The poetry of Dylan Thomas has long been heralded as amongst the greatest of the Modern period, and along with his play, *Under Milk Wood*, his books are amongst the best-loved works in the literary canon. This new selection of his poetry contains all of his best-loved verse - including 'I See the Boys of

Summer', 'And Death Shall Have No Dominion', 'The Hand that Signed the Paper' and, of course, 'Do Not Go Gentle into that Good Night' - as well as some of his lesser-known lyrical pieces, and aims to show the great poet in a new light. '[Then] the greatest living poet in the English language.' (Observer) 'He is unique, for he distils an exquisite mysterious moving quality which defies analysis.' (Sunday Times)

Rebecca's Daughters is the nearest Dylan Thomas ever came to realizing his ambition to write a film scenario in such a way that it would not only stand ready for shooting but would, at the same time, give the ordinary reader a visual impression of the film in words. A romantic adventure story set in mid-nineteenth-century Wales, Rebecca's Daughters has a dashing hero who is not what he seems; commonfolk oppressed

by the landowners; and finally, justice triumphant over greed and misused privilege. Who is the mysterious "Rebecca" swathed in wide black skirts with a shawl drawn over his mouth and his eyes flashing from beneath the brim of his tall black hat as he exhorts his "daughters" to tear down the hated tollgates imposed by the gentry's Turnpike Trust? And where does the foppish Anthony Raine--just returned from a tour in India with the despised British army--stand? And how is the lovely Rhiannon to choose between them? This reissue of Thomas's delightful tale of derring-do has been illustrated with charm and verve by the celebrated wood engraver and graphic artist Fritz Eichenberg.

2018\* \*Winner of the Somerset

Maugham Award 2018\* 'A brilliant debut - a tender, nostalgic and, at times, darkly hilarious exploration of black boyhood, masculinity and grief. A gorgeous and necessary collection from one of my favourite writers' Warsan Shire

Translating as 'initiation', kumukanda is the name given to the rites a young boy from the Luvale tribe must pass through before he is considered a man. The poems of Kayo Chingonyi's remarkable debut explore this passage: between two worlds, ancestral and contemporary; between the living and the dead;

between the gulf of who he is and how he is perceived. Underpinned by a love of music, language and literature, here is a powerful exploration of race, identity and masculinity, celebrating what it means to be British and not British, all at once. \*Shortlisted for the Costa Poetry Prize; Seamus Heaney Centre First Poetry Collection Prize; Ted Hughes Award for New Work in Poetry; Roehampton Poetry Prize; Jhalak Prize 2018\*

*How Do I Feel?* New Directions Publishing  
Dylan Thomas was one of the most extraordinary poetic talents of the twentieth century. Poems such as 'Do not go gentle into that good night' regularly top polls of the nation's favourites and his much-loved play *Under Milk Wood* has never been out of

print. Thomas lived a life that was rarely without incident and died a death that has gone down in legend as the epitome of Bohemian dissoluteness. In *The Three Lives of Dylan Thomas*, journalist Hilly Janes explores that life and its extraordinary legacy through the eyes of her father, the artist Alfred Janes, who was a member of Thomas's inner circle and painted the poet at three key moments: in 1934, 1953 and, posthumously, 1964. Using these portraits as focal points, and drawing on a personal archive that includes drawings, diaries, letters and new interviews with Thomas's friends and descendants, *The Three Lives of Dylan Thomas* plots the poet's tempestuous journey from his birthplace in Swansea to his early death in a New York hospital

in 1953. In this innovative and powerful narrative, Hilly Janes paints her own portrait: one that ventures beneath Thomas's reputation as a feckless, disloyal, boozy Welsh bard to reveal a much more complex character.

Before his death, Dylan Thomas said of Vernon Watkins, "I think him to be the most profound and greatly accomplished Welshman writing poems in English."

Since that time Watkins has published a series of distinguished volumes which have brought him to the forefront of contemporary English poets. This paperback selection is designed to bring

the work of Vernon Watkins to the wide audience which it so well merits. The choice of poems has been made by the poet himself and is drawn from five earlier books, covering the period 1930-1960. (It replaces the hardbound *Selected Poems* which New Directions published in 1918.)

The definitive biography of the poet who was almost as notorious for his 'rock 'n' roll' lifestyle as his artistic work Dylan Thomas was a romantic and controversial figure; a poet who lived to excess and died young. An inventive genius with a gift for both lyrical phrases and impish humour, he also wrote for films and radio, and was renowned for his stage performances. He became the

first literary star in the age of popular culture - a favourite of both T.S. Eliot and John Lennon. As his status as a poet and entertainer increased, so did his alcoholic binges and his sexual promiscuity, threatening to destroy his marriage to his fiery Irish wife Caitlin. As this extraordinary biography reveals, he was a man of many contradictions. But out of his tempestuous life, he produced some of the most dramatic and enduring poetry in the English language.

