the students, turning their bodies strange and foreign. Now, cut off from the rest of the world and left to fend for themselves on their island home, the girls don't dare wander outside the school's fence, where the Tox has made the woods wild and dangerous. They wait for the cure they were promised as the Tox seeps into everything. But when Byatt goes missing, Hetty will do anything to find her, even if it means breaking quarantine and braving the horrors that lie beyond the fence. And when she does, Hetty learns that there's more to their story, to their life at Raxter, than she could have ever thought true. And don't miss Rory Power's second novel, *Burn Our Bodies Down!* Praise for *Wilder Girls*: 4 STARRED REVIEWS! "Take Annihilation, add a dash of *Contagion*, set it at an all-girls' academy, and you'll arrive at Rory Power's occasionally shocking and always gripping *Wilder Girls*."--Refinery29 "This thrilling saga...is sure to be one of the season's most talked-about books, in any genre."--EW "Fresh and horrible and beautiful....readers will be consumed and altered by *Wilder Girls*."--NPR

Annabel Lee (Coffey & Hill Book #1) Wishing for a Hero

Without William Shakespeare, we wouldn't have literary masterpieces like *Romeo and Juliet*. But without Henry Condell and John Heminges, we would have lost half of Shakespeare's plays forever! After the death of their friend and mentor, the two actors are determined to compile the First Folio and preserve the words that shaped their lives. They'll just have to borrow, beg, and band together to get it done. Amidst the noise and color of Elizabethan London, *THE BOOK OF WILL* finds an unforgettable true story of love, loss, and laughter, and sheds new light on a man you may think you know.

Instead, he gives you a jaw-dropping, uncensored insider's look into the world of music, movies, and television and its biggest stars, starting in the sixties and continuing through to the new century. Richard takes you on a journey that few have experienced: from his early days as a student at Oxford to the wild, lascivious nights of being a disco DJ touring the clubs of Europe, to coming to America and working with Michael Jackson, Barbra Streisand, and Sarah Jessica Parker and finally breaking through into the L.A. radio scene and becoming the number one morning drive personality in California. From his TV and radio shows to his feature films and live gigs, Richard shares stories that have until now remained secret. His unique perspective will take you on the road with Depeche Mode, to Australia with Spandau Ballet, into the recording studio with Morrissey, and onto the main stage at Live Aid with Duran Duran. My Eyes Are Up Here is a razor-sharp debut about a girl struggling to rediscover her sense of self in the year after her body decided to change all the rules. If Greer Walsh could only live inside her head, life would be easier. She'd be able to focus on excelling at math or negotiating peace talks between her best friend and . . . everyone else. She wouldn't spend any time worrying about being the only Kennedy High student whose breasts are bigger than her head. But you can't play volleyball inside your head. Or go to the pool. Or have confusingly date-like encounters with the charming new boy. You need an actual body for all of those things. And Greer is entirely uncomfortable in hers. Hilarious and heartbreakingly honest, *My Eyes Are Up Here* is a story of awkwardness and ferocity, of imaginary butterflies and rock-solid friends. It's the story of a girl finding her way out of her oversized sweatshirt and back into the real world.
