Forever

Of the lot, this man was still her best bet. He not only looked the most inebriated, but the most disreputable – lean and hungry and totally without principle. Once he was sober, he would no doubt be easy to buy. “Sister” Kerry Bishop got more than she bargained for when she entered the seedy bar seeking the services of a man, more particularly a mercenary. Linc O’Neal wasn’t the soldier of fortune Kerry mistook him for...but he proved to be just as dangerous and twice as unscrupulous. Linc agrees to help Kerry rescue a group of children from a ruthless dictator, but his motivation is far from noble. If they survive what appears to be a suicide mission, he plans to take Kerry’s promised fifty thousand dollars—in addition to her body—which she provocatively advertised in order to trick him, then withheld. With innocent lives at stake, malevolence and distrust all around, and forbidden desire simmering between them, the steamy atmosphere surrounding Kerry and Linc has little to do with the jungle they must penetrate. Struggling against all odds to stay alive, they discover that their real challenge is to fight the devil within.

Love, Come to Me Bantam

“One of the finest romance authors of all time.” —Julia Quinn New York Times bestselling author Loretta Chase follows her historical romance gem, *Silk is for Seduction* (nominated for 2011 Romantic Times Reviewer’s Choice Award for Best Regency-Set Historical Romance) with yet another winner. This time, *Scandal Wears Satin*, as the second sister from a somewhat scandalous aristocratic family—the purveyors of one of London’s most fashionable shops—finds passion and a love as sumptuous as the gorgeous gowns she creates. Superstar romance author Susan

Elizabeth Phillips says Loretta Chase has “a rare talent for creating crackling sexual tension and characters so fresh and compelling that readers won’t be able to forget them.” Chase fans, as well as Stephanie Laurens and Julia Quinn readers, will most assuredly agree—especially when they meet feisty Sophy and the rakish earl whose help (and heart) she enlists in order to win the patronage of a dowager lady.

Two Alone Penguin

This summer was supposed to be spent lounging on the beach, madly in love with my boyfriend. Until he decided to move to Singapore, and break up with me an hour before his plane left. Now I’m stuck in a Hamptons house share with six of his closest pals, including his best friend ... who despises me. Since the moment Smith Redfield laid eyes on me, he’s hated my guts. I’m serious, I think the raven-haired restaurateur gets physically sick just being in my presence. And he’s never been shy about hiding that fact. There was the time he cackled when I landed face first in a pile of Manhattan trash bags. Or the night I tried to throw my ex-boyfriend a surprise party, and Smith had strippers crash the bash. Or maybe it was New Year’s Eve, when he got in my face and called me a sheltered goody two-shoes who wouldn’t know passion if it smacked me in the lips. He’s rooming right next door for the summer months, and I don’t think more animosity could exist than in the hallway of our vacation rental. As if I wasn’t already sporting a bruised ego and broken heart from the way his best friend left me. But the more midnight run-ins we have, the more I can’t help but think about the way his mouth would feel against mine. With each heavy-eyed glance over the dinner table, I’m starting to wonder if the damaged alpha male doesn’t harbor more than just loathing towards me. After all, they say hate is the closest emotion to love. And with the way we’re skating that thin line, it’s bound to burn this whole house down.

Illuminating the Hidden Power of Your True Self Penguin

"My name is Lucas Greywolf." A raspy voice, as soft and sandy as the wind that blew across the desert, spoke directly into her ear. It was a gentle sound, but Aislinn wasn't deceived. Like the winds it reminded her of, it could be whipped into a fury. . . Aislinn Andrews knows his name because his escape from prison has prompted a statewide manhunt. As lean and menacing as a panther, the fugitive invades her house, her bed, and then takes her as his hostage. Overnight, Aislinn's safe and predictable life is upended by a man considered criminal and dangerous. However, his greatest threat to Aislinn isn't the knife he wields, but his untame appeal. All his life, Lucas Greywolf has harbored a bitter grudge against Anglos, resenting even that half of his heritage. Years spent in prison for a crime he didn't commit hasn't quelled his fighting spirit, but only fanned it. After escaping, he comes face-to-face with blond, blue-eyed Aislinn Andrews, the epitome of everything he hates. Yet he must have her. Now the war Lucas wages is personal, and his fiercest enemy is his longing for the wrong woman. Two people. Two worlds. One shared moment of incandescent passion...when nothing else mattered. But can that unifying instant withstand everything that divides them, when the largest obstacle they face is the most difficult to overcome? Pride.

