- Improve your grades by focusing revision. - Build confidence and strengthen exam technique.

**Biology & Disease**  
Collins Educational  
Collins A2 Biology for AQA is the ideal resource to support you through the 2008 AQA GCE course. It

has been developed with the help of AQA examiners to ensure a perfect match to the 2008 specification and provides everything you need to succeed in your exam. This book covers AQA Biology A2 units: Unit 4 - Populations and Environment Unit 5 - Control in Cells and in Organisms The book includes the following features: - How Science Works feature boxes and assignments - Real world science in context at the start of every chapter - Questions throughout the text, with answers provided in the back of the book - Key fact summaries throughout the text - Stretch and challenge boxes to push the most able students - Exam-style questions at the end of every chapter - Practice synoptic questions The website includes the following additional support material: - Mark schemes for exam-style questions from the book - Sample student answers to exam-style questions at 2 levels with examiner comments to show students how to achieve a higher grade - Guidance for PSAs to help students to achieve the best grades in their practical assessments - Mathematical and

examination technique guidance to ensure that students know how to best prepare for and handle their exams. Also available from Collins: AS Biology for AQA, covering AQA Biology AS units: Unit 1 - Biology and Disease Unit 2 - The Variety of Living Organisms Letts and Lonsdale This Success Revision Guide offers accessible content to help students manage their revision and prepare for the exam efficiently. The content is broken into manageable sections and advice is offered to help build students' confidence. Exam tips and techniques are provided to support students throughout the revision process. \* Clear, concise and accessible content to help students revise with confidence \* Practice material throughout to provide essential exam preparation \* Reliable revision methods and techniques to give students plenty of support  
My Revision Notes: AQA Applied Science Letts and Lonsdale  
This biology text is written to match exactly the specification for teaching Advanced Biology from September 2000. Specification B is the updated version of the old

NEAB syllabus. There are two student books, one for AS and one for A2.

**AQA AS biology unit 1: Biology and disease**

Oxford University Press - Children

This Success Revision Guide offers accessible content to help students manage their revision and prepare for the exam efficiently. The content is broken into manageable sections and advice is offered to help build students' confidence. Exam tips and techniques are provided to support students throughout the revision process.

[AQA\(B\) AS Psychology Student Unit Guide New Edition: Unit 1 Introducing Psychology](#) Heinemann

Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. There are three sections to each guide:

Introduction - includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module and, depending on the unit, suggestions for how to revise effectively and

prepare for the examination questions. Content Guidance - provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics. Question and Answers - sample questions and with graded answers which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner.
