O que é um “discípulo”? Ou melhor: o que é “construir” um discípulo? Este livro trata sobre o papel do discipulador como “mentor” e as sete fases do discipulado, desde a acolhida do novo-convertido (o “não envolvimento” é um problema comum em muitas igrejas) até o preparo do mesmo para cumprir o “ide” de Jesus, fazendo do discipulador um construtor de felizes e frutíferos

servos de Cristo.

What is prayer? Are we really praying when we pray? Do we know the power of prayer? These matters and others must be understood if we would have a real prayer life and be effective in prayer. In this little volume of collected messages given over a long period of ministry by the author, and which are now translated and published in English for the first time, Watchman Nee shares with us the

lessons on prayer that he has learned through the years. He considers prayer to be a mystery, though not something that is incomprehensible. He views prayer as the greatest work to which men are called. It is a working together with God. Through it, God's purpose is accomplished and Satan's intentions are broken. And its benefit to the one who prays is something great as well. Let us therefore follow the admonition of our blessed Lord, who said: "Rise and pray" (Luke 22.46).

Starting a Church Revolution Through Serving CreateSpace

Here in modern English is the most famous of Baptist Confessions containing the heart and soul of the Reformation in terms of clear Biblical truth. Here is a Confession of faith for churches to be

founded upon, a faith for church members to know, love, defend and propagate, a faith that church officers can hand on to future generations. The Introduction which forms a preface to this Confession explains its origin and discusses several particularly relevant issues contained in the chapters, thereby increasing the usefulness of the whole.

Revival God's Way Harvest House Publishers

This book is essentially bound as a Wire-O bound journal, with a hardback cover wrapping around the entire book, even the spine. This keeps the book in good shape for a long time, and also provides for optimum usability. The One True God is a unique kind of workbook, intending not just to teach truth but to

lead to an encounter with the living God. Beneath that goal the book aims to ground believers in orthodox Christian theology and the actual contents of the Bible. Students are encouraged to thoughtfully draw conclusions from the Scriptures rather than to merely absorb the principles, inferences, and illustrations set before them by the author. For this reason the book does not include such material and instead focuses on digesting the Scriptures directly. Through God's own words and under various systematic headings the book unfolds the nature of God. In this way the reader is set on a firm foundation and will readily perceive the centrality and high authority of biblical doctrine within the Christian life. It is the author's conviction that the study of

doctrine is both an intellectual and devotional discipline. Therefore students are guided throughout the study to think through and apply the truths they learn, meditating on the demands of Scripture for their heart and mind. The book puts us squarely in the middle of the material and demands we give searching thought to how we will live before such a God. This workbook is especially suited for the following contexts: (1) doctrinal training for new converts; (2) college and adult group Bible studies; (3) private study; (4) Christian or home school curriculum; (5) Sunday school material; (6) an aid to parents in teaching the Word of God to their children.

Sodom Had No Bible Ravenhill

My confidence in mass evangelism is completely shattered. After twenty years

of multi-million dollar crusades, both of the conventional type and the other with the healing emphasis, the nation is nearer spiritual bankruptcy, moral desolation, and social anarchy than ever before. This is of course not because of these crusades but in spite of them. We have tried every crowd pulling gimmick we know. We have offered the perishing public a star studded platform of Czars from the sports and entertainment world as a "come-on" for the preacher's message. All of this has failed, completely and conspicuously. The nation blinked for a mere moment, turned over, and is now snoring in its sleep of death. When the church gets a divorce from the world and worldliness, when we can ignore so-called Christian entertainers who attempt to combine

Hollywood and holiness, when we cease from the strivings of the flesh and recognize that the Bible written yesterday is for today and for tomorrow, and that it and it alone has the formula for revival, we shall at least have started on the road to the reformation in the church which must precede the true spiritual awakening which alone can save our generation. It's Pentecost or holocaust, revival fire or the fire of revolution! Three brethren have sent a letter to the President of these United States saying that we need a day of prayer for this calamity hour. Strange that these men, so wise in many ways, are so blind to the fact that we have had national days of prayer. There is one thing that must precede prayer and that is repentance. No president can call a

nation to that. It would take a prophet fierce in the Holy anger of an outraged God to smite a nation so that it counts everything but loss to get the smile of that rejected God.-- LEONARD RAVENHILL

Memoirs of a suicide Clube de Autores
On the brink of collapse, our nations only hope is a visitation of Gods power and presence. What will heal the deep racial, social, and political divisions that are tearing us apart? How can we stop the evil of human trafficking? What can turn the rising tide of opioid addiction? What will cure the epidemic of fatherless homes? Man-made laws and policies dont hold the answers. Social programs and initiatives fall hopelessly short. There is no political solution. We must have divine visitation. We must have

awakening. We must have revival. In *Revival or We Die*, respected biblical scholar, bestselling author, and radio host, Dr. Michael Brown calls the American Church back to God and His Kingdom purposes. He presents a prophetic state of the union address, offering a candid look at the United States and revealing why our only hope is a true spiritual awakening. Written with the same passion and zeal that characterized his early books, *How Saved Are We?* and *Whatever Happened to the Power of God?*, Dr. Brown issues a fresh clarion call to every true believer in this generation. ...God sees the condition of our souls, how we have exchanged professionalism for the anointing, how we have traded dependence on the Spirit for fleshly endeavors, how we have

substituted a carnal business approach for our first love devotion. Now is the time to awaken! If we are going to save our nation, the American Church must Rediscover the lost Word of God. Restore the fear of the Lord by catching a revelation of divine judgment and calling the Body to holiness. Rekindle the fire of first-love zeal and simple devotion to Jesus. Reignite a hunger for the all-consuming Spirit of God. The stirring message of this book is what every Christian must hear at this crucial moment. Our nation is at a tipping point, and you can play a pivotal role in the mighty revival that God longs to bring. Are you willing?

