 Don't miss the first epic She-Ra and the Princesses of Power graphic novel, based on stories by showrunner Noelle Stevenson! Even after everything that's happened, the

world outside the Horde's walls is still a strange one to Adora. Each day she's learning more about her growing powers as She-Ra, including something new: the ability to heal corrupted runestones. Runestones are the magical source from which princesses like Frosta, Mermista, and Perfuma draw their power, but Glimmer knows of another runestone -- one with a

dark past. Long ago a fire princess ruled the lands to the west, until her thirst for power corrupted her, and led to the ruin of her kingdom. Glimmer thinks the lost fire runestone could give the Rebellion an edge in the fight against the Horde, but claiming this ancient power won't be easy... especially not when the Horde has their eyes set on the same prize. Don't miss this original

graphic novel based on stories by She-Ra showrunner and New York Times bestselling author Noelle Stevenson, with script by Gigi D.G. and art by Paulina Ganucheau! **The Wolf's Call** Penguin Twenty-nine tales from the folklore of Turkey, India, Denmark, Armenia, and the Sudan. **Can a Princess Be a Firefighter?** Harper Collins "Rae Carson has proved she's a master and has

The Girl of Fire and Thorns is a sweeping journey full of adventure, sorcery, heartbreak, and power. Fans of Shadow & Bone and Game of Thrones, will devour this fantasy series. Once a century, one person is chosen for greatness. Elisa is the chosen one.

But she has always felt powerless, useless. Now, on her sixteenth birthday, she has become the secret wife of a handsome and worldly king—a king whose country is in turmoil. A king who needs her to be the chosen one, not a failure of a princess. And he's not the only one who seeks her. Fierce enemies, seething with dark magic, are hunting her. A daring, determined revolutionary thinks she

could be his people's savior. Soon it is not just her life, but her very heart that is at stake. Elisa could be everything to those who need her most. If the prophecy is fulfilled. If she finds the power deep within herself. If she doesn't die young. Most of the chosen do. William C. House of the Dragon "The thrill of Fire & Blood is the thrill of all Martin's fantasy work: familiar myths debunked, the whole trope table flipped."—Entertainment Weekly Centuries before the events of A Game of Thrones, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. Fire & Blood begins their tale with the

legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. What really happened during the Dance of the Dragons? Why was it so deadly to visit Valyria after the Doom? What were Maegor the Cruel's worst crimes? What was it like in Westeros

when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel and featuring more than eighty-five black-and-white illustrations by artist Doug Wheatley—including five illustrations exclusive to the trade paperback edition. Readers have glimpsed small parts of this narrative in such

volumes as *The World of Ice & Fire*, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and grandeur of Gibbon's *The History of the Decline and Fall of the Roman Empire*, *Fire & Blood* is the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of

Westeros. Praise for *Fire & Blood* “A masterpiece of popular historical fiction.”—*The Sunday Times* “The saga is a rich and dark one, full of both the title’s promised elements. . . . It’s hard not to thrill to the descriptions of dragons engaging in airborne combat, or the dilemma of whether defeated rulers should ‘bend the knee,’ ‘take the black’ and join the Night’s Watch, or simply meet an

inventive and horrible end.”—The Guardian

 Disney's Twisted Tales meets the Half Upon a Time trilogy in this "lively" (School Library Journal) first book of a new fantasy series following a young girl who discovers that fairy tale characters are real when she

becomes the target of vindictive princesses who want their Happily Ever Afters. Cia Anderson hasn't slept in ten days, but she doesn't feel one bit tired. She knows that something is up, even if no one but her best friend believes her. Hundreds of pairs of shoes have appeared in her locker, small woodland animals are trailing her, and the only boy she's ever had a crush on has been

quarantined with a mysterious illness. There's even talk of closing her middle school. Something strange is going on. Cia discovers that she has accidentally upset some fairy tale characters who are trying to find their happily ever afters in the modern world. Desperate to set things right, Cia enlists the help of Cinderella's stepsister, gets kidnapped by Snow White's

dwarves, and makes a deal that she might regret with the Evil Queen—all while trying to stay one step ahead of the furious princesses who want her dead. Turns out there's nothing meaner than a fairy tale character who can't find her prince charming. *Heir of Fire* Scholastic Inc. The heir of ash and fire bows to no one. A new threat rises in the third book in the #1 bestselling Throne of

