Dragon on Top Zebra  
Books  
Boxed set includes  
both full length  
gryphon shifter novels,  
Wingspan and Skyfall.  
Wingspan: Jenn Klein  
was raised in the  
human world unaware  
of her gryphon  
heritage or the legacy

before her. Devastated  
by the death of her  
twin brother, she  
makes the  
uncharacteristic  
decision to find  
emotional connection  
with a stranger, a man  
she knows only as  
Talon in the cave-like  
sleeper cab of his rig.  
But no sooner is she  
introduced to the  
gryphon world they're  
meant to share than  
she's violently taken  
and forced to fight,

delicately balancing the human world she knows with the world of the gryphons. Born and reared a proud warrior, Talon's life takes the turn of most male gryphons; that of a rogue, existing in both the human world and on the fringes of his adopted Rocky Mountain eyrie. After proving himself to the beautiful but emotionally damaged rogue female in his truck they part ways. He's haunted by her presence in his heart until they're reunited in his eyrie. When she's torn from his arms he'll stop at nothing to have the woman he now calls Shadow returned to his side. Skyfall: When Cloud is expelled from Master Sky's ranger training program, the last gryphon she expects to

find at her den is her old lover Soar. Now she's the only gryphon with the skills to get inside a corrupt Calgary eyrie and Soar needs her in more ways than one. Cloud has little choice but to accept the mission. Success will get her back in Sky's good books but accepting Soar as her working partner will either heal her broken heart or ruin it completely. Master Soar walked out of Cloud's life when her departure to the ranger program was inevitable. She was motivated, beautiful and too young to tie herself to someone like him. As much as it hurt, it was better to let her go. But when the Calgary eyrie is at the centre of a conspiracy to destroy his own, he's forced to

play every card he has, including Cloud. When Cloud shuts him out and starts to operate on her own he has no choice but to go in after her, risking the entire mission to get the gryphon he loves out alive.

**The Distressing Damsel**  
Two warriors butt heads and fall in love as they save the world in this romantic adventure by the New York Times–bestselling author of *The Unleashing Stieg Engstrom*, *Angriest Viking Ever*, has got big problems. The human Viking Clans of earth are in danger of being obliterated—along with the rest of the world—and the only one who may be able to save them is a super pain-in-the-ass Crow.

Most people annoy Stieg, but this is the one woman he really can't stand . . . Erin Amsel loves being a Crow! Why wouldn't she when the other Viking Clans are so hilariously arrogant and humorless? She's not about to let all that come to an end! She just didn't expect to be shoulder to shoulder in battle with Stieg. Then again, he's so easy to torment—and also kind of cute. With the future of the world riding on them, Stieg knows he'll have to put aside his desperate need to kiss the smirk right off Erin's face. Wait. What? He didn't mean that—did he? No! They have one goal: To conquer the idiots. Because nothing bugs Stieg more than when idiots win. If only he can keep himself from

suddenly acting like one . . . Praise for The Unyielding “Jam-packed with humor, sex, action, snark, outrageous characters, and sheer insanity, Laurenston has created another paranormal world that just screams F.U.N.” —Smexy Books “The blend of screwball romance, mythological mayhem, and all-out action is as enjoyable as ever, wrapping up the three-book arc in a satisfying manner.” —Publishers Weekly

**Can't Get Enough** Del Rey

"You must go to the dragon. You must leave tonight." Before she even hears the words, Kaeldra already knows she must find the mother dragon whose draclings have just hatched and get some of the precious milk in order to save

her foster sister's life. Since Kaeldra can communicate with dragons, she is the only one who can accomplish the task. And so she begins a journey that will entwine her fate with that of three little draclings and one would-be dragonslayer—a journey that will become a struggle for life.

A healer and a dragon queen. They're meant for each other--and for

so much more. A baby, abandoned on a harsh slope to die. She grew into a healer, but she can't grow out of the thing that keeps her from being entirely human. An ice-blue dragon who will one day be queen. Self-confident, and beloved, but there has always been a hole inside her that nothing can fill. Neither of them is ready for what awaits--but the Star doesn't wait for those it calls to be ready.

