In the exclusive town of Rosewood, Pennsylvania, where the sweetest smiles hide the darkest secrets, four pretty little liars - Spencer, Aria, Emily, and Hanna - have been very bad girls . . . Spencer stole her sister's boyfriend; Aria is brokenhearted over her English teacher; Emily likes her new friend Maya . . . as much more than a friend. And Hanna's obsession with looking flawless is literally making her sick. But the most horrible secret of all is something so scandalous it could destroy their perfect little lives. And someone named 'A' is threatening to do just that. At first they thought A was Alison, their friend who vanished three years ago . . . but then Alison turned up dead. So who could A be? Only one thing's for certain: A's got the dirt to bury them all alive, and with every crumpled note and vindictive text message A sends, the girls get a little closer to losing it all.

Pretty Little Liars: The Second Half 8-Book Collection Hachette UK

In picture-perfect Rosewood, Pennsylvania, ash-blond highlights gleam in the winter sun and frozen lakes sparkle like Swarovski crystals. But pictures often lie—and so do Rosewood's four prettiest girls. Hanna, Aria, Spencer, and Emily have been lying ever since they became friends with beautiful

Alison DiLaurentis. Ali made them do terrible things—things they had to keep secret for years. And even though Ali was killed at the end of seventh grade, their bad-girl ways didn't die with her. Hanna's on a mission to corrupt Rosewood's youth, starting with a very attractive sophomore. Aria's snooping into her boyfriend's past. Spencer's stealing—from her family. And pure little Emily's abstaining from abstinence. The girls should be careful, though. They thought they were safe when Ali's killer was arrested and A's true identity was finally revealed. But now there's a new A in town turning up the heat. And this time Rosewood is going to burn.

Pretty Little Liars: Ali's Pretty Little Lies Harper Collins

In picturesque Rosewood, Pennsylvania, neighbors gossip over picket fences, and gleaming SUVs sit in every crushed-granite driveway. But recently, friendly smiles have been replaced with suspicious glares and accusatory whispers—and it's all because Hanna, Aria, Emily, and Spencer just can't keep their mouths shut. . . . First they claimed they found a dead body in the woods behind Spencer's house, only to have it vanish without a trace. Then when the same woods went up in flames, they swore they saw someone who's supposed to be dead rise from the ashes. And even after all that, the pretty little liars are still playing with fire. Hanna's trading in her Dior trench for a straitjacket. Aria's trying to contact the dead. Emily's dumped her boyfriend and is skipping town . . . again. And Spencer thinks someone in her family has gotten away with murder. The friends insist they're telling the truth about what they saw, but all of Rosewood thinks they're simply out for attention—and nobody likes a girl who cries wolf. So when the big bad killer comes after the girls, will anyone believe them . . . or will they be the next to disappear?
