Dirty Red, Still Dirty, and

Dirtier Than Ever Golden
 Books
 A daring, category-

confounding, and ruthlessly funny novel from National Book Award honored author Edmund White that explores polyamory and bisexuality, ageing and love. Sicilian aristocrat and musician, Ruggero, and his younger American wife, Constance, agree to break their marital silence and write their Confessions. Until now they had a ban on speaking about the past, since transparency had wrecked their previous marriages. As the two alternate reading the memoirs they've written about their lives, Constance reveals her multiple marriages to older men, and Ruggero details the affairs he's had with men and women across his lifetime—most importantly his passionate affair with the author Edmund White. Sweeping outward from the isolated Swiss ski chalet where the couple reads to travel through Europe and the United States, White's new novel pushes for a broader understanding of sexual orientation and pairs humor and truth to create his most fascinating and complex characters to date. As in all of White's earlier novels, this is a searing, scintillating take on

physical beauty and its inevitable decline. But in this experimental new mode—one where the author has laid himself bare as a secondary character—White explores the themes of love and age through numerous eyes, hearts and minds. Delightful, irreverent, and experimental, *A Previous Life* proves once more why White is considered a master of American literature.

The Secret History
Breakwater Books
The inside story of the laptop that exposed the president's dirtiest secret. When a drug-addled Hunter Biden abandoned his waterlogged computer at a Mac repair shop in Delaware in the spring of 2019, just six days before his father announced his candidacy for the United States presidency, it became the ticking time bomb in the shadows of Joe Biden's campaign. The dirty secrets contained in Hunter's laptop almost derailed his father's presidential campaign and ignited one of the greatest media coverups in American history. This is the unvarnished story of what's really inside the laptop and what China knows about the Bidens, by the New York Post journalist who brought it

into the open. It exposes the coordinated censorship operation by Big Tech, the media establishment, and former intelligence operatives to stifle the New York Post's coverage, in a chilling exercise of raw political power three weeks before the 2020 election. A treasure trove of corporate documents, emails, text messages, photographs, and voice recordings, spanning a decade, the laptop provided the first evidence that President Joe Biden was involved in his son's ventures in China, Ukraine, and beyond, despite his repeated denials. This intimate insight into Hunter's dissolute lifestyle shows he was incapable of holding down a job, let alone being paid tens of millions of dollars in high-powered international business deals by foreign interests, unless he had something else of value to sell—which of course he did. He was the son of the vice president who would go on to become the leader of the free world. *A Dirty Job* Scholastic Inc. A bright, bold debut about a girl who happens to have been born a boy, but refuses to let that stand in the way of her dream. George joins the

Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all. *A Novel* Open Road Media Relocating to Arizona after punishing her enemies, Red enjoys her successes as a best-selling author but is unable to forget her love for Q, a situation that is further threatened by the vengeful plots of those she has harmed. By the *Essence* best-selling author of *Imagine This*. 30,000 first printing. *Dirty Love* Stacey Lynn In late 2008, as the world's economy crumbles and Barack

Obama ascends to the White House, the remarkably unremarkable Milton Ontario - not to be confused with Milton, Ontario - leaves his parents' basement in Middle-of-Nowhere, Saskatchewan, and sets forth to find fame, fortune, and love in the Euro-lite electric sexuality of Montreal; to bask in the endless twenty-something Millennial adolescence of the Plateau; to escape the infinite flatness of Saskatchewan and find his messiah - Leonard Cohen. Hilariously ironic and irreverent, in *Dirty Birds*, Morgan Murray generates a quest novel for the twenty-first century--a coming-of-age, rom-com, crime-farce thriller--where a hero's greatest foe is his own crippling mediocrity as he seeks purpose in art, money, power, crime, and sleeping in all day. *What Yet May Come* Meghan March LLC From the author of the #1 New York Times bestselling series *The Clique* comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor,

a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the

characters in the novels they read—and the notes passed down by the club's original members—the new members of The Dirty Book Club help each other find the courage to rewrite their own stories and risk it all for a happy ending.

Still Dirty Thorndike

Press Large Print

I did it. I married a billionaire. My reasons are my own, but the last thing I expected was to feel owned. I may have taken vows, but I'm still determined to be me. Now his rules are taking over my world, but I'm not the kind of girl to just obey. There's only one problem: I might actually be falling for him... I have no idea how this marriage is going to go, but holding onto a piece of myself while succumbing to his dirty pleasures is shaping up to be the ride of a lifetime. *Dirty Pleasures* is the second book in the Dirty Billionaire Trilogy and should be read following *Dirty Billionaire*. *Dirty Together*, the conclusion of this filthy trilogy, is available now. * * * "What I just read, was perfection. Playing Dirty Createspace Independent Publishing Platform

"Extraordinary." --Stephen King "This book is not simply the great American novel; it's the great novel of las Americas. It's the great world novel! This is the international story of our times. Masterful." --Sandra Cisneros También de este lado hay sueños. On this side too, there are dreams. Lydia Quixano Pérez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her

life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy--two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride la bestia--trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to? *American Dirt* will leave readers utterly changed. It is a literary achievement filled with poignancy, drama, and

humanity on every page. It is one of the most important books for our times. Already being hailed as "a Grapes of Wrath for our times" and "a new American classic," Jeanine Cummins's *American Dirt* is a rare exploration into the inner hearts of people willing to sacrifice everything for a glimmer of hope.