Glass series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth. That truth could change her life-and her future-forever. Meanwhile, monstrous forces are gathering on the horizon, intent on enslaving her world. To defeat them, Celaena will need the strength not only to fight

the evil that is about to be unleashed but also to harness her inner demons. If she is to win this battle, she must find the courage to face her destiny-and burn brighter than ever before. The third book in the #1 New York Times bestselling Throne of Glass series continues Celaena's epic journey from woman to warrior. *Force of Fire (The Fire Queen #1)* Simon and Schuster  
In this “deftly

and originally executed” (Booklist) New York Times bestselling novel, Vaelin Al Sorna must help his Queen reclaim her Realm. Only his enemy has a dangerous new collaborator, one with powers darker than Vaelin has ever encountered... “The Ally is there, but only ever as a shadow, unexplained catastrophe or murder committed at the behest of a dark vengeful spirit. Sorting

truth from myth is often a fruitless task.” After fighting back from the brink of death, Queen Lyrna is determined to repel the invading Volarian army and regain the independence of the Unified Realm. Except, to accomplish her goals, she must do more than rally her loyal supporters. She must align herself with forces she once found repugnant—those who possess the strange and

varied gifts of the Dark—and take the war to her enemy's doorstep. Victory rests on the shoulders of Vaelin Al Sorna, now named Battle Lord of the Realm. However, his path is riddled with difficulties. For the Volarian enemy has a new weapon on their side, one that Vaelin must destroy if the Realm is to prevail—a mysterious Ally with the ability to grant unnaturally long life to her

servants. And defeating one who cannot be killed is a nearly impossible feat, especially when Vaelin's blood-song, the mystical power which has made him the epic fighter he is, has gone ominously silent...

 The first book in the New York Times bestselling series "made for fans of Victoria Aveyard and Sabaa Tahir" (Bustle), Ash Princess is an epic new fantasy about a throne cruelly stolen and a girl who must fight to take it back for her people. Theodosia was six when her country was invaded and her mother, the Fire Queen, was murdered before her eyes. On that day, the Kaiser took

Theodosia's family, her land, and her name. Theo was crowned Ash Princess-- a title of shame to bear in her new life as a prisoner. For ten years Theo has been a captive in her own palace. She's endured the relentless abuse and ridicule of the Kaiser and his court. She is powerless, surviving in her new world only by burying the girl she was deep inside. Then, one night, the Kaiser forces her to do the

unthinkable. With blood on her hands and all hope of reclaiming her throne lost, she realizes that surviving is no longer enough. But she does have a weapon: her mind is sharper than any sword. And power isn't always won on the battlefield. For ten years, the Ash Princess has seen her land pillaged and her people enslaved. That all ends here. "elegant and adrenaline-soaked." In this richly developed fantasy, Lei is a member of the Paper caste, the lowest and most persecuted class of people in Ikhara. She lives in a remote village with her father, where the decade-old trauma of watching her mother snatched by royal guards for an unknown fate still haunts her. Now, the guards are back and this time it's Lei

they're after -- the girl with the golden eyes whose rumored beauty has piqued the king's interest. Over weeks of training in the opulent but oppressive palace, Lei and eight other girls learn the skills and charm that befit a king's consort. There, she does the unthinkable: she falls in love. Her forbidden romance becomes enmeshed with an explosive plot that threatens

her world's entire way of life. Lei, still the wide-eyed country girl at heart, must decide how far she's willing to go for justice and revenge. [A Spark of White Fire](#) Avon Saxon barbarians threaten to destroy medieval Wales.