*My Father's Places* HarperCollins UK

In 1949, after years of nomadic existence, nine-year-old Aeronwy Thomas and her family arrived at the Boat House in Laugharne, a small village on the Welsh coast. Here her father, the poet Dylan Thomas and mother, Caitlin, hoped to find peace, a place to settle

and work. In Laugharne Dylan began some of his most famous works, including *Under Milk Wood*. Mornings were spent in Brown's Hotel, listening to the gossip at Ivy William's kitchen table. In the afternoons Caitlin would lock the poet into a shed in the garden, where he sat speaking his verse aloud as he wrote, or composed begging letters to patrons and friends. Often he would head off to London, and old haunts. Little Aeronwy enjoyed the new world around her. In the Boat House, ruled over by Caitlin, there was baby Colm and in the holidays visits from big brother Llewellyn, as well as Dolly, the cleaner and cook, and the house became a refuge for village characters, including Booda the deaf, mute ferry man. The memoir paints scenes of sudden drama

and poetry: reading *Wind in the Willows* with her father in the evenings; fish treading in the mud below the house with her mother; afternoons with Grandma Flo and DJ at the Pelican. Dylan's fame grows and he tours the United States to read his poetry. Aeronwy watches as the marriage fractures, and at last the poet dies in New York, far away from his children. *My Father's Places* is a deeply moving portrait of growing up and an insight into the origins and the legacy of Dylan Thomas's poetry.

#### On the Air with Dylan Thomas Triglyph Books

When Dylan Thomas died in 1953 at the height of his fame, his death was widely believed to have been caused by his chronic alcoholism. This book explores

recent discoveries which show that he was in fact a diabetic who was given the wrong treatment at his New York hospital - the treatment that this book claims led to his death. The book aims to establish what really happened, and to trace the life of his wife Caitlin following his death, when no one doubted she was equally to blame for his death, and she fled the country. The events of Caitlin's life after this are explored, from her settling in Italy, to her feuding with her children by Dylan and the trustees of his estate, her fourth child at the age of 49, and her refusal to marry again.

This collection features perhaps Dylan Thomas' best-known poem, 'Fern Hill' - a profoundly melancholic and wistful meditation on former times; set in the idyllic Carmarthenshire dairy farm owned by his aunt and uncle when he was a boy. Another beloved poem 'Do not go gentle into that good night' was written by the poet for his dying father, exploring the themes of grief, loss and death.

Why do some writers destroy themselves by drinking alcohol? Before our health-conscious age it would be true to say that many writers drank what we now regard as excessive amounts. Graham

Greene, for instance, drank on a daily basis quantities of spirits and wine and beer most doctors would consider as being dangerous to his health. But he was rarely out of control and lived with his considerable wits intact to the age of eighty-six. W. H. Auden drank the most of a bottle of spirits a day, but also worked hard and steadily every day until his death. Even T. S. Eliot, for all his pontifical demeanour, was extremely fond of gin and was once observed completely drunk on a London Tube station by a startled friend. These were not writers who are generally regarded as alcoholics. 'Alcoholic' is, in any case, a slippery word, as exemplified by Dylan Thomas's definition of an alcoholic as 'someone you dislike who drinks as much as you.' The word is still

controversial and often misunderstood and misapplied. What acclaimed novelist and poet William Palmer's book is interested in is the effect that heavy drinking had on writers, how they lived with it and were sometimes destroyed by it, and how they described the whole private and social world of the drinker in their work.

- Each of the 12 houses will be featured in national and international press to announce the book- In the UK, the media includes Tatler, House & Garden, Country Life, The English Home, and Telegraph Luxury Online- In the US, the

media includes Town & Country, Architectural Digest Online, The AD Aesthete Podcast, Air Mail, and Departures This book is a sumptuously produced journey around 12 privately-owned country houses, asking what it is like to live in such places today. What role do they play in the 21st century? For many years after the Second World War, the country house was struggling. Now a new generation of young owners, often with children, has taken over. They're finding innovative ways to live in these ancient, fragile and poetic places. While they treasure the history and beauty of the houses, they're also adapting and enhancing them for a modern era. Old Homes, New Life is a behind-the-scenes account of today's aristocracy, as they reinvent the country house way of life.

Each family does this in its own way, maintaining the tradition of individualism, even eccentricity, which is so much associated with country houses. Dylan Thomas's superb yet intimate photographs capture both the inhabitants of these houses and the spaces they occupy - from State dining to family kitchen, walled garden to attic. This feast for the eyes is accompanied by an equally mouth-watering text by Clive Aslet, based on interviews with family members and his long experience of the subject through his years as editor of Country Life. The result is an exclusive tour of a dozen spectacular homes.

The most complete and current edition of Dylan Thomas' collected poetry in a beautiful gift edition celebrating the centenary of his birth The reputation of Dylan Thomas (1914-1953) as one of the greatest poets of the twentieth century has not waned in the fifty years since his death. Few writers have evoked as successfully, the mysteries and adventures of boyhood, of young love with its shattered dreams, or of death haunting

two lads at play: none has done it in as fresh and telling phrases, with an elation as natural and contagious. The "Young Dog" of the title is of course Thomas himself, and this volume of autobiographical stories by the great modern poet, who died at 39 while on his third lecture tour in the United States, shows his waggish humor at its best, his exuberance and verbal magic in spectacular display. It also shows him a spinner of tales and a creator of memorable characters. There is the grandfather who marches off in his best clothes to be buried in the next town, the sardonic "senior reporter" on a provincial newspaper, servant girls who know how to deal triumphantly with a fast-talking dandy, a twenty-year-old farmer preaching wildly to boys in a

deserted barn, a group of respectable  
worthies who play at literature behind

closed blinds, and always the observant  
and unfazed young Thomas.