Sinners in the Hands of an Angry God is

the best known work of Jonathan Edwards, preeminent pastor and theologian. It was providentially used during the First Great Awakening to open the minds and hearts of many to the reality of God's existence and the fierceness of his coming judgment. With vivid imagery and an unrelenting pressing, Edwards warns of the horrors of hell, prodding his listeners to flee the coming wrath and run to Christ. This volume also includes another classic Edwards sermon, Love the Sum of All virtue. Both sermons have been updated for modern readers, keeping all of Edwards' ideas and voice, but presented in a form that today's readers can easily digest.

The Art of Prayer Zondervan

This book presents the case for loving

the local church. It paints a picture of the local church in all its biblical and real life guts, gaffes, and glory in an effort to edify local congregations and entice the disaffected back to the fold. It also provides a solid biblical mandate to love and be part of the body of Christ and counteract the "leave church" books that trumpet rebellion and individual felt needs. *Why We Love the Church* is written for four kinds of people--the Committed, the Disgruntled, the Waffling & the Disconnected.

Zondervan

Leonard Ravenhill presents prayer as faith in action in this fast-paced presentation of this crucial subject. He called prayer the most essential ingredient in producing revival. Filled with exhortations and illustrations, it

teaches the art of effective praying-- which will result in revival. Moody Monthly said, "This is a plea for praying that will melt the preacher's heart, move the people, and magnify the Lord Jesus."

No Compromise Charisma Media

Leonard Ravenhill's call to revival is as timely now as it was when first published over forty years ago. The message is fearless and often radical as he expounds on the disparity between the New Testament church and the church today. *Why Revival Tarries* contains the heart of his message. A.W. Tozer called Ravenhill "a man sent from God" who "appeared at [a] critical moment in history," just as the Old Testament prophets did. Included are questions for group and individual study.

 Under the guidance of the spirit Leon Denis, the spirit author Camilo Castelo Branco, using the pen name Camilo Cândido Botelho, describes to the

médium Yvonne A. Pereira, his dreadful experience after having discarnated by committing suicide. The book entails invaluable instruction, demonstrating the greatness of the Divine Mercy toward repentant suicides and providing them with the opportunity to understand the universe and life in its fullest dimension. The beginnings of planet Earth, the evolution of the human being, the immortality of the soul, Christian morality, and other relevant themes are presented for the understanding that "... no attempt at moral growth will work if we remain imprisoned in self-ignorance." A complete reading of this work shows that there is a road of reconstruction for those who repent. There is always hope because rehabilitation is possible.

'Stalky & Co.' is the hilarious tale of the coming of age of three roguish boys at an English public school. With a seemingly unending supply of practical jokes and ingenious japes to frustrate and thwart their long-suffering schoolmasters, the three pranksters eventually find their match in their wise and all-too-experienced headmaster. Based on his own school days, Kipling has captured the eternal spirit of the English public school and painted an intimate, and understanding, portrait of his young heroes.

A Voyage with God Zondervan

A história bíblica revela de forma circunstancial o anseio de Deus na busca pelo homem. Isso desponta, em todos os sentidos, de forma intrínseca, a respeito da necessidade que o homem tem de Deus. O autor se esforça para deixar perceptível que desde a fundação do mundo até agora, Deus busca relacionamentos, como um altruísta, sacrificando Seu Filho Jesus para que a humanidade o tenha por perto.

Just Enough Light for the Step I'm On--A Devotional Prayer Journey

Createspace Independent Publishing Platform

A Igreja Ocidental tem se corrompido a cada dia e aqueles que se dizem cristãos tem se corrompido em sua maioria de uma forma vergonhosa. O Cristianismo Pós-Moderno é uma vergonha que tem causado muitos escândalos. A Igreja Atual é um retrato fiél da igreja que precede o Arrebatamento: a Igreja de Laodicéia do Apocalipse. Uma Igreja arrogante, soberba e prepotente. Um igreja que se julga rica e autossuficiente — mas que Cristo a acusa de ser pobre

espiritualmente e miserável sob todos os aspectos. Uma igreja que se julga triunfante — mas que na realidade está nua e é completamente cega! A igreja atual deixou Jesus Cristo do lado de fora. E toda uma geração de crentes acha que tudo está indo bem no melhor dos mundos possíveis. Mas a realidade está bem longe disso. O que esta geração

mais precisa — do modo mais urgente e inadiável — são de verdadeiros profetas para alertarem o povo sobre o atual estado de caos da igreja atual e chamarem esse mesmo povo ao arrependimento urgente diante de Deus! A Igreja Atual necessita urgentemente de verdadeiros profetas para esta geração!
