Cherie Priest's Clockwork Century is a steampunk/Victorian science fiction setting featuring an alternate history of the USA. It is the 1880's and the Civil War is still underway. The competition of war has led to technological progress and horrors unimaginable, and many people have fled the combating states, hoping for an easier life out west. Some of them have found it. Some have found something far more sinister. Maria Isabella Boyd's success as a Confederate spy has made her too famous for further espionage work, and now her employment options are slim. Exiled, widowed, and on the brink of poverty - she reluctantly goes to work for the Pinkerton National Detective Agency in Chicago. Adding insult to injury, her first big assignment is commissioned by the Union Army. A federally sponsored transport dirigible is being violently pursued across the Rockies and Uncle Sam isn't pleased. Intelligence suggests that the unrelenting pursuer is a runaway slave who's been wanted by authorities on both sides of the Mason-Dixon for fifteen years. In that time, Captain Croggon Beauregard Hainey has felonied his way back and forth across the continent, leaving a trail of broken banks, stolen war machines, and illegally distributed weaponry from sea to shining sea. And now it's Maria's job to go get him [Britain, Germany, and the Coming of the Great War](#) Kentville, N.S. : Gaspereau Press

"Set in the seedy underworld of nineteenth-century Coney Island during the construction of the Brooklyn Bridge, two orphans are determined to stop evil forces from claiming the city of New York"--

**Clementine** St. Martin's Press

A gripping chronicle of the personal and national rivalries that led to the twentieth century's first great arms race, from Pulitzer Prize winner Robert K. Massie With the biographer's rare genius for expressing the essence of extraordinary lives, Massie brings to life a crowd of glittery figures: the single-minded Admiral von Tirpitz; the young, ambitious Winston Churchill; the ruthless, sycophantic Chancellor Bernhard von Bülow; Britain's greatest twentieth-century foreign secretary, Sir Edward Grey; and Jacky Fisher, the eccentric admiral who revolutionized the British navy and brought forth the first true battleship, the H.M.S. Dreadnought. Their story, and the story of the era, filled with misunderstandings, missed opportunities, and events leading to unintended conclusions, unfolds like a Greek tragedy in this powerful narrative. Intimately human and dramatic, Dreadnought is history at its most riveting. Praise for Dreadnought "Dreadnought is history in the grand manner, as most people

prefer it: how people shaped, or were shaped by, events."—Time "A classic [that] covers superbly a whole era . . . engrossing in its glittering gallery of characters."—Chicago Sun-Times "[Told] on a grand scale . . . Massie [is] a master of historical portraiture and anecdote."—The Wall Street Journal "Brilliant on everything he writes about ships and the sea. It is Massie's eye for detail that makes his nautical set pieces so marvelously evocative."—Los Angeles Times

Campus security found the body of Canfield Adams early on Sunday morning, seven stories below the open window of his office. To the police there is one easy assumption, but anyone who knew Canfield knows he would never have jumped. University officials ask literature Professor and amateur sleuth Kate Fanslar to investigate the death of their precious professor, and she find a myriad of people, both on and off campus, who could have pushed him. However, Kate suspects the university has an ulterior motive . . . . . and she herself is not sure she wants to succeed, for the murderer may be someone she cares about, a student, a colleague, a friend? Taking its name from a Rudyard Kipling poem and littered with his verses throughout, *A Trap for Fools* is a novel about overcoming adversity, one of Amanda Cross' latest and best mysteries. 'If by some cruel oversight you haven't discovered Amanda Cross, you have an uncommon pleasure in store for you' New York Times Book Review

**Fiddlehead: The Clockwork Century 5** Macmillan

In a 19th century unlike our own, the shadowy assassin known as the Bookman moves unseen. His weapons are books; his enemies are many. And when Orphan, a young man with a mysterious past, loses his love to the sinister machinations of the Bookman, Orphan would stop at nothing to bring her back from the dead. In *The Bookman*, World Fantasy Award winner Lavie Tidhar writes a love letter to books, and to the serial literature of the Victorian era: full of hair-breadth escapes and derring-dos, pirates and automatons, assassins and poets, a world in which real life authors mingle freely with their fictional creations - and where nothing is quite as it seems. New 2016 edition includes the

novelette “Murder in the Cathedral”. Discover, truthfully, what actually happened when Orphan visited Paris. File Under: Steampunk [Alternate Victorian London | Reptilian royalty | Diabolical anarchists | Extraordinary adventure!] From the Trade Paperback edition.

#### **Bloodshot** Penguin

A follow-up to Bloodshot finds vampire super-thief Raylene Pendle taking a job to retrieve a valuable magical artifact that is also being sought by a witch who would use it to decimate the world, a situation that is complicated by a threat against the life of her only friend. Original.

#### The Boneshaker Penguin

Lizzie Borden took an axe and gave her mother forty whacks; and when she saw what she had done, she gave her father forty-one.... The people of Fall River, Massachusetts, fear me. Perhaps rightfully so. I remain a suspect in the brutal deaths of my father and his second wife despite the verdict of innocence at my trial. With our inheritance, my sister, Emma, and I have taken up residence in Maplecroft, a mansion near the sea and far from gossip and scrutiny. But it is not far enough from the affliction that possessed my parents. Their characters, their very souls, were consumed from within by something that left malevolent entities in their place. It originates from the ocean’s depths, plaguing the populace with tides of nightmares and madness. This evil cannot hide from me. No matter what guise it assumes, I will be waiting for it. With an axe.

