WITH FEATURETTES FROM NICHOLAS SPARKS AND THE MOVIE CAST, DELETED SCENES, MUSIC VIDEO, AND MORE! IN THEATERS OCTOBER 17, 2014! Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberato "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past? Message in a Bottle; Nights in Rodanthe Grand Central Publishing Miscast in the media for nearly 130 years, the victims of Jack the Ripper finally get their full stories told in this eye-opening and chilling reminder that life for middle-class women in Victorian London could be full of social pitfalls and peril.

Hold on to your hats: The authors who brought you the New York Times bestseller *My Plain Jane*, which Booklist praised as "delightfully deadpan" (starred review) and Publishers Weekly called "a clever, romantic farce" (starred review), are back with

another irreverent historical adventure. Welcome to 1876 America, a place bursting with gunslingers, outlaws, and garou—better known as werewolves. And where there are garou, there're hunters: the one and only Calamity Jane, to be precise, along with her fellow stars of *Wild Bill's Traveling Show*, Annie Oakley and Frank "the Pistol Prince" Butler. After a garou hunt goes south and Jane finds a suspicious-like bite on her arm, she turns tail for Deadwood, where there's talk of a garou cure. But rumors can be deceiving—meaning the gang better hightail it after her before they're a day late and a Jane short. In this perfect next read for fans of *A Gentleman's Guide to Vice and Virtue*, bestselling authors Cynthia Hand, Jodi Meadows, and Brodi Ashton bring their signature spark to the side-splittin', whopper-filled (but actually kind of factual?) tale of Calamity Jane.