The Opportunist

Penguin

A groundbreaking, urgent report from the front lines of "dirty work"—the work that society considers essential but morally compromised. Drone pilots who carry out targeted assassinations. Undocumented immigrants who man the "kill floors" of industrial slaughterhouses. Guards who patrol the wards of the United States' most violent and abusive prisons. In *Dirty Work*, Eyal Press offers a paradigm-shifting view of the moral landscape of contemporary America through the stories of people who perform society's most ethically troubling jobs. As Press shows, we are increasingly shielded and distanced from an array of morally questionable activities that other, less privileged people perform in our name. The

COVID-19 pandemic has drawn unprecedented attention to essential workers, and to the health and safety risks to which workers in prisons and slaughterhouses are exposed. But *Dirty Work* examines a less familiar set of occupational hazards: psychological and emotional hardships such as stigma, shame, PTSD, and moral injury. These burdens fall disproportionately on low-income workers, undocumented immigrants, women, and people of color. Illuminating the moving, sometimes harrowing stories of the people doing society's dirty work, and incisively examining the structures of power and complicity that shape their lives, Press reveals fundamental truths about the moral dimensions of work and the hidden costs of inequality in America.

Dirty Penguin

LEX - The victim of a human trafficking ring, I was confined to a tiny bedroom with seven other women. The conditions were horrific. They'd taken my freedom, my clothes, and, eventually, what little hope I clung to. Then, one night, we heard gunshots. Prepared for the worst, I stood with my eyes fixed on the door,

ready to meet my fate. And then, he opened the door. He saved me from the monsters. Then, he simply walked away. Never in my wildest dreams would I have thought that one day I would save him from his. CHOLO - My focus was the Motorcycle Club, boxing, and work. I'd never been on a date. I guess it goes without saying that I'd never been in love, either. I had my share of sex, but my relationships always ended when the night was over. That all changed after I rescued her. I wasn't trying to be a hero, but she saw me as one. She said I saved her from the monsters. Want to know the truth? She saved me from mine.

Dirty Money Post Hill Press

BESTSELLER • NEWBERY

MEDAL WINNER •

NATIONAL BOOK AWARD

WINNER Dig deep in this

award-winning, modern

classic that will remind

readers that adventure is

right around the corner--

or just under your feet!

Stanley Yelnats is under a

curse. A curse that began

with his no-good-dirty-

rotten-pig-stealing-great-

great-grandfather and has

since followed

generations of Yelnatses.

Now Stanley has been

unjustly sent to a boys'

detention center, Camp

Green Lake, where the

boys build character by

spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel."

to the top of New Jersey's dope game. Using everyone who crosses their paths, nothing - not betrayal or addiction - will stop them from dispensing their street justice.

The Monster at the End of This Book Harper Collins

In this "compelling,

bighearted, emotionally

precise page-turner"

(Sunday Times), the New

York Times bestselling

writer and acclaimed

television host explores

the aftermath of a

tragedy on a small-town

to illuminate the shame

and longing that can flow

through generations—and

how the secrets of the

heart cannot stay be

buried forever. It is 1987

and a small Irish

community is preparing

for a wedding. The day

before the ceremony, a

group of young friends,

including the bride and

groom, are involved in an

accident. Three survive.

Three are killed. The lives

of the families are

shattered and the rifts

between them ripple

throughout the small

town. Connor survived,

but living among the

angry and the mourning is

almost as hard as carrying

the shame of having been

the driver. He leaves the

only place he knows for

another life, taking his

secrets with him. Travelling first to Liverpool, then London, he eventually makes a home—of sorts—for himself in New York, where he finds shelter and the possibility of forging a new life. But the secrets—the unspoken longings and regrets that have come to haunt those left behind—will not be silenced. Before long, Connor will have to confront his past. A powerful and timely novel of emigration and return, *Home Stretch* demonstrates Norton's keen understanding of the power of stigma and secrecy—and their devastating effect on ordinary lives.