#### Dreadnought Tor Books

A new dark historical fantasy from the “supremely gifted”\* Cherie Priest, author of Maplecroft and Boneshaker. In the trenches of Europe during the Great War, Tomás Cordero operated a weapon more devastating than any gun: a flame projector that doused the enemy in liquid fire. Having left the battlefield a shattered man, he comes home to find yet more tragedy—for in his absence, his wife has died of the flu. Haunted by memories of the woman he loved and the atrocities he perpetrated, Tomás dreams of fire and finds himself setting match to flame when awake.... Alice Dartle is a talented clairvoyant living among others who share her gifts in the community of Cassadaga, Florida. She too dreams of fire, knowing her nightmares are connected to the shell-shocked war veteran and widower. And she believes she can bring peace to him and his wife’s spirit. But the inferno that threatens to

consume Tomás and Alice was set ablaze centuries ago by someone whose hatred transcended death itself.... \*Christopher Golden, #1 New York Times Bestselling Author

#### A Novel Pan Macmillan

Get ready to follow dazzling young writer George Mann to a London unlike any you’ve ever seen and into an adventure you will never forget, in *The Affinity Bridge*. Welcome to the bizarre and dangerous world of Victorian London, a city teetering on the edge of revolution. Its people are ushering in a new era of technology, dazzled each day by unfamiliar inventions. Airships soar in the skies over the city, while ground trains rumble through the streets and clockwork automatons are programmed to carry out menial tasks in the offices of lawyers, policemen, and journalists. But beneath this shiny veneer of progress lurks a sinister side. Queen Victoria is kept alive by a primitive life-

support system, while her agents, Sir Maurice Newbury and his delectable assistant Miss Veronica Hobbes, do battle with enemies of the crown, physical and supernatural. This time Newbury and Hobbes are called to investigate the wreckage of a crashed airship and its missing automaton pilot, while attempting to solve a string of strangulations attributed to a mysterious glowing policeman, and dealing with a zombie plague that is ravaging the slums of the capital. #### The Family Plot Simon and Schuster

“[Acevedo] manages to update vampire lore in clever and imaginative ways.” —El Paso Times If you haven’t yet encountered Gulf War veteran-turned-vampire private eye Felix Gomez, then now is the time! Jailbait Zombie—the fourth in author Mario Acevedo’s outrageously original dark fantasy p.i. series—pits the undead against the living dead, as vampires meet zombies for a no-holds-barred beatdown. As dark, sexy, funny, and endearingly strange as Acevedo’s previous vampiric excursions—*Nymphos of Rocky Flats*, *X-Rated Bloodsuckers*, and *Undead Kama Sutra*—*Jailhouse Zombie* is more of the top-shelf bloody madness that inspired Tim “Nuclear Jellyfish” Dorsey to comment that Mario Acevedo “is a very disturbed man—and I mean that in the absolute finest sense of the term.”

#### The Onion Girl Tor Books

From Cherie Priest, the author of *The Family Plot* and *Maplecroft*, comes *The Toll*, a tense, dark, and scary treat for modern fans of the traditionally strange and macabre. Take a road trip into a Southern gothic horror novel. Titus and Melanie Bell are on their honeymoon and have reservations in the Okefenokee Swamp cabins for a canoeing trip. But shortly before they reach their destination, the road narrows into a rickety bridge with old stone pilings, with room for only one car. Much later, Titus wakes up lying in the middle of the road, no bridge in sight. Melanie is missing. When he calls the police, they tell him there is no such bridge on Route 177 . . . *The Borden Dispatches* Boxtree

Twenty-third century Earth, ravaged by climate change, looks backwards to the holy ideal of a pre-industrial Eden. Political power has been grabbed by a few powerful families and their green saints. Millions of people are imprisoned in teeming cities; millions more labour on Pharaonic projects to rebuild ruined

ecosystems. On the moons of Jupiter and Saturn, the Outers, descendants of refugees from Earth's repressive regimes, have constructed a wild variety of self-sufficient cities and settlements: scientific utopias crammed with exuberant creations of the genetic arts; the last outposts of every kind of democratic tradition. The fragile detente between the Outer cities and the dynasties of Earth is threatened by the ambitions of the rising generation of Outers, who want to break free of their cosy, inward-looking pocket paradises, colonise the rest of the Solar System, and drive human evolution in a hundred new directions. On Earth, many demand pre-emptive action against the Outers

before it's too late; others want to exploit the talents of their scientists and gene wizards. Amid campaigns for peace and reconciliation, political machinations, crude displays of military might, and espionage by cunningly wrought agents, the two branches of humanity edge towards war...

**A Trap for Fools** Subterranean

A sequel to the best-selling *Empire* finds Captain Cole becoming increasingly concerned about new U.S. President Averell Torrent's tough-handed foreign policy stance, a perspective that causes him to be targeted and prompts his investigation into the president's role in an assassination plot.
