**The Secret of the Rosary** Authentic  
 The classic collection of Dr. King's sermons that fuse his Christian teachings with his radical ideas of love and nonviolence as a means to combat hate and oppression. As Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind bars, he spent uninterrupted time preparing the drafts for works such as "Loving Your Enemies" and "Shattered Dreams," and he continued to edit the volume after his release. *Strength to Love* includes these classic sermons selected by Dr. King. Collectively they present King's fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change.

*Life Together* Baker Books

Bataille's first novel, published under the pseudonym 'Lord Auch',

is still his most notorious work. In this explicit pornographic fantasy, the young male narrator and his lovers Simone and Marcelle embark on a sexual quest involving sadism, torture, orgies, madness and defilement, culminating in a final act of transgression. Shocking and sacreligious, *Story of the Eye* is the fullest expression of Bataille's obsession with the closeness of sex, violence and death. Yet it is also hallucinogenic in its power, and is one of the erotic classics of the twentieth century.

**The Rain God** Morningstar Publications Inc.

This is a new release of the original 1932 edition.

*Percy Jackson and the Olympians, Book Five: The Last Olympian*  
 Vintage Canada

The issue of spirit husband and spirit wife (spirit spouses, evil spiritual marriage) is one of the greatest spiritual problems which has pervaded societies of the world. There are vicious sexual spirits which molest and torment individuals. This book teaches you how to receive deliverance from spirit spouses and other associated wicked powers.

*Jesus Calling, Large Text Cloth Botanical, with Full Scriptures*

Elijah Muhammad Books.com

The oldest son of Sheikh Hassan Yousef, a founding member of

Hamas, reveals new information about the world's most dangerous terrorist organization, unveils the truth about his own role in the organization, and explains his dangerous decision to make his newfound Christian faith public.

The Housekeeper and the Professor Tyndale House Publishers, Inc.

In this book, Dennis and Rita Bennett, tell simply and readably how you can experience the same outpouring of the Holy Spirit in your life that has been experienced in the lives of hundreds of thousand of others since it began in their church in 1960. Even in the middle of this increasingly frightening world and times, you can have the same peace, joy, and love that was such a part of the early Church. This book has been hailed as a key textbook on the Holy Spirit by leaders in groups as diverse as Roman Catholic and Assemblies of God.

The 5AM Club Heinemann Educational Publishers

"The Rain God is a lost masterpiece that helped launch a legion of writers. Its return, in times like these, is a plot twist that perhaps only Arturo Islas himself could have conjured. May it win many new readers." — Luis Alberto Urrea, bestselling author of *The House of Broken Angels* and *The Hummingbird's Daughter*

"Rivers, rivulets, fountains and waters flow, but never return to their joyful beginnings; anxiously they hasten on to the vast realms of the Rain God." A beloved Southwestern classic—as beautiful, subtle and profound as the desert itself—Arturo Islas's *The Rain God* is a breathtaking masterwork of contemporary literature. Set in a fictional small town on the Texas-Mexico border, it tells the funny, sad and quietly outrageous saga of the children and grandchildren of Mama Chona the indomitable matriarch of the Angel clan who fled the bullets and blood of the 1911 revolution for a gringo land of promise. In bold creative strokes, Islas paints an unforgettable family portrait of souls haunted by ghosts and madness--sinners torn by loves, lusts and dangerous desires. From gentle hearts plagued by violence and epic delusions to a child who can foretell the coming of rain in the sweet scent of angels, here is a rich and poignant tale of outcasts struggling to live and die with dignity . . . and to hold onto their past while embracing an unsteady future.

The Consolations of Philosophy B&H Publishing Group

The New York Times–bestselling classic set amid the mountains and streams of early twentieth-century Montana, “as beautiful as anything in Thoreau or Hemingway” (Chicago Tribune). When Norman Maclean sent the manuscript of *A River Runs Through It* and *Other Stories* to New York publishers, he received a slew of rejections. One editor, so the story goes, replied, “it has trees in it.” Today, the title novella is recognized as one of the great American tales of the twentieth century, and Maclean as one of the most beloved writers of our time. The finely distilled product of a long life of often surprising rapture—for fly-fishing, for the woods, for the interlocked beauty of life and art—*A River Runs Through It* has established itself as a classic of the American West filled with beautiful prose and understated emotional insights. Based on Maclean’s own experiences as a young man, the book’s two novellas and short story are set in the small towns and mountains of western Montana. It is a world populated with drunks, loggers, card sharks, and whores, but also one rich in the pleasures of fly-fishing, logging, cribbage, and family. By turns raunchy and elegiac, these superb tales express, in Maclean’s own words, “a little of the love I have for the earth as it goes by.” “Maclean’s book—acerbic, laconic, deadpan—rings out of a rich American tradition that includes Mark Twain, Kin Hubbard, Richard Bissell, Jean Shepherd, and Nelson Algren.” —New York Times Book Review Includes a new foreword by Robert Redford, director of the Academy Award-winning film adaptation

**There Were Two Trees in the Garden** Harper Collins

*There Were Two Trees in the Garden* has remained a bestseller for more than twenty-five years. Discover the conflict as old as the Garden of Eden and represented by two trees: The Tree of the Knowledge of Good and Evil and the Tree of Life. This classic book is a study of the fundamental difference between what these two trees represent—the kingdom of darkness and the kingdom of God. Learn how the struggle that began so long ago affects your life today, and how you can stand for truth in the midst of darkness.

