"Information about why certain people, animals and things are considered "cute" and the scientific background, for children"--
And More True Stories of Amazing Animals Heroes National Geographic Books

NBA star Boris Diaw of the San Antonio Spurs takes young readers on safari as he explores his off-court passion: wildlife photography! Join Diaw as he escapes from stampeding wildebeests, comes face-to-face with lions, and discovers why you should never come between a hippo and its watery home. Through engaging stories and photos by Diaw, readers will discover a whole new side to this basketball champ. National Geographic Kids Chapter books pick up where the best-selling National Geographic Readers series leaves off, offering young animal lovers who are ready for short chapters lively, exciting, full-color true stories—just right to carry in backpacks, share with friends, and read under the covers at night.

National Geographic Readers: Safari National Geographic Books

A first entry in a planned series of four books exploring unusual animal pairs includes the story of boxer Billy and goat Lilly, who bonded after Lilly was abandoned and who have been rarely apart since forging their unlikely friendship. Simultaneous.

Just Joking National Geographic Books

It's the 10th anniversary of the world's best-selling almanac for kids! This year the Almanac features all-new content, interviews with explorers in each chapter, a special look at what was going on in the world when the first National Geographic Kids Almanac

came out 10 years ago, plus the results of the 2019 Almanac Challenge and a new Challenge for kids who want to get involved with helping our planet. Kids can have fun keeping up with our quickly changing world with the New York Times best-selling almanac, packed with incredible photos, tons of fun facts, crafts, activities, and fascinating features about animals, science, nature, technology, conservation, and more. There's a whole chapter full of fun and games, including activities, jokes, and comics. Practical reference material, including fast facts and maps of every country, has been fully updated. Homework help on key topics is sprinkled throughout the book.

Stunning Photos and Fun Facts about the Most Adorable Animals on the Planet! National Geographic Books

Safari day dawns on the savanna. The African light gives the sky colors seen nowhere else on Earth. Soon, an amazing array of wild animals are yawning, screeching, and growling to life. Meet the elephants, lions, giraffes, zebras, hippos, and the laughing hyenas of the wilderness and find out who's friends with whom and why! National Geographic supports K-12 educators with ELA Common Core Resources. Visit www.natgeoed.org/commoncore for more information.

Cutest Animals on the Planet: National Geographic Kids National Geographic Books

Presents the stories of three animal workers, a dog that helps stranded dolphins, a monkey that aids a paralyzed man, and a rat that sniffs out land mines.

National Geographic Kids Baby Animals Sticker Activity Book National Geographic Children's Books

Young readers learn all about animal abodes--from cozy dens to

towering trees--in this new Pre-reader from National Geographic Kids. Through text features such as a vocabulary tree and wrap-up activity, kids will be introduced to vocabulary in concept groups, helping them make connections between words and expand their understanding of the world. Along with brilliant photos and a fun approach to reading, National Geographic Readers are a winning formula with kids, parents, and educators.

300 Hilarious Jokes, Tricky Tongue Twisters, and Ridiculous Riddles National Geographic Children's Books

An exciting interactive title chock-full of stars, planets, aliens, and everything out of this world brings National Geographic Kids signature content to a sticker and activity book format. For kids who love our universe, this book features the coolest science kids can't get enough of: our planet Earth, cool asteroids, fun aliens, comets, and so much more. Packed with mazes, spelling and pattern games, drawing activities, and more, kids are sure to love these pages loaded with fun.

National Geographic Kids Cutest Animals Sticker Activity Book National Geographic Society

Presents the stories of three incredibly talented animals, including a motorcross daredevil dog, a groundhog weather wonder, and a rock star cat.

125 True Stories of Amazing Animals National Geographic Children's Books

Warning: you may want to cuddle this book! We've found the planet's cutest animals and squeezed them inside this adorable title. From fluffy pandas and penguin chicks to pygmy possums and inquisitive quokkas, discover a mix of family favourites and lesser-known critters, all accompanied with fun facts and big,

beautiful photos! Starting from North America, you'll travel through all the continents of the world to meet 100 outrageously cute creatures. Say a big "hello" to the fennec fox from the deserts of Africa, the northern pygmy owl from the western United States, the European hedgehog, Siberian chipmunk, the New Zealand fur seal and the bearded emperor tamarin from South America. You'll also meet endangered and nearly endangered species and learn how to get involved with different conservation efforts to help protect them. About Lonely Planet Kids: Lonely Planet Kids – an imprint of the world's leading travel authority Lonely Planet – published its first book in 2011. Over the past 45 years, Lonely Planet has grown a dedicated global community of travellers, many of whom are now sharing a passion for exploration with their children. Lonely Planet Kids educates and encourages young readers at home and in school to learn about the world with engaging books on culture, sociology, geography, nature, history, space and more. We want to inspire the next generation of global citizens and help kids and their parents to approach life in a way that makes every day an adventure. Come explore! Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.
