J. Earl Shoaff, Jim Rohn's personal mentor, gives the presentation that changed Jim's life! Anyone who ever heard Jim Rohn speak, knows the impact that Earl Shoaff had on his life. Here is a transcription of the recording of the presentation by Earl Shoaff that changed Jim's life and provides the secrets to his success. By the time Jim Rohn reached the age of 25, he was married, had a family and worked as a stock clerk at Sears earning \$57 a week take home pay. Finding himself falling behind on his bills, and with nothing in the bank to fall back on, he knew he wanted more out of life but had no idea on how to make it happen. Then something happened to him that changed his life forever and gave him the answers he was looking for. The same good fortune that happened to Jim all those years ago is about to happen to you! One of

Jim's friends told him about a man he had gone to work for. This man was very rich and wise. He had an incredible philosophy about life and he was easy to talk to. His friend talked about this man so much that Jim's curiosity got the better of him and he went to hear what this man had to say. Jim walked into the room and took a seat. He really didn't know what to expect, but he kept an open mind and listened intently as the speaker opened his eyes to a world he never knew existed. A world where you could truly be anything you wanted to be and you could have anything you wanted to have! Jim said of the experience, "To this day, I can't tell you exactly what he said, I just knew that I would have given anything to be like him." Then, standing at the back of the room, he got an idea. He thought that, somehow, if he could just get around this man, maybe he could learn the secrets of wealth and happiness.

If you need that extra boost to get where you're going, I can tell you with confidence that this book will provide the advice you need to know that "yes, you can" get there! We are proud to present authors whose chapters will give you some tools to help you along your journey to wherever you want to go. I have to admit that there have been times in my life when I definitely thought, "No, I can't!" All successful people get discouraged

sometimes. But they don't let discouragement stop them. When you've hit a wall, you have to push through, knowing that eventually yes, you can make it. The authors I interviewed for this book gave me fascinating and innovative ideas about how to push through to achieve that "Yes You Can" mindset. "Yes you can" is a mantra that you can use every day for encouragement. Like the "Little Engine that could" in the children's book, you can say, "Yes I can, yes I can," all the way up the hills in your life until you grasp what you are reaching for. The preparation for this book was done by way of the authors' education and their impressive experiences in business. But the primary source of their preparation was life itself. Each author's life experiences provided unique insights into what "yes you can" truly means. Their suggestions will help you succeed in every area of life—business and personal.