**The Secret History of the Mongols** Kenneth Hagin Ministries From the author of *How Proust Can Change Your Life*, a delightful, truly consoling work that proves that philosophy can be a supreme source of help for our most painful everyday problems. Perhaps only Alain de Botton could uncover practical wisdom in the writings of some of the greatest thinkers of all time. But uncover he does, and the result is an unexpected book of both solace and humor. Dividing his work into six sections -- each highlighting a different psychic ailment and the appropriate philosopher -- de Botton offers consolation for unpopularity from Socrates, for not having enough money from Epicurus, for frustration from Seneca, for inadequacy from Montaigne, and for a broken heart from Schopenhauer (the darkest of thinkers and yet, paradoxically, the most cheering). Consolation for envy -- and, of course, the final word on consolation -- comes from Nietzsche: "Not everything which makes us feel better is good for us." This wonderfully engaging book will, however, make us feel better in a good way, with equal measures of wit and wisdom.

The Black Jacobins HarperCollins

*God Gave You Emotions on Purpose!* Our emotions play a vital role in living happy, healthy, successful lives. All emotions, from love and joy to anger and fear, have an important part to play in understanding ourselves and others. They help us discover the wonders of this life as well as warn us when we are in danger. But this diversity of feelings is meant to complement our life, not determine it! In this life-transforming book, Joyce Meyer reveals powerful truths from God's Word that will help you learn to manage all of your emotions in the right direction. Through hilarious illustrations and real-life applications, Joyce delivers the keys to keeping your emotions in the proper place while allowing the Spirit of God to lead and direct you. Dynamic scriptural insights are included on topics such as: \* How not to be led by feelings \* Codependency \* Forgiveness \* Mood swings \* Healing for damaged emotions \* Depression \* And much more! Don't allow your feelings to determine your destiny! Instead, manage your emotions to complement and enhance your attitude for a joyful, victorious life!

When God Doesn't Make Sense Disney Electronic Content

All year the half-bloods have been preparing for battle against the Titans, knowing the odds of victory are grim. Kronos's army is stronger than ever, and with every god and half-blood he recruits, the evil Titan's power only grows. While the Olympians struggle to contain the rampaging monster Typhon, Kronos begins his advance on New York City, where Mount Olympus stands virtually unguarded. Now it's up to Percy Jackson and an army of young demigods to stop the Lord of Time.

You and your family will enjoy this Bible storybook night after night.

**The Holy Spirit and His Gifts** Psychology Press

The landmark text about the inner workings of the unconscious mind—from the symbolism that unlocks the meaning of our dreams to their effect on our waking lives and artistic impulses—featuring more than a hundred images that break down Carl Jung’s revolutionary ideas “What emerges with great clarity from the book is that Jung has done immense service both to psychology as a science and to our general understanding of man in society.”—The Guardian “Our psyche is part of nature, and its enigma is limitless.” Since our inception, humanity has looked to dreams for guidance. But what are they? How can we understand them? And how can we use them to shape our lives? There is perhaps no one more equipped to answer these questions than the legendary psychologist Carl G. Jung. It is in his life’s work that the unconscious mind comes to be understood as an expansive, rich world just as vital and true a part of the mind as the conscious, and it is in our dreams—those personal, integral expressions of our deepest selves—that it communicates itself to us. A seminal text written explicitly for the general reader, *Man and His Symbols* is a guide to understanding the symbols in our dreams and using that knowledge to build fuller, more receptive lives. Full of fascinating case studies and examples pulled from philosophy, history, myth, fairy tales, and more, this groundbreaking work—profusely illustrated with hundreds of visual examples—offers invaluable insight into the symbols we dream that demand understanding, why we seek meaning at all, and how these very symbols affect our lives. By illuminating the means to examine our prejudices, interpret psychological meanings, break free of our influences, and recenter our individuality, *Man and His Symbols* proves to be—decades after its conception—a revelatory, absorbing, and relevant experience.

**Son of Hamas** Morningstar Publications Inc.

Experience a deeper relationship with Jesus as you savor the presence of the One who understands you perfectly and loves you forever. to be a favorite in the popular Jesus Calling(R) line. The on-trend fabric cover with foil has feminine floral touches, giving a gorgeous, elegant feel, along with large text and written-out scripture verses.

**Holy Spirit and You (16pt Large Print Edition)** FaithWords

What are demons? How do demons gain entry into people’s lives? Do Christians need deliverance from demons? In this practical, comprehensive handbook on deliverance, author and Bible expositor Derek Prince addresses the fears and misconceptions often associated with the subject of demons. By sharing his own struggles with unseen forces, he encourages believers to become equipped to take action against these evil beings. He exposes their characteristics, activities, and entry points, and offers solid, down-to-earth advice on how to receive and minister deliverance—and how to remain free.

Story of the Eye Beacon Press

This fresh translation of one of the only surviving Mongol sources about the Mongol empire, brings out the excitement of this epic with its wide-ranging commentaries on military and social conditions, religion and philosophy, while remaining faithful to the original text.

Mysterious Secrets of the Dark Kingdom Picador

Read about the meaning and the Holy Spirit and His Gifts that Jesus well share and understand the Holy Spirit with you.

*Walden* Chosen Books

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy’s modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing “big things [that] lurk unsaid” in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

*A Night to Remember* Macmillan

*On the Duty of Civil Disobedience*: This is Thoreau’s classic protest against government’s interference with individual liberty. One of the most famous essays ever written, it came to the attention of Gandhi and formed the basis for his passive resistance movement.
