### **El ocultismo y su reino**

Kabbalah Publishing  
Since the beginning of time, God had a clear image of how He wanted His children to live. Although that plan has been altered

by both humans and the great deceiver, Satan, God still has a plan to bring prosperity to His people through the power of multiplication. Now author Celeste Perez, building on a biblical foundation, demonstrates that God is the originator of the power of multiplication and that humans have the ability to use it for His glory. Today, there are promises that Christians can tap into through the

power of multiplication. God does not want His people to live all their lives depending only on humankind or government assistance. Instead, He seeks to introduce them to a land where they can sow and reap. There is a blessing with your name on it, if you are willing to claim it. Your works should not be in vain; driven by purpose, they can change not only your life but also the lives of those

around you and of generations to come. Inspiring and uplifting, this study and guide presents ways to use God's power of multiplication in your life to prosper and grow more each day in Him. *Kabbalah* Joel Aguilozi By explaining the Tree of Life and the principles of the four worlds within every human being, this exhaustive guide goes beyond a simple introduction to

kabbalah and examines in-depth how human personality fits into kabbalistic thought. By investigating the relationship between the laws of biology and its process and analyzing of the psyche's anatomy, this study demonstrates how to undertake an exploration of the soul and subsequently develop the conscious. Explicando el Árbol de la Vida y los principios de los cuatro

mundos presentes en cada ser humano, esta guía exhaustiva va más allá de proveer una simple introducción a la kabbalah y examina a profundidad cómo la personalidad humana cuadra con el pensamiento kabbalístico. Investigando la relación entre las leyes de la biología y su proceso y analizando la anatomía de la psique, este estudio demuestra como llevar a cabo una exploración

del alma y posteriormente desarrollar la conciencia.

ReadHowYouWant.com Kabbalists state that there is no reality at all, but something called His Essence, the Upper Force, and this is what we perceive as our world. As uncanny as it sounds, this notion hides in its wings the very prospect of freedom, for every person, for every nation, and for the entire world.

The structure and the perception of reality are the surface of this book. But the story of humanity, or more accurately, of the human soul, is the undercurrent that drives the reader forward in this book. It is about you, about me, about all of us. This book is about the way we were, the way we are, the way we will be, and most importantly, it is about the best way to get there. In this neatly

structured composition, every part speaks of a different aspect of Kabbalah. It starts with our perception of reality, our perception of the Creator, and the evolution of our soul in the spiritual worlds (including explanatory drawings). The book also clears up misconceptions about Kabbalah and explains, in plain words, how to experience the spiritual realm of our lives.

SOBREVIVIR  
A MI JEFE**

Kabbalah Learning Center  
In the words of Michael Laitman, "It is beyond human comprehension to understand the essence of such spiritual qualities as total altruism and love. This is for the simple reason that human beings cannot comprehend how such feelings can exist at all, as everyone seemingly requires an incentive to perform any

act; without some personal gain, people are not prepared to extend themselves. That is why a quality such as altruism can only be imparted to a person from Above, and only those who have experienced it can understand it." Attaining The Worlds Beyond is a first step toward discovering the ultimate fulfillment of spiritual ascent in our lifetime. This book reaches out to all

those who are searching for answers, who are seeking a logical and reliable way to understand the world's phenomena. This magnificent introduction to the wisdom of Kabbalah provides a new kind of awareness that enlightens the mind, invigorates the heart, and moves the reader to the depths of their soul.

exposición de la antigua y arraigada tradición sefardí de soñar que nos legó el renombrado cabalista del siglo XIII Isaac el Ciego • Incluye ejercicios y prácticas para acceder por propia voluntad al estado onírico con la finalidad de relacionarse con la vida en un estado de conciencia potenciada • Escrito por la asidua discípula de la estimada cabalista Colette Aboulker-

Muscat En La cábala y el poder de soñar, Catherine Shainberg expone prácticas esotéricas que nos permiten desbloquear los poderes transformativos e intuitivos de la mente cuando soñamos. Se trata de prácticas utilizadas por profetas, videntes y sabios de la antigüedad para controlar los sueños y las visiones. Shainberg se basa en la antigua tradición sefardí de la

cábala, así como en relatos y mitos ilustrativos de toda la región mediterránea, para enseñar a los lectores a beneficiarse del poder intuitivo de sus sueños. Shainberg nos muestra que soñar no es un fenómeno que simplemente sucede mientras dormimos, sino que soñamos en todo momento. Al enseñar a la mente consciente a estar despierta durante el sueño, y a la mente

ensoñadora a manifestarse en la conciencia diurna, seremos capaces de revolucionar nuestra conciencia. Los ejercicios de visión interior propuestos por la autora estimulan imágenes creativas y transformativas que van definiendo el sendero a la autorrealización.

This thought-provoking book reveals the power that's innate to every woman. From a Kabbalistic perspective, Karen Berg outlines life's deeper meaning, and gives tangibles solutions to issues. For millennia, the spiritual

science known as Kabbalah, had not only been skewed towards men and their issues, but women had literally been forbidden to study it.

Kabbalist Karen Berg broke all barriers when this book was first published to wide acclaim in 2005. In *God Wears Lipstick* Karen unveils the methodology of kabbalistic power that's innate to every woman. She shows how this ancient wisdom

explains life's deeper meaning, and gives tangibles solutions to issues women face today. This book covers how to:

- Reach one's highest potential • Attract a compatible mate • Keep the magic alive long after the honeymoon • Create a fulfilling sex life • Use astrology to strengthen relationships • Know when to leave a relationship, and how to cope when the other partner

leaves

In this comprehensive and practical guide to Qabbalistic magic, Salomo Baal-Shem explains how to authentically perform rituals from the Qabbalistic tradition. The spells and rituals included range from basic "everyday" magic for health, prosperity, love, protection, and prophetic dreams to advanced high-level magic such as invoking the highest angelic powers or creating an astral life-form, or Golem. Revealing the occult

teachings of the 4th-century Book of the Mysteries, the magical uses of 150 psalms, and how to harness the power of Hebrew letters in talisman designs, the author also shows you how to contact the Maggid, or Divine inner teacher, or attain the spiritual vision of the Merkabah. A thoroughly accessible guide to the magic of the Qabalah, this book also covers the underlying spiritual

principles and history of these powerful magical practices. Becoming Like God Simon and Schuster How to become the executive producer of your dream life story, now in Spanish. By using advanced kabbalistic tools, it is possible to resist the gravitational pull that draws us into the same scenes over and over again. Our actions are seeds that create either

chaos or fulfillment. Challenges such as pain, addiction, and fear are opportunities for growth. By becoming familiar with the underlying messages we send ourselves, we can recognize and overcome destructive thoughts and reactive behavior, make different choices, and ultimately create different results. When we step out of our nature, nature responds in turn. According to

the kabbalists, that's how we can create miracles. We all know we have the ability to transform; this book helps us understand what we need to change about our movie in order to stop playing that old rerun. For those who loved 'The Power of Kabbalah,' this guide provides the tools needed to take the next

steps in writing, directing, and acting a new life.
