Plays by Christopher Marlowe

Cambridge Scholars Publishing
Lunney explores Marlowe's engagement with the traditions of the popular stage in the 1580s and early 1590s and offers a new approach to his major plays in terms of staging and audience response, as well as providing a new account of English drama in these important but largely neglected years.

The Plays Oxford Paperbacks

Doctor Faustus is a classic; its imaginative boldness and vertiginous ironies have fascinated readers and playgoers alike. But the fact that this play exists in two early versions, printed in 1604 and 1616, has posed formidable problems for critics. How much of either version was written by Marlowe, and which is the more authentic? Is the play orthodox or radically interrogative? Michael Keefer's early work helped to establish the current consensus that the 1604 text was censored and revised; the Keefer edition, praised for its

lucid introduction and scholarship, was the first to restore two displaced scenes to their correct place. Most competing editions presume that the 1604 text was printed from authorial manuscript, and that the 1616 text is of little substantive value. But in 2006 Keefer's fresh analysis of the evidence showed that the 1604 quarto's Marlovian scenes were printed from a corrupted manuscript, and that the 1616 quarto (though indeed censored and revised) preserves some readings earlier than those of the 1604 text. This edition has been updated and revised. Keefer's

critical introduction reconstructs the ideological contexts that shaped and deformed the play, and the text is accompanied by textual and explanatory notes and excerpts from sources.

Christopher Marlowe: Poet & Spy is the most thorough and detailed life of Marlowe since John Bakeless's in 1942. It has new material on Marlowe in relation to Canterbury, also on his home life, schooling, and six and a half years at Corpus Christi College, Cambridge, and

includes fresh data on his reading, teachers, and early achievements, including a new letter with a new date for the famous 'putative portrait' of Marlowe at Cambridge. The biography uses for the first time the Latin writings of his friend Thomas Watson to illuminate Marlowe's life in London and his career as a spy (that is, as a courier and agent for the Elizabethan Privy Council). There are new accounts of him on the continent, particularly at Flushing or Vlissingen, where he was arrested. The book also more fully explains Marlowe's relations with his chief patron, Thomas Walsingham, than ever before. This is also the first biography to explore in detail Marlowe's relations with fellow playwrights such as Kyd and Shakespeare, and to show how Marlowe's relations with Shakespeare evolved from 1590 to 1593. With closer views of him in relation to the Elizabethan stage than have appeared in any biography, the book examines in detail his aims, mind, and techniques as exhibited in all of his plays, from *Dido*, the *Tamburlaine* dramas, and *Doctor Faustus* through to *The Jew of Malta* and *Edward II*. It offers new treatments of his evolving versions of

'*The Passionate Shepherd*', and displays circumstances, influences, and the bearings of Shakespeare's '*Venus and Adonis*' in relation to Marlowe's '*Hero and Leander*'. Throughout, there is a strong emphasis on Marlowe's friendships and so-called 'homosexuality'. Fresh information is brought to bear on his seductive use of blasphemy, his street fights, his methods of preparing himself for writing, and his atheism and religious interests. The book also explores his attraction to scientists and mathematicians such as Thomas Harriot and others in the Raleigh-Northumberland set of thinkers and experimenters. Finally, there is new data on spies and business agents such as Robert Poley, Nicholas Skeres, and Ingram Frizer, and a more exact account of the circumstances that led up to Marlowe's murder.

Silver Poets of the Eighteenth Century Wordsworth Editions

This new edition of *Dr. Faustus* presents the play in its original spelling with extensive commentary and textual apparatus. Based on the edition of 1604, the book includes an introduction that presents a new theory of the text and its

transmission, and appendices that outline different theories of the text and provide both the alternative passages from the 1616 edition and extracts from The English Faustbook, which was the play's principal source.