Kevin J. Anderson's sequel to *Spine of the Dragon* brings bitter rivalry and blood feud—that might be the downfall of the human kingdoms. Two continents at war, the Three Kingdoms and Ishara, have been in

conflict for a thousand years. But when an outside threat arises—the reawakening of a powerful ancient race that wants to remake the world—the two warring nations must somehow set aside generations of hatred to form an alliance against a far more deadly enemy. Book One awakened the great dragon, and set the kingdoms at each other's throats. In Book Two, Vengewar, the Three Kingdoms are shattering under pressure from an inexperienced new King who is being led by an ambitious regent to ignore the threat of the Wreths, in favor of a Vengewar with Ishara. His brother and uncle can see only the danger of the Older Race. In *Ishara*, the

queen lies in a coma, while an ambitious priest seizes power. But he has neither the training nor the talent to rule a nation— or even a city. Ishara is in deadly peril, and the Wreths have not even appeared on their continent. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Beowulf Kensington Publishing Corp. Wyvernwood, a deep and mysterious forest in the land of Engmar, is the last known refuge for the descendants of the great and majestic dragons that once ruled the skies. And with them have come most of the remaining mythological and magical creatures of the world. But there is

no stopping the encroachment of Men. It is clear to all the creatures of Wyvernwood, that if they are to survive, a new refuge must be found. Lost in the dangerous outer world, prophecy says, are three ancient artifacts: the Diamond Dragon, the Glass Dragon, and the Heart of All Dragons. When the three are united once again, they will point the way to a new home. Harrow, Chan, and Luna are three young dragon triplets. Prophecy says that one of the three will rise to lead the dragons to a new home—but which one? Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated

naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply

fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors.

Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet

position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native

costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

There are only four. The prophecy speaks of five. They have time yet... until the Dragon Star sends visions of doom for the dragons across the waters and even those not called

must be ready. A small elf who has waited so very long for a dragon of her own prepares to do what she can to help her friends pack their bags and meet their destinies, and hides the terrible sadness in her own heart. She has not been chosen. Then the dragon queen looks into Kellan's eyes and says the three words that will change everything. It is time. [Light My Fire](#) Lulu.com "Sexy and outrageous humor" heat up this fun fantasy from the New York Times bestselling author of the Scarred Earth Saga (Romantic Times). I know what they see when they look at me. The charming, soft-spoken dragoness bred from the most powerful of royal bloodlines. A disguise stronger than

any battle shield that allows me to keep all suitors at tail's length. A technique that's worked until him. Until Ragnar the Cunning, handsome barbarian warlord and warrior mage from the desolate Northlands. Unlike those who've come before him, he does not simply submit to my astounding charm and devastating smile. Instead, he dismisses me as vapid, useless and, to my great annoyance, rather stupid! Yet I'll allow no male to dismiss me. Soon he'll learn my worth, my many skills, and the strength of my will. For this one challenges me enough to make me want to ruthlessly taunt him, tease him and, finally, when the trap is set, bring him to his knees. Praise for

The ancient prophecy speaks of the five, those who will come to save all of dragonkind. Like most prophecies, it leaves out a lot of the important details... ### **The King in Yellow**

Kristie Lynn Higgins Sanity is overrated in this "captivating, funny, exciting" fantasy adventure from the New York Times bestselling author of the Scarred Earth Saga (Smexy Books). Some things never go away, like vile enemies, bad ale, and annoying kin. But I thought I was finished with the one dragon I'd have done anything for: Éibhear

the Blue, a big, gorgeous, blue-haired beast who thinks the world belongs to him. The world and, apparently, me. So if Éibhear wants to play the caring hero and travel into the most forsaken of Gods forsaken lands to protect the one woman who doesn't need it—namely me—I'll let him. Because while I'm trying to fulfill a ridiculous quest for a pushy god, I'm going to draw this overconfident warlord much too close, rekindle his fires, and enjoy every minute of his delicious defeat . . . "Gemma Smythe dedicated her life to the glory of battle. With her fellow War Monks, she worshipped the war gods, rained destruction on her enemies, and raised the dead when the fancy took her. Until her sister Keeley became the prophesied Blacksmith Queen, and Gemma broke faith with her order to journey to the Amichai Mountain and fight by Keeley's side. The

Amichai warriors are an unruly, never-to-be-tamed lot, especially their leader-in-waiting, Quinn. But when the War Monks declare support for Gemma's ruthless younger sister Beatrix, the immaturity of her key ally is the least of Gemma's problems. She has to get to the grand masters, dispel their grudge against her, and persuade them to fight for Keeley and justice. If her conviction can't sway them, perhaps Quinn's irritating, irreverent, clearly unhinged, ferocity will win the day."--Provided by publisher.

I, Aidan the Divine, am, well divine. My name was given to me by the Dragon Queen herself! I’m a delight! Cheerful. Charming. And a mighty warrior who is extremely handsome with a very large and

well-hidden hoard of gold. I am also royal born, despite the fact that most in my family are horrendous beings that don’t deserve to live. And yet, Branwen the Awful—a low-born, no less—either tells me to shut up or, worse, ignores me completely. SHE SAYS . . . I’ll admit, I ignore Aidan the Divine because it annoys him. A lot. But, we have so much to do right now, I can’t worry about why he keeps looking at me like he’s thinking about kissing me. We have our nations to save and no time for such bloody foolishness . . . no matter how good Aidan looks or how long his spiked tail is.