Deepak Chopra, Debbie Ford, and Marianne —New York Times bestselling authors and internationally acclaimed teachers—have joined together to share their knowledge on one of the most crucial obstacles to happiness we face—the shadow. These three luminaries, each with a signature approach, bring to light the parts of ourselves we deny but that still direct our life. For it is only when we embrace our shadow that we discover the gifts of our authentic nature. The shadow exists within all of us. It is a part of us and yet we spend most of our life running from it. But far from being scary, our dark side holds the promise of a better, more fulfilling life. Our shadow makes itself known every day. It is the reason we get furious over a friend showing up ten minutes late, yell at our parents or kids when they have done nothing wrong, and sabotage our own success at the worst possible time. Until we are able to embrace our dualistic nature, we will continue to hurt ourselves and those closest to us and fall short of our potential. Combining the wisdom of three experts, *The Shadow Effect* is a practical and profound guide to discovering the gifts of our shadow. These three authors powerfully pierce the veil of our unclaimed self, releasing us from the past and propelling us on a journey to wholeness. No longer living a half life, we are capable of achieving our dreams and reclaiming the happiness that is our birthright.

Tempest in Eden Bantam

In #1 New York Times bestselling author Lisa Jackson's riveting novel of heart-stopping suspense, New Orleans detectives Rick Bentz and Reuben Montoya race to help a grief-stricken woman discover the truth about a convent filled with unholy secrets... The crime scene at St. Marguerite's cathedral in New Orleans is shocking, even to seasoned detectives like Rick Bentz and Reuben Montoya. A novice nun named Sister Camille has been found dressed in a yellowed bridal gown and viciously garroted, her body covered with an altar cloth. Valerie Houston is devastated by her sister's death. For weeks, she'd begged Camille to leave St. Marguerite's, where she seemed determined to live as some kind of martyr. But Camille had a knack for making bad choices--she joined the convent in part because she'd fallen for Val's soon-to-be ex-husband, Slade. Convinced the police aren't doing enough, Val begins to investigate. But the deeper Val's inquiries go, the more twisted the case becomes. St. Marguerite's

is far from the tranquil retreat many believe; everyone has their own agenda. Even Camille had a hidden life Val never suspected. But someone knew about Camille's past--and Val's, too. Now she has no choice but to catch a devious, depraved killer intent on purging St. Marguerite's of all its sins--before she becomes the next victim...

I've Got My Duke to Keep Me Warm Harper Collins

Damn her. His body was still on fire. Damn her, why had she responded that way? So honestly. With no coyness. No affectation. Her mouth had been so receptive. Her kisses so generous. Her breasts so soft... Only two survive the small plane crash in the Canadian wilderness miles from civilization: Rusty Carlson, a real estate agent from Beverly Hills, who has never faced anything more perilous than L.A.'s rush hour traffic; and Cooper Landry, an embittered Vietnam veteran, who has endured the horrors of warfare and a POW camp. Rusty wouldn't have believed herself capable of dragging her unconscious fellow passenger from the wreckage, but that was only the first challenge confronting her. The man himself is as hostile and unforgiving as the mountainous terrain in which they're stranded. If they had a choice, they would go their separate ways. But they don't. If they want to live, they must stay together. Teamed against the harsh elements, injury, and a pair of conniving cutthroats, Rusty and Cooper must rely on each other in order to survive. In a one room cabin they find shelter. . .but, as winter closes in, they have no protection against the sexual attraction that becomes the real test of their fortitude. Within those four rough walls, Rusty discovers that Cooper's brusqueness arises from immeasurable heartache, and, to Cooper's dismay, his credo of No romance, no love, no thanks becomes his desperate chant to ward against Rusty's allure.