The Tragical History of the Life and Death of Doctor Faustus Penguin

Christopher Marlowe (1564-1593), a man of extreme passions and a playwright of immense talent, is the most important of Shakespeare's contemporaries. This edition offers his five major plays, which show the radicalism and vitality of his writing in the few years before his violent death. Tamburlaine Part One and Part Two deal with the rise to world prominence of the great Scythian shepherd-robber; The Jew of Malta is a drama of villainy and revenge; Edward II was to influence Shakespeare's Richard II. Doctor Faustus, perhaps the first drama taken from the medieval legend of a man who sells his soul to the devil, is here in both its A- and its B- text, showing the enormous and fascinating differences between the two. Under the General Editorship of Dr. Michael Corder of the University of York, the texts of the plays have been newly

edited and are presented with modernized spelling and punctuation. In addition, there is a scholarly introduction and detailed annotation.

Sex, Gender, and Desire in the Plays of Christopher Marlowe Cornell

University Press

This book offers a lively introduction to all of the plays of Christopher Marlowe and to the central concerns of his age, many of which are still important to us--religious uncertainty, the clash between Islam and Christianity, ideas of sexuality, and the role of the marginalised individual in society. Each chapter focuses on a specific aspect of Marlowe's work and its cultural contexts: Marlowe's life and death; the Marlowe canon; the theatrical contexts and stage history of the plays; Marlowe's interest in old and new branches of knowledge; the ways in which he transgresses against established norms and values; and the major issues which have been raised in critical discussions of his plays.

The Complete Plays Irvington Pub

A contemporary of William Shakespeare and Ben Jonson, Christopher Marlowe was one of the most influential early modern

dramatists, whose life and mysterious death have long been the subject of critical and popular speculation. This collection sets Marlowe's plays and poems in their historical context, exploring his world and his wider cultural influence. Chapters by leading international scholars discuss both his major and lesser-known works. Divided into three sections, 'Marlowe's works', 'Marlowe's world', and 'Marlowe's reception', the book ranges from Marlowe's relationship with his own audience through to adaptations of his plays for modern cinema. Other contexts for Marlowe include history and politics, religion and science. Discussions of Marlowe's critics and Marlowe's appeal today, in performance, literature and biography, show how and why his works continue to resonate; and a comprehensive further reading list provides helpful suggestions for those who want to find out more.

The Plays of Christopher Marlowe Routledge

Focusing upon Marlowe the playwright as opposed to Marlowe the man, the essays in this collection position the dramatist's plays within the dramaturgical, ethical,

and sociopolitical matrices of his own era. The volume also examines some of the most heated controversies of the early modern period, such as the anti-theatrical debate, the relations between parents and children, Machiavelli's ideology, the legitimacy of sectarian violence, and the discourse of addiction. Some of the chapters also explore Marlowe's polysemous influence on the theater of his time and of later periods, but, most centrally, upon his more famous contemporary poet/playwright, William Shakespeare.

Elaborates on the theory that celebrated English playwright Christopher Marlowe staged his own death and subsequently became known as William Shakespeare, in a speculative biography that describes Elizabethan political intrigue.

Some facets of these plays explored in this study include the asymmetry of gender; the representation of gender as natural and universal or as discursively

constructed; the reinforcement or subversion of traditional gender traits, gender principles, and gender structures; and the relationship of sex, gender, and sexuality, terms too often conflated in postmodern and early modern parlance. *The Tragical History of D. Faustus...* A&C Black

Their texts fully restored by recent scholarship, Marlowe's astonishing works can now be appreciated as originally written. For the first time, this edition boasts the complete plays - including two versions of Doctor Faustus. Blasphemy, perversion, defiance and transgression ...

in a series of compelling tragedies, Marlowe challenged every authority of heaven and earth. From the proud wrath of Tamburlaine, the tyrant of Asia, to the racked anguish of Edward II, himself in thrall to unspeakable desires; from God's own Machiavel, the Duke of Guise, to Barabas, the Jew of Malta, curse of Christianity: all are taboo-breakers, to be broken in their turn. And in the tragedy of Doctor Faustus we perhaps read Marlowe's own: a tale of brilliance and audacity - and of terrible, inexorable punishment. Their texts fully restored by recent scholarship, Marlowe's astonishing works can now be appreciated as originally written. For the first time, this edition boasts the complete plays - including two versions of Doctor Faustus.

