(The Hacker Series, Book 1) Penguin Editorial Reviews "The third book in Wild's Bridge series is a fantastic read, certain to woo new readers and satiate her returning fans. Over the Edge checks off all the boxes: it's emotional, intense and extremely sexy. Wild taps into an often thought of as taboo fantasy — one woman sharing two men — and makes it a possibility, allowing the reader to live vicariously through the main character. While this is part of the Bridge series, it's also effective as a

standalone novel." -RT Book Reviews "Sinful, emotional, explosive, profound...this is all the best we know and love from Meredith Wild, cranked to an epic Level 11. Over The Edge was

sexy as hell with a love story I never saw coming." -Nina Levine, USA Today Bestselling Author "My fingers are still virtually scorched from scrolling the pages of this smoking hot book." -Smut Book Junkie Book Reviews Synopsis Olivia Bridge has always been a good girl—good grades, good friends, and a good job that her wealthy parents handed her. Desperate to carve out a life that is truly hers, Liv walks away from it all and takes on the challenge of helping her brothers open a chain of fitness centers in New York City. Just as she's beginning to find her footing in a new place, she's caught between two men who couldn't be more determined to turn all her goodness inside out. Will

Donovan has the capital to make the Bridge brothers' entrepreneurial dreams a reality. Taking their uptight sister to bed seems a reasonable perk for the risk. Liv is the smartest, sexiest prude Will's ever met, and he can't wait to break her down. Life is too short for Ian Savo to play by anyone's rules. Sharing women with his friend isn't anything new, so when Will introduces him to Liv, he can't wait to get a taste. But falling for the same girl, or falling at all, was never in the plans...

No one else can stop them... I've never loved Tristan more. I've never trusted him less. Is it murder in his eyes or just jealousy when he insists we'll find answers in Boston, headquarters of one of our greatest enemies and home to the man I left back in Rio? I

haven't forgotten Kolt's betrayal nor the blood that's already been spilled between our families. Inviting him back into my life with the promise of settling our unfinished business is a dangerous gamble that could end in more bloodshed. But as his family's twisted plan starts to unfold, nothing can prepare me for the horror of what will happen if I do nothing. More people will die, and every death will serve a dark purpose. Tristan and I may be an army of two, but one thing is certain—if we can't save them, no one will.

Reborn Harper Collins
 An ancient grudge. A forbidden love. The only thing worse than being a demon is being a Valari. As an undergraduate at Los Angeles's Alameda

University, Kara Valari can sometimes succeed at forgetting she's both. Lost between the pages of the classics and tucked into the shadows of lecture halls, she can dodge the paparazzi's lenses as well as her family's publicized dramas—not to mention their private expectations. She has one more year to feed her true passions. Then she'll be expected to fulfill a much darker destiny. Cursed with inexplicable strength and godlike stature, literature professor Maximus Kane knows all about darkness. Every day he's reminded of the missteps of his childhood and the devastating consequences they've had on those dearest to him. To atone,

His existence has become a study in control, and he's become a master at it—until Kara Valari walks into his toughest course. Viscerally, Kara's everything he craves. Logically, she's everything he rejects. She's a starlet of privilege. She's also a student. And after one touch, he can't deny that she's awakened something in him that may never go dormant. Nothing about her makes sense, but everything about her feels right. Especially in the deepest strands of his DNA, which are still shadows of mystery to him—a mystery Kara seems determined to uncover. She's Hollywood

royalty. She's forbidden fruit. And he's pretty sure she could be the answer to everything.

 Berkley MR. BEAUTIFUL (UP IN THE AIR #4) JAMES She was my sin and my temple. I both worshipped and defiled there. Gloried and desecrated. Revered and debased. I've been remade four times in my life. It is a distinct feeling. Impossible to mistake. The very marked sensation of being unraveled and reknit into a new thing, a new person. It can be good or bad, helpful or harmful, but above all, it is unstoppable. I was remade when my parents died, went from a happy childhood, into navigating a very dark world, with endless responsibilities, surrounded by

enemies, and despairingly alone. It happened again at the hands of a cowardly predator. I'd become angrier with that one, more cynical, and it undoubtedly turned me into the kinky f**k I was today. The third happened swiftly. One day I looked up into a pair of pale blue eyes and saw the other half of my soul. Checkmate. I went from a completely controlled existence, a life where I made every decision with cold calculation, to a man overcome with feelings and emotions that were foreign but somehow wonderful. And all too soon after that cataclysmic change was this fourth one, this one where I begged a God I'd never entertained to spare the life of a woman

that I could not live without. Mr. Beautiful is a continuation of the Up in the Air series, told from the male point of view, with POVs from James, Stephan, Tristan, Frankie, and Akira. This book is intended for readers 18 and up.

In this second of the sultry, Western-set *Coming Home* series from New York Times bestselling author Harper Sloan, Quinn Davis might finally have a shot at her own

happily-ever-after—but will she let love in, or will she tell it to go ahead and kiss her boots? Quinn Davis prefers to live her life quietly. She's the stereotypical tomboy with two overprotective big brothers who have always been there to protect her, especially from devilishly handsome cowboys with silver tongues. That is, until Tate Montgomery comes riding into town. Their first meeting, however, is far from something out of a fairy tale and only further convinces Quinn that men aren't worth her time. The only place Tate Montgomery ever truly felt at home growing up was during the long, sweltering summer months he spent at his Gram and Paw's farm

in Pine Oak, Texas. Now, Tate has returned to his childhood sanctuary seeking a fresh start—but if he’s being entirely honest, he’s not just back for the wranglers and Stetsons. During those summers, Quinn was a friend-turned-young-love who Tate lost when life threw him a curveball and he cut all ties to his past; but all it takes is one glance at the raven-haired beauty he did his best to forget for him to realize just how much he’s been missing....

Into the Fire Penguin Master. That's what they call him. I've spent my life in a cage, cloistered by politics and social maneuvering. A prisoner to expectation. Yet I'd give anything to be a certain man's slave. A

year ago, I wouldn't have recognized the woman I've become. That was before I discovered Crave. Before Demitri ripped the inhibitions clean off my body the first time he undressed me with his icy blue eyes in the club that fateful night. Now he's all I can think about. I can't breathe until he makes me his. Except he won't take me until he breaks me. And I'm not an easy submissive to break. The stories are scandalous, refreshing, and, of course, incredibly sexy. They're the perfect bedside read, a 'quick blush' for the reader who loves a page-

Kane explores how technologically influenced creative practices, primarily from the second half of the twentieth and first quarter of the twenty-first centuries, critically offset a broader culture of pervasive risk and discontent. In so doing, she questions how we continue onward, striving to do better
