Fearless adventurer Dirk Pitt must unravel a historical mystery of epic importance in the latest novel in the beloved New York Times bestselling series created by the "grand master of adventure" Clive Cussler. In 1959 Tibet, a Buddhist artifact of immense importance was seemingly lost to history in the turmoil of the Communist takeover. But when National Underwater and Marine Agency Director Dirk Pitt discovers a forgotten plane crash in the Philippine Sea over 60 years later, new clues emerge to its hidden existence. But Pitt and his compatriot Al Giordino have larger worries when they are ordered to recover a failed hypersonic missile from Luzon Strait. Only someone else is after it, too...a rogue Chinese military team that makes their own earthshattering discovery, hijacking a ship capable of stirring the waters of the deep into a veritable Devil's Sea. From the cold dark depths of the Pacific Ocean to the dizzying heights of the Himalaya Mountains, only Dirk Pitt and his children, Summer and Dirk Jr., can unravel the mysteries that will preserve a religion, save a nation...and save the world from war.

In 533 A.D., the last Vandal ruler in North Africa consults an oracle on how to defeat the invading Byzantine army. The oracle tells the king that a high priestess cast a curse upon the Vandal Kingdom after a sacred scroll was stolen. In order to lift the curse, the scroll must be returned to its rightful home. But the kingdom falls before the scroll is found, leaving its location a great mystery...until a current day archeological dig, funded by Sam and Remi Fargo, uncovers some vital clues. The search for the ancient scroll is put on hold when the Fargos learn that a shipment of supplies intended for their charitable foundation's school has been stolen, and they travel to Nigeria to deliver new supplies themselves. But their mission

becomes infinitely more complicated when they run afoul of a band of robbers. The group takes Remi and several students hostage, and there are signs that the kidnapping is related to the missing scroll. The Fargos need all their skills to save the lives of the young girls at the school before they uncover the hidden treasure...and lift the deadly curse.