Plays of Christopher Marlowe Bucknell University Press

This re-visioning of the Marlowe canon aims to explain the ambiguous effects that readers have long associated with Marlowe's signature. Marlovian tragedy has been inadequately theorized because Marlowe has too often been set under the giant shadow of Shakespeare. Grande, by contrast, takes Marlowe on his own terms and demonstrates how he achieves his notorious moral ambiguity through the rhetorical technique of dilation or amplification. All of Marlowe's plays end in the conventional tragic way, with death. But each play, as well as Hero and Leander, repeatedly evokes the reader's expectations of a tragic end only to defer them, dilating the moment of pleasure so that the protagonists can dally before the "law" of tragedy.

The Works of Christopher Marlowe

Weidenfeld & Nicolson

This major work brings together, for the first time in a single volume, all the recognized sources of Marlowe's dramatic work. Many of the forty-two texts presented here are of outstanding interest in their own right. Together they illuminate the cultural milieu which fostered Marlowe's talent, and deepen our appreciation of his dramatic methods. * Each of the texts is accessibly presented for the modern reader and is fully annotated. * Works in Latin or foreign vernaculars are translated, many for the first time, and modern spelling and punctuation are used throughout. * The sources for each play are examined individually and are thoroughly edited. Few libraries provide the range of sources contained in this one volume. The editors include texts of works such as the English Faust-Book from which Marlowe borrowed heavily, and provide substantial extracts from other books with which he was no doubt familiar. This book is an invaluable resource for all those interested in Marlowe and the development of Elizabethan theatre.

On This Day in Tudor History Macmillan + ORM

For those who doubt that the actor from Stratford, William Shakspeare, wrote the works of Shakespeare, the brilliant poet and playwright Christopher Marlowe has always been the professional candidate. In this book, which argues that a chronological approach is essential, Donna N. Murphy employs a variety of tools to document a Marlowe-Shakespeare continuum (with her proposed dates of first-version authorship) in *The Taming of the Shrew*, c. 1590; *II and III Henry VI*, c. 1590; *Edward III* c. 1590-1; *Titus Andronicus* c. 1591-3; *Thomas of Woodstock* c. 1593; *Romeo and Juliet* c. 1595-6; and *I Henry IV*, c. 1596-7. Her research firmly supports the theory that Christopher Marlowe, living on after he supposedly died, was the main hand behind the works of Shakespeare.

Not illustrated. 1912 edition. Excerpt: ... Gav. My lord, these titles far exceed my worth. Kent. Brother, the least of these may well suffice For one of greater birth than Gaveston. K. Edw. Cease, brother: for I cannot brook these words. 160 Thy worth, sweet friend, is far above my gifts, Therefore, to equal it, receive my heart; If for these dignities thou be envied, I'll give thee more; for, but to honour thee, Is Edward pleased with kingly regiment. Fear'st thou thy person? thou shalt have a guard: Wan test thou gold? go to my treasury: Wouldst thou be loved and feared? receive my seal; Save or condemn, and in our name command Whatso thy mind affects, or fancy likes. 170 Gav. It shall suffice me to enjoy your love, Which whiles I have, I think myself as great As Caesar riding in the Roman street, With captive kings at his

triumphant car. Enter the Bishop of Coventry K. Edw. Whither goes my lord of Coventry so fast? B. of Cov. To celebrate your father's exequies. But is that wicked Gaveston returned? K. Edw. Ay, priest, and lives to be revenged on thee, That wert the only cause of his exile. Gav. 'Tis true; and but for reverence of these robes, Thou should'st not plod one foot beyond this place, mt B. of Cov. I did no more than I was bound to do; And, Gaveston, unless thou be reclaimed, As then I did incense the parliament, So will I now, and thou shalt back to France. Gav. Saving your reverence, you must pardon me. K. Edw. Throw off his golden mitre, rend his stole, And in the channel christen him anew. Kent. Ah, brother, lay not violent hands on him For he'll complain unto the see of Rome. 190 Gav. Let him complain unto the see of hell; I'll be revenged on him for my exile. K. Edw.