Teach Me Dirty Del Rey Charlie Asher is a pretty normal guy with a normal life, married to a bright and pretty woman who actually loves him for his normalcy. They're even about to have their first child. Yes, Charlie's doing okay—until people start dropping dead around him, and everywhere he goes a dark presence whispers to him from under the streets. Charlie Asher, it seems, has been recruited for a new position: as Death. It's a dirty job. But, hey! Somebody's gotta do it. **The Dirty Dust** Beyond

Words/Atria Books Warner never did the things he wanted, and now it's too late. Alex did everything he wanted, and now it's all over. Is it better to have played and lost, or never to have played at all? When a health scare forces celebrity hairdresser and enthusiastic dominant Alexander Styles into retirement in Maine - clean air, clean living, blah blah blah - he reluctantly hangs up his leathers and does what is good for him, ready to try moderation after a life of excess. But old habits die particularly hard in old dogs and when he meets Warner Smith, funny, surprisingly bratty, fit at fifty, and wholly inexperienced in the fantasies that have never made it further than the inside of his head he figures he has one more bout of domination left in him, if he is careful. After all, nobody should have questions about something this essential at their time of life. He thought it was a favour, he thought it was a good deed to even out his karma a little, he never expected the energy to be so profound, or the connection to be so immediate. Alex, for the first time in his life, finally,

is falling for someone, and he didn't see that coming in the December of his life. What Yet May Come is a low angst, friends to lovers story of kink exploration turned life changing relationship between two older men. There will be a Happy Ever After and the book is a standalone but being from Romilly King, author of the Delphic Agency Series, you can expect steam. ** Due to a glitch early readers received an incomplete manuscript - if this happened to you please download the update available on the Manage Devices page of your account. Apologies for any inconvenience caused **

A Novel Simon and Schuster "The novel that foreshadowed Donald Trump's authoritarian appeal."—Salon It Can't Happen Here is the only one of Sinclair Lewis's later novels to match the power of *Main Street*, *Babbitt*, and *Arrowsmith*. A cautionary tale about the fragility of democracy, it is an alarming, eerily timeless look at how fascism could take hold in America. Written during the Great Depression, when the country was largely oblivious to Hitler's aggression, it

juxtaposes sharp political satire with the chillingly realistic rise of a president who becomes a dictator to save the nation from welfare cheats, sex, crime, and a liberal press. Called "a message to thinking Americans" by the Springfield Republican when it was published in 1935, *It Can't Happen Here* is a shockingly prescient novel that remains as fresh and contemporary as today's news. Includes an Introduction by Michael Meyer and an Afterword by Gary Scharnhorst

[The Dirty Billionaire Trilogy](#) Simon and Schuster

From the "queen of urban fiction" (Publishers Weekly), Vickie Stringer, come three scorching tales of love, lies, and loss. *Dirty Red* Mischievous and manipulative, eighteen-year-old Red is an expert at deception with a provocative femininity. She employs her dirty ways—even faking a pregnancy with her boyfriend—to win a closet full of Gucci bags, a deluxe condominium full of baby accessories, a new car, and a book deal.

But when one of Red's scams backfires and she winds up truly pregnant by her inmate ex-boyfriend, Bacon, she finds herself in more trouble than she's ever known. The drama truly unravels when Red's picture-perfect cons fall apart due to the power of—surprisingly—love. *Still Dirty In Still Dirty*, Red is again caught in a web of murder, theft, and deceit. We find her and her boyfriend Q running for a plane to Mexico after a violent fight with her ex-boyfriend Bacon, a released convict. Bacon is on their heels and determined not to let Red get away alive. Will Q come to her rescue once again? Or will he tire of cleaning up after Red's dirty deeds? *Dirtier Than Ever* Bacon returns from prison and suddenly Q is left for dead. With Q out of the picture, Bacon now has Red to himself. His sights are set on being the top hustler with Red by his side. He believes Red has finally changed when she reveals the truth about her past. But all comes to a head when the snooping detective,

Thomas, suspects Red's involvement in Q's getting shot and the murder of Zeke, Q's best friend. With two murders, a tumultuous love affair, and money on her mind, Red must make a decision . . . does she turn over a new leaf or revisit her dirty ways of old?

The Book of Lost Things Createspace Independent Publishing Platform

There's nothing I wouldn't do for my best friend. Like, hide the fact I've been in love with her for years. Or agree to be her fake boyfriend when we have to return to her hometown for her exes wedding. Little does Jillian know this is what I've been waiting for. It's a dream come true. I finally get to touch her and love her in all the ways I've been dying to show her. For one weekend only, she's mine, even if she thinks it's fake. Pretending to love her is easy. I want her to be mine forever. Getting Jillian to admit it's what she wants too, is another thing. On or off the ice, I have no problems fighting dirty to get what I want. But this is one fight I might just lose.
